MEMORANDUM

To:	The Florida Gaming Control Commission
From:	Division of Pari-Mutuel Wagering
Re:	Request to Renew Annual Slot Machine License Gulfstream Park Racing Association, Inc. d/b/a Gulfstream Park Racing & Casino (SM321) Case# 2025-059126
Date:	September 1, 2025

Executive Summary

A slot machine licensee has submitted an application to renew its annual slot machine license. The Commission should approve this request.

Background

Slot machine gaming is authorized in Miami-Dade and Broward Counties at certain pari-mutuel facilities. [1] One such facility is Gulfstream Park Racing Association, Inc. d/b/a Gulfstream Park Racing & Casino ("Gulfstream Park"). Gulfstream Park is located in Broward County and possesses a valid thoroughbred permit. Gulfstream Park was issued a pari-mutuel operating and cardroom license for the 2025-2026 fiscal year.

Commission staff received Gulfstream Park's application to renew its slot machine license on August 11, 2025. The application will be deemed complete upon receipt of the regulatory fee for the contractual services for the compulsive or addictive gambling prevention program.

Analysis

In addition to submitting a complete application, a slot machine licensee must satisfy numerous requirements to be entitled to a renewed slot machine license. [2] Gulfstream Park has satisfied all of these requirements.

Recommendation

The Florida Gaming Control Commission should approve Gulfstream Park Racing Association, Inc. d/b/a Gulfstream Park Racing & Casino's application for renewal of its slot machine license effective October 13, 2025 through October 12, 2026.

2024 GULFSTREAM PARK FLORIDA-BRED STAKES PROGRAM AGREEMENT

This Agreement, by and among the Florida Thoroughbred Breeders' Association, Inc. d/b/a the Florida Thoroughbred Breeder's and Owners' Association ("FTBOA"), the Florida Horsemen's Benevolent & Protective Association, Inc. d/b/a the Florida Thoroughbred Horsemen's Association ("FTHA"), and Gulfstream Park Racing Association, Inc. ("Gulfstream Park"), (collectively the "Parties"), is entered into as of April 15, 2023 (the "Effective Date"), and sets forth the terms of the FTBOA's Florida-Bred Stakes Program (the "Program") for races conducted at Gulfstream Park's pari-mutuel facility during 2024 and subsequent years if the applicable Funding Conditions for that year, as set forth below, are satisfied.

For 2024, this Agreement is expressly conditioned upon the State of Florida authorizing the following funding for state fiscal year 2023/24 (July 1, 2023 – June 30, 2024), the State's disbursement of that funding, and the Parties' authorization from the State to use those funds for the purposes stated in this Agreement through Dec. 31, 2024: (a) at least $5 million to the FTBOA for breeder and stallion awards, special racing awards (Florida-Bred/Florida-Sired purses and purse supplements), other Florida-Bred/Florida-Sired race incentives, awards administration, and promotion of the Florida thoroughbred breeding industry; and (b) at least $15 million for purses in thoroughbred races conducted at its pari-mutuel facility and for the maintenance and operation of that facility and at least an additional $2.0 million for purses and purse supplements for Florida-bred or Florida-sired horses to be used pursuant to this Agreement in thoroughbred races conducted at Gulfstream Park's pari-mutuel facility (collectively the "Funding Conditions"). If, by July 1, 2023, the State of Florida has not authorized funding for state fiscal year 2023/24 sufficient to satisfy the 2024 Funding Conditions, then this Agreement shall automatically terminate on July 1, 2023.

This Agreement shall automatically renew and extend to 2025 and subsequent years if the Funding Conditions are similarly satisfied for that year with all relevant dates advanced accordingly.

In consideration of the mutual covenants set forth herein and other good and valuable consideration, the Parties agree as follows:

1. **Florida-Bred Purses and Purse Supplements.** From all their available sources, the FTBOA will contribute $1.3 million per year and Gulfstream Park and the FTHA collectively will contribute $2.0 million per year under this Program, for a total of $3.3 million per year in Florida-Bred/Florida-Sired purses and purse supplements (the "Funds"). The distribution of the Funds is detailed below and outlined in the attached Exhibit A, the terms of which are specifically incorporated herein by reference. If any of the Funds committed under this Agreement to one of the program components under paragraphs a., b., or c. are not awarded during the term of this Agreement, then those Funds will be returned or released to the Parties at the end of that year in the same proportion in which they were contributed to that program component, as provided in Exhibit A. The returned or released Funds will then be used in the following year in that same program component, pursuant to a subsequent agreement among the Parties.

a. **FTBOA's Florida Sire Stakes.** The FTBOA Florida Sire Stakes ("FSS"), as provided herein, will consist of the following two-year-old races to be run at Gulfstream Park's pari-mutuel facility each year, as further described below: (i) a filly race and a colt race at six furlongs, with a purse of $100,000.00 per race, totaling $200,000.00, to be run in the first half of September (the "September Races"); (ii) a filly race and a colt race at seven furlongs, with a purse of $200,000.00 per race, totaling $400,000.00, to be run in the latter half of October (the "October Races"); and (iii) a filly race and a colt race at 1-1/16 miles, with a purse of $300,000.00 per race, totaling $600,000.00, to be run in the first half of December (the "December Races"). Start and Entry Fees. The FTBOA will receive all start and entry fees collected by Gulfstream Park.

Non-Florida-Breds. Thoroughbred horses produced from the Florida breeding season of 2018 and subsequent years that are sired by stallions standing in Florida appropriately registered with the FTBOA ("Florida stallions") and foaled in other states shall also be eligible to compete in the FSS races under the following conditions:

i. The horse must be sired by a Florida stallion for which the FTBOA has timely received double the FSS stallion registration fee for the year the foal was conceived.

WB

ii. On behalf of the horse, the FTBOA must have timely received all required FSS eligibility payments at double the established rate for FTBOA-registered Florida-Breds.

iii. The horse will race for only 50% of the FSS purse stated above in the entered stakes race.

Force Majeure Event. If any of the FSS races are not run on the originally scheduled date as a result of any governmental order or natural or man-made disaster, including fire, strike, war, hurricane, tropical storm, pandemic or other natural or man-made disaster or event beyond the control of Gulfstream Park ("Force Majeure Event"), Gulfstream Park shall have the right, in its sole and absolute discretion, to determine whether and when to reschedule any of the FSS races, but any such rescheduled race must take place in the same year. In such event, Gulfstream Park shall not be in default of this Agreement and shall have no liability whatever to either FTBOA or FTHA for any damages, including but not limited to breach of contract. Any action by the Florida Gaming Control Commission regarding the regulatory consequences, if any, of such Force Majeure Event shall not alter this covenant.

b. **Florida-Bred Overnights Purse Supplement Programs ("Florida-Bred Incentive Fund" or "FBIF").** The Program will offer $1,800,000.00 per year in Florida-Bred purse supplements in open maiden overnight races, open allowance overnight races, and/or open stakes races conducted at Gulfstream Park's pari- mutuel facility, with the amounts, conditions, and dates of those races subject to the mutual agreement of the Parties. These purse supplements will be paid only to owners of thoroughbreds properly registered with the FTBOA as Florida-Breds. Published race conditions (such as in the condition book, overnight sheets, race programs, and results) for FBIF supplemented races funded by the Program will indicate that the purse includes funds from "FBIF" (for example, "Includes $5,000 from FBIF").

c. **Two-Year-Old Maiden Special Weight FSS Purse Supplements.** The Program will offer $300,000 per year in "Win-Only" purse supplements of $5,000 per race for two-year-old maiden special weight races, available only to thoroughbreds winning those races that are properly registered with the FTBOA as Florida-Breds and as FSS-eligibles. The two-year-old purse supplements under this paragraph will be offered in races conducted at Gulfstream Park's pari-mutuel facility, with the conditions and dates of those races subject to the mutual agreement of the Parties. Published race conditions (such as in the condition book, overnight sheets, race programs, and results) for these FSS supplemented races will indicate that the purse "Includes $5,000 from FTBOA-FSS."

2. **Florida-Bred Preferred or Restricted Races**. Pursuant to the agreement provided in section 550.5251(2)(a), Florida Statutes, Gulfstream Park shall make a good faith effort to daily write and offer Florida-Bred preferred or, alternatively, Florida-Bred restricted races at its pari-mutuel facility, subject to the discretion of Gulfstream Park. The Florida-Bred preferred or restricted races shall be included within the first ten races offered daily in the condition book. The Florida-Bred preferred or restricted races offered daily shall be a mix of all conditions and types of races

subject to the discretion of Gulfstream Park.

3. **Additional Terms.**

   a. When offering any race for Florida-bred horses, Gulfstream Park will confine such offerings to thoroughbreds properly registered with the FTBOA as Florida-Breds and will announce such races as being for "FTBOA Registered Florida-Breds."

   b. Pursuant to section 550.2625(6)(e), Florida Statutes, the Parties hereby authorize the payment of Florida Owners' Awards ("FOA's") during the Term of this Agreement as follows: 60% of the FOA to the owner of the winner, 20% to second, 11% to third, 6% to fourth, and 3% to fifth.

4. **Term.**

   a. The term of this Agreement (the "Term") will commence on Jan. 1, 2024, and shall end at 11:59 p.m. on Dec. 31, 2024, unless sooner terminated by written agreement signed by all Parties or as otherwise provided herein. No party shall have the sole right to terminate this Agreement except in the event of a breach by another party. However, no termination for breach will be effective unless and until the breach continues to exist for thirty (30) days after the breaching party has received written notice specifying the breach and an opportunity to cure such breach if the breach is curable. If the breach continues after such 30-day notice, the Agreement shall terminate.

   b. The Term of this Agreement shall automatically renew for 2025 and subsequent years if the Funding Conditions set forth in the second paragraph on page 1 are similarly satisfied for that year with all relevant dates advanced accordingly.

5. **FTBOA Report.** By Feb. 1, 2025, the FTBOA will provide Gulfstream Park and the FTHA with a report evidencing that the funds contributed by the FTBOA for 2024 under this Agreement were no less than 17% of the funds generated in 2024 by Gulfstream Park under Chapter 550 and dedicated by that chapter for use as thoroughbred breeder awards, stallion awards, and special racing awards, in compliance with Section 550.2625(1), Florida Statutes. In the event the FTBOA contributed less than the 17% minimum required, the FTBOA shall make up any such shortfall, and the Parties will include it in the Program for 2025. Payment of any such shortfall for 2024 shall be in addition to any funds required to be returned to Gulfstream Park in 2025 for use as special racing awards, consistent with Section 550.2625(1), Florida Statutes.

   The FTBOA's obligations under this Section 5 shall survive termination of the Agreement for any reason until such time as those obligations are satisfied.

6. **Conditions Precedent.** This Agreement is subject to approval by the boards of directors or executive committees of the FTBOA and FTHA and shall not be effective until such time. Notwithstanding the foregoing, the Effective Date shall be the date on which this Agreement has been executed by the Parties.

WB

7. **Entire Agreement; Amendments.** This Agreement, together with its Exhibit, comprises all terms and conditions between the Parties regarding the subject matter hereof and may not be altered or amended except by a written agreement executed by all Parties.

8. **Construction; Interpretation.** The Parties acknowledge and agree that they and their counsel have had an active role in the negotiation and drafting of this Agreement, such that the principle of construing any ambiguity in an agreement against its drafter shall not apply. This Agreement shall be construed in accordance with the laws of the State of Florida. If any portion of this Agreement is rendered void or unenforceable, such provision shall be severed from the Agreement and the remainder of the Agreement shall remain in force.

9. **No Third-Party Beneficiaries.** The rights under this Agreement shall inure to each Party's successors, heirs and assigns; however, this Agreement is not intended to benefit any third party or to grant any person not a party to this Agreement any right to enforce its terms or seek damages hereunder.

10)(a)1. No slot machine license or renewal thereof shall be issued to an applicant holding a permit under chapter 550 to conduct pari-mutuel wagering meets of thoroughbred racing unless the applicant has on file with the commission a binding written agreement between the applicant and the Florida Horsemen's Benevolent and Protective Association, Inc., governing the payment of purses on live thoroughbred races conducted at the licensee's pari-mutuel facility. In addition, no slot machine license or renewal thereof shall be issued to such an applicant unless the applicant has on file with the commission a binding written agreement between the applicant and the Florida Thoroughbred Breeders' Association, Inc., governing the payment of breeders', stallion, and special racing awards on live thoroughbred races conducted at the licensee's pari-mutuel facility. The agreement governing purses and the agreement governing awards may direct the payment of such purses and awards from revenues generated by any wagering or gaming the applicant is authorized to conduct under Florida law. All purses and awards shall be subject to the terms of chapter 550. All sums for breeders', stallion, and special racing awards shall be remitted monthly to the Florida Thoroughbred Breeders' Association, Inc., for the payment of awards subject to the administrative fee authorized in s. 550.2625(3).

2. No slot machine license or renewal thereof shall be issued to an applicant holding a permit under chapter 550 to conduct pari-mutuel wagering meets of quarter horse racing unless the applicant has on file with the commission a binding written agreement between the applicant and the Florida Quarter Horse Racing Association or the association representing a majority of the horse owners and trainers at the applicant's eligible facility, governing the payment of purses on live quarter horse races conducted at the licensee's pari-mutuel facility. The agreement governing purses may direct the payment of such purses from revenues generated by any wagering or gaming the applicant is authorized to conduct under Florida law. All purses shall be subject to the terms of chapter 550.

(b) The commission shall suspend a slot machine license if one or more of the agreements required under paragraph (a) are terminated or otherwise cease to operate or if the commission determines that the licensee is materially failing to comply with the terms of such an agreement. Any such suspension shall take place in accordance with chapter 120.

(c)1. If an agreement required under paragraph (a) cannot be reached prior to the initial issuance of the slot machine license, either party may request arbitration or, in the case of a renewal, if an agreement required under paragraph (a) is not in place 120 days prior to the scheduled expiration date of the slot machine license, the applicant shall immediately ask the American Arbitration Association to furnish a list of 11 arbitrators, each of whom shall have at least 5 years of commercial arbitration experience and no financial interest in or prior relationship with any of the parties or their affiliated or related entities or principals. Each required party to the agreement shall select a single arbitrator from the list provided by the American Arbitration Association within 10 days of receipt, and the individuals so selected shall choose one additional arbitrator from the list within the next 10 days.

FLORIDA THOROUGHBRED BREEDERS' AND OWNERS' ASSOCIATION

PLAN FOR PAYMENT OF BREEDER, STALLION, AND SPECIAL RACING AWARDS
(JANUARY 1, 2025 - DECEMBER 31, 2025)

In accordance with section 550.26165, Florida Statutes, the Florida Thoroughbred Breeders' Association, Inc., d/b/a the Florida Thoroughbred Breeders' and Owners' Association ("FTBOA"), hereby submits its plan for the payment of all monies dedicated to Breeder Awards, Stallion Awards, and Special Racing Awards under chapter 550 (the "Awards Account") for the calendar year ending December 31, 2025, pending the availability of funds. In addition to those monies, this plan is premised upon the FTBOA's use of funds from the Florida Department of Agriculture and Consumer Services pursuant to s. 571.265(3)(a), from which half of all Breeder and Stallion Awards under this plan will be funded. This plan was prepared in accordance with the FTBOA's 2025 Breeder Awards Policy, a copy of which is attached as Appendix A and incorporated herein by reference.

(1) **Breeder Awards**

The FTBOA will pay Breeder Awards to the breeders of Florida-breds appropriately registered with the FTBOA that finish in first, second or third place in a licensed race at a Florida thoroughbred track during the 2025 calendar year as follows:

1st Place – Twelve and one-half percent (12.5%) of the announced gross purse, with each such Breeder Award limited to no more than $12,500.

2nd Place – Five percent (5%) of the announced gross purse, with each such Breeder Award limited to no more than $5,000.

3rd Place – Two and one-half percent (2.5%) of the announced gross purse, with each such Breeder Award limited to no more than $2,500.

As used herein, "announced gross purse" means the gross purse available in the race, as stated in the official race conditions (whether actually earned or not), minus any Florida Owners' Awards included therein (pursuant to section 550.2625(6)(d), Florida Statutes).

These awards will be paid monthly.

(2) **Stallion Awards**

The FTBOA will pay Stallion Awards to the owners of thoroughbred stallions appropriately registered with the FTBOA and siring FTBOA-registered Florida-breds that finish first in a listed black-type stakes race at a Florida thoroughbred track during the 2025 calendar year. The stallion must be registered with the FTBOA in the year of conception of the winning horse and each year thereafter, including 2025.

Stallion Awards will be paid at a uniform rate of twenty percent (20%) of the announced gross purse, with each such Stallion Award limited to no more than $20,000. As used herein, "announced gross purse" shall have the same meaning as previously set forth for Breeder Awards.

These awards will be paid quarterly.

(3) **Special Racing Awards**

(a) Racing Meets under Gulfstream Park Management – Pursuant to section 550.26165(1), Florida Statutes, the FTBOA will return at least seventeen percent (17%) of the monies dedicated by statute for breeder and stallion awards, as generated from all thoroughbred racing meets managed by Gulfstream Park Racing Association Inc., under any Florida permit or at any Florida track, for Special Racing Awards to be distributed as purses, purse supplements and/or other racing incentives, pending adoption of an agreement establishing the rate, procedure, and eligibility requirements for such Awards entered into by the FTBOA, the Florida Thoroughbred Horsemen's Association, and the relevant permitholder(s). While the agreement may establish additional requirements, eligibility will be limited to Florida-breds registered with the FTBOA except as specified below. In addition, for the Florida Sire Stakes ("FSS") program, only thoroughbreds sired by an FTBOA-registered stallion standing in Florida are eligible. Eligibility to compete in one or more FSS stakes races for two-year-olds, at 50% of the FTBOA-funded purse, may also be extended to thoroughbreds foaled in other states but sired by an FTBOA-registered Florida stallion. Absent the above-referenced agreement, funds that would have otherwise been devoted to Special Racing Awards will be distributed as set forth in Paragraph (4).

(b) All Other Racing Meets – Pursuant to section 550.26165(1), Florida Statutes, the FTBOA will return at least seventeen percent (17%) of the monies dedicated by statute for breeder and stallion awards pro-rata to the permitholder generating the monies for Special Racing Awards to be distributed as purses, purse supplements and/or other racing incentives, pending adoption of an agreement establishing the rate, procedure, and eligibility requirements for such Awards entered into by the FTBOA, the relevant local horsemen's association, and the individual permitholder. While the agreement may establish additional requirements, eligibility will be limited to Florida-breds registered with the FTBOA except as specified below. In addition, for the Florida Sire Stakes ("FSS") program, only thoroughbreds sired by an FTBOA-registered stallion standing in Florida are eligible. Eligibility to compete in one or more FSS stakes races for two-year-olds, at 50% of the FTBOA-funded purse, may also be extended to thoroughbreds foaled in other states but sired by an FTBOA-registered Florida stallion. Absent the above-referenced agreement, funds that would

have otherwise been devoted to Special Racing Awards will be distributed as set forth in Paragraph (4).

(4) **Awards Account Surplus**

After payment of awards pursuant to Paragraphs (1), (2) and (3) (as applicable) and after providing for a reserve deemed appropriate by the FTBOA to meet future cash flow requirements for Breeder, Stallion, and Special Racing Awards, the FTBOA, through its Board of Directors, shall select from the options specified below (or any combination thereof) to dispose of excess funds, after reconciliation and resolution of any outstanding payments and receipts:

(a) If excess funds are greater than currently anticipated, e.g., because a 2025 agreement under Paragraph (3) is not reached with the permitholder and its local horsemen's association or because this agreement results in fewer awards dollars than expected going to purses, purse supplements and/or other racing incentives, some or all of the excess funds may be paid as bonus Breeder Awards and/or Stallion Awards to recipients of those awards earned during the 2025 calendar year. Any bonus awards under this subparagraph will be paid in the same proportion as previously earned awards during the 2025 calendar year. These bonus awards may cause individual awards to exceed the levels stated in Paragraphs (1) and/or (2).

(b) Some or all of the excess funds may be held in reserve to enhance Breeder Awards, Stallion Awards and/or Special Racing Awards to be made available during the 2026 calendar year.

Ten percent (10%) of the gross receipts into the Awards Account for the 2025 calendar year will be withheld by the FTBOA in accordance with section 550.2625(3), Florida Statutes, for administering the payment of awards and for general promotion of the industry. The FTBOA's proposals for general promotion of the industry are set forth in its 2024 Industry Promotion Plan, a copy of which is attached as Appendix B and incorporated herein by reference.

As stated in the FTBOA's 2025 Breeder Awards Policy (Appendix A), the FTBOA has typically adopted a conservative approach in setting the initial awards rate in the annual plan, with the prospect of later paying bonus breeder and/or stallion awards as actual performance during the plan year becomes clear.

Pursuant to section 550.26165(3), Florida Statutes, the FTBOA may, in the future, ask the Division to approve changes to this plan based upon material changes in the thoroughbred breeding and racing industries or other circumstances underlying the plan, which may include new Florida legislation, court decisions, natural disasters or other emergency conditions, etc.

FTBOA
Breeder & Stallion Awards Policy

This document memorializes the ongoing practices of the Florida Thoroughbred Breeders' and Owners' Association ("FTBOA") in administering the Florida breeder and stallion awards program and establishing the annual plan for the program, pursuant to chapter 550, Florida Statutes.

Policy Statement: It is the Policy of the FTBOA to distribute to the breeders of registered Florida-bred thoroughbreds successfully competing in Florida races and, secondarily, to distribute to the owners of registered Florida sires of such horses successfully competing in Florida stakes races, the maximum possible breeder and stallion awards, within the confines of available revenues and consistent with sound financial business practices and the requirements of chapter 550, Florida Statutes.

When preparing the annual plan and initial awards rate for the next calendar year, which typically occurs in August and September, numerous variables must be evaluated, including current and projected breeding and racing activity in Florida, as well as the breeding incentive programs offered in other states. Setting the initial awards rate, which may extend to Florida-breds that win, place, or show in licensed races, is always a balancing act among competing factors, including:

(a) the uncertainty of how many Florida-breds will actually win, place, or show in Florida races conducted in the coming year;

(b) how tracks will write the conditions, including base purses and added purses, for those races;

(c) existing and projected awards obligations for the remainder of the current year;

(d) the level of reserves that will be carried over into the coming year;

(e) how much awards revenue will actually be generated and paid by the tracks during the plan year;

(f) how much will be returned to the tracks generating those revenues as "special racing awards" in the form of purses, purse supplements and/or other racing incentives, pursuant to FTBOA agreements with those tracks and the respective local horsemen's associations;

(g) the desire to avoid over-committing available revenues, which would require the issuance of "IOUs" to breeders and/or stallion owners – a regrettable situation that has occurred in other states; and

(h) recent and possible future developments affecting the marketplace and the legislative, regulatory, racing dates, and legal/political/economic landscapes.

In light of the many variables involved, the FTBOA has typically adopted a conservative approach in setting the initial awards rate in the annual plan, with the prospect of later

paying bonus breeder and/or stallion awards as actual performance during the plan year becomes clear, as discussed below.

Additional Breeder and/or Stallion Awards: In order to distribute the maximum possible breeder and/or stallion awards within available revenues and to ensure that the awards fund balance does not grow excessively, the annual plan may authorize the payment of bonus breeder and/or stallion awards and/or may authorize the payment of breeder and/or stallion awards on certain classes of races conducted in other states, pursuant to section 550.26165(5)(c), Florida Statutes, if agreed to by the FTBOA, Florida Thoroughbred Horsemen's Association, and all Florida thoroughbred permitholders. If an awards account surplus exists after providing for cash reserves appropriate to ensure that the ongoing payment of breeder and stallion awards is not jeopardized, and after considering the factors and variables described above, the FTBOA Board of Directors may direct the payment of any of the additional types of awards provided for in the annual plan. This review occurs yearly in conjunction with the conclusion of the annual financial audit of the awards fund, typically in May.

APPENDIX A – 2025 FTBOA AWARDS PLAN

FTBOA
2025 Industry Promotion Plan

This document memorializes the ongoing activities of the Florida Thoroughbred Breeders' and Owners' Association ("FTBOA") in promoting the Florida thoroughbred industry.

Mission Statement: It is the mission of the FTBOA to promote the State of Florida's thoroughbred industry, educating the public within the state, across the country, and internationally about the benefits of breeding, buying, selling, owning, training, and racing in Florida. These efforts target individuals already active in the world of thoroughbreds and/or other horse breeds, as well as potential newcomers to the community of horse enthusiasts. The goal is to make Florida the most attractive thoroughbred environment as compared to other locales and their competing incentive and promotional programs, leading to enhanced economic benefits, investment and employment opportunities for the State of Florida and its citizens.

The importance of the industry and these promotional efforts is recognized in Florida law, which created the Florida Breeder Awards Program "to encourage the agricultural activity of breeding and training racehorses in this state." Section 550.26165(1), Florida Statutes. This program is "intended to encourage thoroughbred breeding and training operations to locate in this state," and the FTBOA is given considerable flexibility in its design, because this program "must be responsive to rapidly changing incentive programs in other states." Section 550.26165(5)(a), Florida Statutes.

Beyond the FTBOA's operation of the Breeder Awards Program, the importance of the FTBOA's efforts to promote the state's thoroughbred industry is underscored by the state's dedication of funds to the FTBOA "for general promotion of the industry." Section 550.2625(3), Florida Statutes. Of course, these promotional efforts must be accomplished within existing budget limitations, and they must remain adaptable to a constantly evolving and developing thoroughbred marketplace in this state, nationally, and internationally.

Promotional Plan: The FTBOA's investment in promotional activities on behalf of the Florida thoroughbred industry will continue and expand upon its ongoing initiatives, to include the following:

1) Create and support marketing programs to educate the state, national, and international communities about the benefits of breeding, buying, selling, owning, training, and/or racing in Florida. The FTBOA's website at www.FTBOA.com provides a wealth of information on the Florida industry, notable events, and dates, etc., while the FTBOA's marketing and promotional efforts extend to racetrack condition books, racetrack overnight sheets, race results, official racing programs, thoroughbred sales catalogs, digital marketing, online video platforms, podcasts, cell phone text programs, digital newsletters, and social media. The FTBOA also regularly participates in state, national, and international conferences and, when possible, international trade missions.

2) Negotiate agreements on special Florida-bred purses and Florida-bred incentives with the Florida thoroughbred racetracks, pursuant to Sections 550.26165(1) and 550.2625(3)(c), Florida Statutes. Under these agreements, a portion of breeder awards funds are designated for use as purses and purse supplements in select races ("special racing awards" under the statutes), which are generally made available to Florida-breds competing in races conducted at Florida's thoroughbred racetracks. In addition, for the Florida Sire Stakes ("FSS") program, as discussed below, only FTBOA-registered thoroughbreds sired by an FTBOA-registered stallion standing in Florida are eligible. Among other things, this program incentivizes "black-type" stakes races or incentives restricted to FTBOA-registered runners. The winner and the second and third place finishers in black-type races are printed in bold in sales catalogs, increasing market demand and future breeding values.

Florida-bred or Florida-sired restricted races are a substantial component of FTBOA purses and incentives, examples of which have included: (a) Tampa Bay Downs' annual Florida Cup Day in March/April and (b) Gulfstream Park's annual Florida Sire Stakes series for two-year-olds run in September, October, and December.

By promoting and enhancing the value of these events, the FTBOA increases public awareness of Florida-breds, encourages investment in breeding and racing in the Sunshine State, and contributes to the continued success of our state racetracks.

3) Administer and promote the Florida Sire Stakes ("FSS"), which is a special racing program for foals born in Florida and sired by FTBOA-registered stallions standing in this state. The FTBOA began administering the program with the foal crop of 2012, featuring a robust racing and incentives schedule tailored to FSS-eligible runners, including a series of FSS stakes races with attractive FTBOA-funded purses as well as FTBOA-funded purse supplements in designated races.

Eligibility to compete in one or more FSS stakes races for two-year olds, at 50% of the FTBOA-funded purse, may also be extended to thoroughbreds foaled in other states but sired by an FTBOA-registered Florida stallion. The program encourages breeding Florida-breds, standing Florida-based stallions, training and racing in Florida, and the purchase and sale of FSS-eligible horses.

4) Support national organizations, such as the Thoroughbred Owners and Breeders Association ("TOBA") and American Horse Council. Beyond participating in TOBA activities at the national level, the FTBOA supports TOBA seminars in Florida and The Jockey Club/TOBA's OwnerView National Thoroughbred Owners' Conferences, serving as panelists, acting as a resource for recruiting potential new owners by introducing the Florida industry to participants, and promoting TOBA's educational programs. The FTBOA's participation enhances the Florida thoroughbred climate by highlighting Florida's thoroughbreds to potential owners and enhancing the experience of existing owners through education.

5) Sponsor national events, such as the Eclipse Awards and the National Thoroughbred Owners' Conference. Administered by the National Thoroughbred Racing Association, the Eclipse Awards are the thoroughbred industry's highest honors, presented annually in a televised event to honor the best thoroughbred horses, industry participants, and media members – an evening frequently called the "Oscars of Horse Racing." The FTBOA's annual sponsorship brings key recognition to Florida-breds and Florida's contributions to the sport at a national and international level, with the FTBOA and Florida-breds prominently featured at event sites, in the awards program, and throughout the awards telecast.

6) Host an annual awards event honoring Florida-bred champions, their breeders, owners and trainers. The FTBOA Awards Gala ("Gala") in April annually celebrates divisional Florida equine champions, crowns a Florida-bred horse of the year and honors leading Florida horsemen and women. The Gala is held at a large-scale event center in the Ocala area, attracting roughly 250-400 attendees, including sponsors, award winners, and members of the public. The breeders, owners, and trainers receive awards for their accomplishments, among other awards recognized at the event. The Gala allows the Florida thoroughbred industry to showcase its best and increase public awareness locally, nationally, and internationally.

7) Educate the Florida public on the thoroughbred industry's significant economic contribution to Marion County and to the State of Florida. In 2023, FTBOA funded and promoted broad participation in an independent American Horse Council Foundation equine economic impact study that provides economic impact, job, and land preservation statistics at the county, state and national level. FTBOA promotes the resulting economic impact estimates through web, advertising, publications and continuous presentation or speaking engagements.

8) Support local organizations and events. The FTBOA supports community organizations and events including the Ocala Metro Chamber & Economic Partnership, Marion County Hospitality Council, UF/IFAS Farm City Week, Florida Equine Institute & Allied Trade Show, University of Florida Large Animal Hospital, University of Florida Animal Sciences and Equine Programs, the College of Central Florida Equine Management and Equine Event Programs, Future Farmers of America, 4-H Programs, Florida Public Relations Association-Ocala chapter, Run for the Ribbons Horse Shows, Stirrups 'n Strides Therapeutic Riding Center, the Marion County Therapeutic Riding Association, and the Florida Thoroughbred Transformation Exposition among others.

9) Provide support for Florida thoroughbreds retired from racing that are cared for at Second Chances Farm at the state's Lowell Correctional Institution in Marion County.
The FTBOA assists this thoroughbred retirement program by sharing its mission, which gives inmates an opportunity to earn an equine certification degree while caring for retired thoroughbreds in their lifelong, post-racing home.

10) Provide administrative and fundraising support for a youth education scholarship program. The FTBOA provides administrative and fundraising support for a student scholarship program, which issues scholarships annually to college and university students. The FTBOA coordinates these scholarships with the University of Florida and College of Central Florida.

APPENDIX B – 2025 FTBOA AWARDS PLAN

11) Maintain a Florida thoroughbred history library at the FTBOA's offices available as a research resource. The FTBOA offices house an extensive research library, including more than 65 years of industry periodicals such as *The Florida Horse, The Blood-Horse, The Thoroughbred Record, Thoroughbred Times,* and American Racing Manuals. Sale catalogs are also available from North America's leading sales companies, as well as international sales catalogs. Rare thoroughbred breeding books are also available for review.

12) Maintain a Florida thoroughbred history museum available for tours in order to educate the public on Florida-bred racing history. The FTBOA museum captures more than 75 years of Florida's thoroughbred history, with a collection including Needles' 1956 Kentucky Derby trophy, Codex's 1980 Preakness Stakes trophy and memorabilia from prominent thoroughbred families and farms, such as the Heaths, the Hoopers, the Franks, and Mockingbird and Tartan Farms. The museum is free and open to the public on weekdays during normal business hours. Tours are typically provided to a wide variety of individuals, ranging from school field trips to retirement community groups and to many passersby visiting Ocala.

13) Maintain the Florida Thoroughbred Hall of Fame
Excellence in the industry is celebrated with the Florida Thoroughbred Hall of Fame maintained by the FTBOA which honors the people in the industry that have left an indelible mark on the industry within the state and nationally. Periodically, a selection and induction committee is formed to review candidates to be added to the Hall of Fame.

14) Recognize Florida-breds winning stakes races across the country. Each year the FTBOA honors the breeders of Florida-bred stakes winners in publications and at times with annual awards plaques, as funding permits. Breeding a stakes winner is a monumental achievement worthy of recognition from the FTBOA, spreading further goodwill for the Florida breeding industry.

15) Inform, educate, assist, and serve FTBOA members and prospective members while promoting the virtues of Florida-breds and Florida breeding, buying, selling, owning, training, and racing as part of daily FTBOA activities. The FTBOA has a membership services department dedicated to providing members with many valuable benefits, including a number of member discounts from relevant businesses, numerous member services useful to thoroughbred breeders and owners, educational programs, member events, and collective representation before legislative and regulatory bodies.

16) Facilitate communications with, between, and among the FTBOA membership, industry stakeholders, community, business, and the media. Examples of these communication efforts and outreach are provided in the "Additional Information" section, which starts on page 5.

17) Maintain a consistent and effective legislative presence in the State legislature in Tallahassee. In order to communicate state benefits from the thoroughbred industry and to create a favorable governmental environment in which to advocate for initiatives that would make the Florida industry more competitive nationally and internationally, the FTBOA maintains a consistent presence in the state capitol. The FTBOA also works within the processes to oppose initiatives that would work counter to that goal. FTBOA plays a key role in advocacy for the thoroughbred industry.

MEMORANDUM

To:	The Florida Gaming Control Commission
From:	Division of Pari-Mutuel Wagering
Re:	Dania Entertainment Center, LLC (JLAI274) Amending 25/26 Operating License Amendment A
Case#:	2025-057684
Date:	September 1, 2025

Executive Summary

A permitholder applied to amend its operating license on August 5, 2025, by removing two performances. [1] The Commission should approve this request.

Background

Dania Entertainment Center, LLC d/b/a Dania Jai-Alai and/or The Casino @ Dania Beach ("Dania") possesses a valid jai alai permit. Dania was issued a pari-mutuel operating license for the 2025-2026 fiscal year. The current license includes 92 performances (40 matinee and 52 evening).[2] Now, Dania wants to amend its operating license by deleting two performances on December 2, 2025, resulting in a new total of 90 performances (39 matinee and 51 evening) to its schedule.

Analysis

The Commission shall have the authority to approve changes in performances after a license has been issued. Dania has satisfied all requirements and is requesting an amendment from the current year's license.

Recommendation

The Florida Gaming Control Commission should approve Dania Entertainment Center, LLC d/b/a Dania Jai-Alai and/or The Casino @ Dania Beach's request to amend its 2025-2026 operating license schedule.

---

[1] A jai alai permitholder may elect not to conduct live games and still retain its permit. § 550.01215(1)(b)1., Fla. Stat.

[2] "Performance" means "a series of events, races, or games performed consecutively under a single admission charge." § 550.002(25), Fla. Stat.

[3] See generally §550.01215(3), Fla. Stat.

3. Discussion of Florida Thoroughbred Breeders' and Owners' Association amended 2025 plan

MEMORANDUM

To:	The Florida Gaming Control Commission
From:	Division of Pari-Mutuel Wagering
Re:	FTBOA 2025 Annual Plan for Payment of Thoroughbred Breeder, Stallion, Owners and Special Racing Awards Amendment A
Case #:	2025-062708
Date:	September 1, 2025

Executive Summary

The Florida Thoroughbred Breeders and Owners Association ("FTBOA") requests to amend the FTBOA 2025 Annual Awards Plan for breeders' awards and stallion owner awards (the "2025 Plan") to reduce the rate for breeders' and stallion awards from 20 percent to 15 percent of the announced gross purse for each race.

Background

Section 550.2625(3)(h), Florida Statutes, requires FTBOA to "annually establish a uniform rate and procedure for the payment of breeders' and stallion awards and shall make breeders' and stallion award payments in strict compliance with the established uniform rate and procedure plan."[1] The uniform rate and procedure plan "must be approved by the Commission before implementation." *Id*; *See also* § 550.26165(2), Fla. Stat. ("Each breeders' association shall develop a plan each year that will provide for a uniform rate of payment and procedure for breeders' and stallion awards.")

On October 4, 2024, the Commission approved the 2025 Plan for the 2025-2026 calendar year. The 2025 Plan, as approved by the Commission, provided for a uniform rate of 20 percent of the total purse payment for the payment of breeders' and stallion awards.

On August 22, 2025, FTBOA submitted an amendment to the 2025 Plan, seeking to decrease the uniform rate from 20 percent to 15 percent of the total purse payment based on an "unforeseen change in funding availability." As part of the amendment request, FTBOA submitted documentation of their 2024 year-end actual awards account balance and projected 2025 year-end awards account balance with the previously approved 20 percent uniform rate and the requested 15 percent uniform rate. The new projections take into account the June 30, 2025, amendment to section 571.265, Florida Statutes[2].

[1] Thoroughbred permitholders conducting or broadcasting thoroughbred races are required to remit to FTBOA certain specified percentages of pari-mutuel pools or gross revenue, as applicable, for payment of breeders', stallion, or special racing awards, and FTBOA is "authorized to receive these payments from the permitholders and make payments of awards earned." § 550.2625(3), Fla. Stat.

[2] Prior to June 29, 2025, FTBOA received a distribution of additional monies from the Florida Department of Agriculture and Consumer Services to be used for breeders' and owners' awards and other racing incentives. *See* § 571.265(3), Fla. Stat. (2024). Effective June 30, 2025, FTBOA is no longer entitled to this distribution.

Analysis

Section 550.26165(3), Florida Statutes, authorizes the Commission to approve an amendment to a plan for payment of breeders' and stallion awards during the year the plan is in effect only for "the most compelling reasons."

Section 550.26165(1) provides that breeders' awards and stallion awards must be given at a "uniform rate to all winners of the awards" and "shall not be less than 15 percent of the announced gross purse if funds are available."

Further, "to ensure there are adequate revenues to meet the proposed uniform rate," the annual plan may impose certain specified restrictions, such as setting a cap on winnings or limiting, excluding, or deferring payments on certain classes of races. § 550.26165(2), Fla. Stat. "Priority shall be placed on imposing such restrictions in lieu of allowing the uniform rate for breeders' and stallion awards to be less than 15 percent of the total purse payment." *Id*. Finally, the plan "must provide for the maximum possible payments within revenues." *Id*.

Recommendation

FTBOA's proposed amendment to the 2025 Plan complies with the statutory requirement by providing for a uniform rate of 15 percent of the total purse payment. The Commission may approve FTBOA's request to amend its 2025 Plan if the Commissioners find that the 2025 Plan is being amended for the most compelling reasons.

RE: REQUEST TO AMEND FTBOA 2025 AWARDS PLAN

Dear Director Dillmore:

The Florida Thoroughbred Breeders' and Owners' Association (FTBOA) respectfully requests Commission approval to reduce the 2025 Awards Plan rates from 20% to 15% of announced gross purse, effective September 1, 2025. We ask that this amendment be considered at the Commission's September 11, 2025 meeting.

BACKGROUND

The Commission approved our 2025 Awards Plan in September 2024, which established a 20% award rate for both Breeder Awards and Stallion Awards. This plan was premised on dual funding sources: the dedicated awards account under Florida Statute 550.26165, voluntarily supplemented by appropriations under Florida Statute 571.265 to fund half of all awards.

However, during the 2025 legislative session, the state legislature redirected the entire 571.265 appropriation away from FTBOA to Gulfstream Park and Tampa Bay Downs for implementation as Florida-bred racing incentives. This unforeseen redirect compels FTBOA to fund the full awards program solely from the 550.26165 dedicated stream, as is consistent with historical practices.

As a result of receiving these redirected 571.265 funds, Tampa Bay Downs has already announced an additional $1 million in purse money for Florida-breds beginning November 19, 2025 [see attached], and we hope Gulfstream Park will soon announce plans for their $4 million Florida-breds investment.

FINANCIAL NECESSITY

Florida Statute 550.26165 requires that our Awards Plan "assure adequate revenues to meet the proposed uniform rate." We project the current 20% rate will rapidly deplete our statute 550.26165 reserves, as follows:

Projected Year-End Account Balances

	Amended to 15% at Sept. 1, 2025	Un-Amended
Dec. 31, 2024 (actual)	$1,764,704	$1,764,704
Dec. 31, 2025 (proj.)	$1,995,922	$1,682,481
Dec. 31, 2026 (proj. @15%)	$430,159	$86,968

PROPOSED AMENDMENT

MEMORANDUM

To:	The Florida Gaming Control Commission
From:	Division of Pari-Mutuel Wagering
Re:	FTBOA 2025 Annual Plan for Payment of Thoroughbred Breeder, Stallion, Owners and Special Racing Awards
Case #	2024-054850
Date:	September 20, 2024

Executive Summary

The Florida Thoroughbred Breeders' and Owners' Association (FTBOA)[1] is required annually to establish a uniform rate and procedures for the payment of breeders' and stallion awards and make such payments in compliance with the established uniform rate. The plan may also include the payment of awards to owners of a registered Florida-bred horse that place 1st, 2nd, or 3rd in thoroughbred races conducted in Florida. [2] The uniform rate and procedure plan must be approved by the Commission prior to implementation. [3]

Background

Breeders' and stallions' awards, as well as owners' awards of registered Florida-bred horses placing in Florida thoroughbred races, encourage thoroughbred breeding and training operations to locate in Florida and attract the entry of well-bred horses to live racing meets in Florida. FTBOA develops a plan for each calendar year that establishes the uniform rate of payment and the procedure to pay breeders' and stallion awards. [4] The annual plan is required to be submitted at least 60 days before the payment year.[5]

Analysis

The FTBOA 2025 calendar year annual plan for thoroughbred breeders, stallions, and special racing awards, including owner's awards of registered Florida-bred horses placing in Florida thoroughbred, has been reviewed and meets the requirements of Sections 550.26165 and 550.2625, Florida Statutes. It should be noted that the plan for awards is at the same 20% rate as the 2024 plan that was approved by the Commission last year.

ANNUAL PLAN BREEDERS AND STALLIONS, AWARDS REVIEW

Summary of Statutory Requirements:

Summary of Statutory Requirements:
Florida Statute 550.26165 – Breeders' Awards
This statute encourages the breeding and training of racehorses in Florida by providing breeders' and stallion awards. Awards are given to breeders of Florida-bred horses winning races and owners of stallions that sire horses winning stakes races, provided the stallions are registered and standing in Florida. The awards must be between 15% and 20% of the announced gross purse, if funds are available. Additionally, 17% to 40% of the dedicated funds are returned to permitholders for special racing awards, to be distributed under a written agreement between the Florida Thoroughbred Breeders' Association (FTBOA), the Florida Horsemen's Benevolent and Protective Association, and the permitholder. Each breeders' association must submit an annual plan for uniform rate payments and procedures, with the plan subject to approval by the commission.

Florida Statute 550.2625 – Horseracing Minimum Purse Requirement; Florida Breeders' and Owners' Awards
This statute mandates minimum purse payments for horse races conducted in Florida, with specific percentages of the pari-mutuel pools required to be paid out as purses. For example, thoroughbred permitholders must pay at least 7.75% of total contributions to pari-mutuel pools as purses, with additional percentages based on race periods. The statute also establishes breeders', stallion, and special racing awards, with 0.955% of the total pari-mutuel handle allocated for breeders' awards. These awards are distributed by the Florida Thoroughbred Breeders' Association, which may retain up to 10% of the funds for administration and promotion of the industry.

RE: FTBOA PLAN FOR PAYMENT OF THOROUGHBRED BREEDER, STALLION, AND SPECIAL RACING AWARDS (JANUARY 1, 2025 - DECEMBER 31, 2025)

Dear Director Trombetta:

In accordance with section 550.26165, Florida Statutes, the Florida Thoroughbred Breeders' Association, Inc., d/b/a the Florida Thoroughbred Breeders' and Owners' Association ("FTBOA"), hereby submits for Commission approval the FTBOA's plan for the payment of all monies dedicated to Breeder Awards, Stallion Awards, and Special Racing Awards under chapter 550 for the calendar year ending December 31, 2025, pending the availability of funds. In addition to those monies, this plan is premised upon the FTBOA's use of funds from the Florida Department of Agriculture and Consumer Services pursuant to section 571.265(3)(a), from which half of all Breeder and Stallion Awards under this plan will be funded.

This plan was prepared in accordance with FTBOA's 2025 Breeder Awards Policy, a copy of which is attached as Appendix A and incorporated herein by reference.

If approved, this 2025 Awards Plan will continue to offer Awards at the same rate currently authorized by the Commission for 2024: 20% of the announced gross purse for both Breeder and Stallion Awards, with Breeder Awards distributed across first, second and third-place finishers.

Notably, the Awards rate approved by the Commission for 2023 was only 15% of the announced gross purse. However, the infusion of new state funding pursuant to section 571.265(3)(a) not only allowed the Awards rate to increase to 20% in 2024, but it also substantially increased Awards payouts to Florida's hard-working thoroughbred breeders and stallion owners, moving from $5.2 million in 2023 to a projected payout of $8.1 million in 2024 – an increase of 56%!

Based on its experience in prior years and projections for 2024 and 2025, the FTBOA believes that the 2025 Awards Plan will provide for the maximum possible awards payments within available revenues, maintain reserves that should be sufficient to deal with most contingencies, and best position Florida to compete with thoroughbred breeding incentive programs in other states.

The figures below represent the balance in the Ch. 550 awards account on the indicated year-end dates, reported on a cash basis, with the 2025 number anticipating the FTBOA's use of section 571.265(3)(a) funds to pay approximately half of all Breeder and Stallion Awards provided for under the 2025 Awards Plan:

December 31, 2022	December 31, 2023	December 31, 2024 (Projected)	December 31, 2025 (Projected)
$2,085,912	$1,258,535	$1,628,535	$2,341,269

The 2022 and 2023 numbers correspond to the Cash and Cash Equivalents in the awards account, as reflected in the most recent annual audit conducted by the independent accounting firm of Purvis, Gray & Company.[1] Notably, those reported Cash and Cash Equivalents remained subject at the time to contingent liabilities connected with the funding of purses and purse supplements for Florida-bred stakes races that had not been run at Florida tracks by December 31 of the subject year, pursuant to the annual tri-party stakes program agreements entered among the FTBOA, the tracks, and their respective horsemen's groups under section 550.26165(1). As of the end of 2023, these contingent liabilities amounted to $1,960,000.[2] Historically, however, the awards account has never had to absorb the full amount of these contingent liabilities, because Florida-bred horses do not always perform well enough in each race to earn every Florida-bred purse or purse supplement available under the program.

The projections in the above table for 2024 and 2025 do not reflect the full amount of the contingent liabilities arising from the tri-party agreements governing stakes and other special racing awards for those years. These projections do, however, reflect the expected liabilities for 2024 and 2025 based upon the recent performance of Florida-breds in races subject to the special racing awards program. Tri-party agreements governing special racing awards for 2024 and 2025 are currently in place.

The projected awards account year-end cash balances for 2024 ($1,628,535) and 2025 ($2,341,269) are similar to or substantially less than the year-end cash balances in 2015 ($3,932,482), 2016 ($3,307,516), 2017 ($3,190,092), 2018 ($1,511,351), and 2020 ($2,365.340). Fortunately, the year-end cash balances for 2024 ($1,628,535) and 2025 ($2,341,269) are substantially greater than the year-end cash balance in 2019 ($205,552), when the awards account ran dangerously low due to unexpected developments in the Florida Thoroughbred industry that departed from historical norms. Having audited the awards account for a number of years now, our auditing firm agrees that maintaining reserves of approximately $2,000,000 would be prudent

[1] See attached Auditor's Report, pg. 6.

[2] See attached Auditor's Report, pg. 11 (Note 7).

from a financial management perspective. As such, the FTBOA believes that the projected awards account year-end cash balances for 2024 and 2025 will allow us maintain reserves sufficient to deal with most contingencies while paying out as much in awards funds as possible to the Florida thoroughbred breeding community.

In terms of tracking cash flows into and out of the Ch. 550 awards account during the above Plan years, the figures are as follows, with the 2024 and 2025 numbers anticipating the FTBOA's use of section 571.265(3)(a) funds to pay approximately half of all Breeder and Stallion Awards provided for under the 2024 and 2025 Awards Plans:[3]

	Dec. 31, 2022	Dec. 31, 2023	Dec. 31, 2024 (Projected)[4]	Dec. 31, 2025 (Projected)
Total Revenue (i.e., Track Receipts)	$7,245,492	$7,042,658	$6,878,652	$6,878,652
Total Expenses (Awards, Stakes Program, and 10% Admin./Promo. Fee)	$7,746,601	$7,870,035	$6,508,652	$6,165,918

Of course, all of our projections are highly sensitive to changes in Florida's economy, its tourism outlook, and its gaming marketplace, which may come from myriad sources, including legislative, regulatory, and legal developments. If our projections must be revised due to such a change, whether positive or negative, the possibility exists that the FTBOA may seek approval of an amendment to the 2025 Awards Plan, as provided for in s. 550.26165(3).

With respect to the FTBOA's fee for administration of the awards program and promotion of the Florida thoroughbred industry, as referenced in ss. 550.2625(3), the 2025 Awards Plan is premised upon continuing this fee at 10% of awards funds received from the tracks, maintaining the stable funding source that the FTBOA has relied on for many years to accomplish its statutory mission. Almost all of the FTBOA's activities are dedicated to these two purposes, and this fee is projected to comprise approximately 28.74% of the FTBOA's operating revenues for 2024 and 2025.

While the 2025 Awards Plan relates only to monies dedicated to Breeders Awards, Stallion Awards, and Stakes Awards under chapter 550, we note that, for administrative convenience, the awards account figures cited above for 2025 and prior years include the receipt of cardroom revenues from all tracks.

---

[3] For 2022 and 2023 figures, see attached Auditor's Report, pg. 6. With respect to section 571.265, it is also worth noting that, because Breeder and Stallion Awards are tied to a percentage of the purse in a given race, this new statute will inevitably drive higher Awards payouts due to the funds dedicated in that statute to increasing purses at Gulfstream Park (up to $17 million) and Tampa Bay Downs (up to $5.5 million).

[4] The projections herein for 2024 and 2025 do not reflect the full contingent liabilities arising from the tri-party stakes program agreements entered into pursuant to section 550.26165(1). The projections do, however, reflect the expected stakes program liabilities for 2024 and 2025 based upon the recent performance of Florida-breds in stakes races under the program.

In terms of process, we note for your reference that the proposed 2025 Awards Plan was included on the agenda for the FTBOA Board of Directors meeting on August 23, 2024. The public was invited to attend this portion of the meeting and provide comments. The Plan was then approved by the FTBOA Board of Directors at that meeting.[5]

As you conduct your review, please feel free to contact us if any questions arise.

Thank you for your assistance.

FLORIDA THOROUGHBRED BREEDERS' AND OWNERS' ASSOCIATION

PLAN FOR PAYMENT OF BREEDER, STALLION, AND SPECIAL RACING AWARDS
(JANUARY 1, 2025 - DECEMBER 31, 2025)

In accordance with section 550.26165, Florida Statutes, the Florida Thoroughbred Breeders' Association, Inc., d/b/a the Florida Thoroughbred Breeders' and Owners' Association ("FTBOA"), hereby submits its plan for the payment of all monies dedicated to Breeder Awards, Stallion Awards, and Special Racing Awards under chapter 550 (the "Awards Account") for the calendar year ending December 31, 2025, pending the availability of funds. In addition to those monies, this plan is premised upon the FTBOA's use of funds from the Florida Department of Agriculture and Consumer Services pursuant to s. 571.265(3)(a), from which half of all Breeder and Stallion Awards under this plan will be funded. This plan was prepared in accordance with the FTBOA's 2025 Breeder Awards Policy, a copy of which is attached as Appendix A and incorporated herein by reference.

(1) **Breeder Awards**

The FTBOA will pay Breeder Awards to the breeders of Florida-breds appropriately registered with the FTBOA that finish in first, second or third place in a licensed race at a Florida thoroughbred track during the 2025 calendar year as follows:

1st Place – Twelve and one-half percent (12.5%) of the announced gross purse, with each such Breeder Award limited to no more than $12,500.

2nd Place – Five percent (5%) of the announced gross purse, with each such Breeder Award limited to no more than $5,000.

3rd Place – Two and one-half percent (2.5%) of the announced gross purse, with each such Breeder Award limited to no more than $2,500.

As used herein, "announced gross purse" means the gross purse available in the race, as stated in the official race conditions (whether actually earned or not), minus any Florida Owners' Awards included therein (pursuant to section 550.2625(6)(d), Florida Statutes).

These awards will be paid monthly.

(2) **Stallion Awards**

The FTBOA will pay Stallion Awards to the owners of thoroughbred stallions appropriately registered with the FTBOA and siring FTBOA-registered Florida-breds that finish first in a listed black-type stakes race at a Florida thoroughbred track during the 2025 calendar year. The stallion must be registered with the FTBOA in the year of conception of the winning horse and each year thereafter, including 2025.

Stallion Awards will be paid at a uniform rate of twenty percent (20%) of the announced gross purse, with each such Stallion Award limited to no more than $20,000. As used herein, "announced gross purse" shall have the same meaning as previously set forth for Breeder Awards.

These awards will be paid quarterly.

(3) **Special Racing Awards**

(a) Racing Meets under Gulfstream Park Management – Pursuant to section 550.26165(1), Florida Statutes, the FTBOA will return at least seventeen percent (17%) of the monies dedicated by statute for breeder and stallion awards, as generated from all thoroughbred racing meets managed by Gulfstream Park Racing Association Inc., under any Florida permit or at any Florida track, for Special Racing Awards to be distributed as purses, purse supplements and/or other racing incentives, pending adoption of an agreement establishing the rate, procedure, and eligibility requirements for such Awards entered into by the FTBOA, the Florida Thoroughbred Horsemen's Association, and the relevant permitholder(s). While the agreement may establish additional requirements, eligibility will be limited to Florida-breds registered with the FTBOA except as specified below. In addition, for the Florida Sire Stakes ("FSS") program, only thoroughbreds sired by an FTBOA-registered stallion standing in Florida are eligible. Eligibility to compete in one or more FSS stakes races for two-year-olds, at 50% of the FTBOA-funded purse, may also be extended to thoroughbreds foaled in other states but sired by an FTBOA-registered Florida stallion. Absent the above-referenced agreement, funds that would have otherwise been devoted to Special Racing Awards will be distributed as set forth in Paragraph (4).

(b) All Other Racing Meets – Pursuant to section 550.26165(1), Florida Statutes, the FTBOA will return at least seventeen percent (17%) of the monies dedicated by statute for breeder and stallion awards pro-rata to the permitholder generating the monies for Special Racing Awards to be distributed as purses, purse supplements and/or other racing incentives, pending adoption of an agreement establishing the rate, procedure, and eligibility requirements for such Awards entered into by the FTBOA, the relevant local horsemen's association, and the individual permitholder. While the agreement may establish additional requirements, eligibility will be limited to Florida-breds registered with the FTBOA except as specified below. In addition, for the Florida Sire Stakes ("FSS") program, only thoroughbreds sired by an FTBOA-registered stallion standing in Florida are eligible. Eligibility to compete in one or more FSS stakes races for two-year-olds, at 50% of the FTBOA-funded purse, may also be extended to thoroughbreds foaled in other states but sired by an FTBOA-registered Florida stallion. Absent the above-referenced agreement, funds that would have otherwise been devoted to Special Racing Awards will be distributed as set forth in Paragraph (4).

(4) **Awards Account Surplus**

After payment of awards pursuant to Paragraphs (1), (2) and (3) (as applicable) and after providing for a reserve deemed appropriate by the FTBOA to meet future cash flow requirements for Breeder, Stallion, and Special Racing Awards, the FTBOA, through its Board of Directors, shall select from the options specified below (or any combination thereof) to dispose of excess funds, after reconciliation and resolution of any outstanding payments and receipts:

(a) If excess funds are greater than currently anticipated, e.g., because a 2025 agreement under Paragraph (3) is not reached with the permitholder and its local horsemen's association or because this agreement results in fewer awards dollars than expected going to purses, purse supplements and/or other racing incentives, some or all of the excess funds may be paid as bonus Breeder Awards and/or Stallion Awards to recipients of those awards earned during the 2025 calendar year. Any bonus awards under this subparagraph will be paid in the same proportion as previously earned awards during the 2025 calendar year. These bonus awards may cause individual awards to exceed the levels stated in Paragraphs (1) and/or (2).

(b) Some or all of the excess funds may be held in reserve to enhance Breeder Awards, Stallion Awards and/or Special Racing Awards to be made available during the 2026 calendar year.

Ten percent (10%) of the gross receipts into the Awards Account for the 2025 calendar year will be withheld by the FTBOA in accordance with section 550.2625(3), Florida Statutes, for administering the payment of awards and for general promotion of the industry. The FTBOA's proposals for general promotion of the industry are set forth in its 2024 Industry Promotion Plan, a copy of which is attached as Appendix B and incorporated herein by reference.

As stated in the FTBOA's 2025 Breeder Awards Policy (Appendix A), the FTBOA has typically adopted a conservative approach in setting the initial awards rate in the annual plan, with the prospect of later paying bonus breeder and/or stallion awards as actual performance during the plan year becomes clear.

Pursuant to section 550.26165(3), Florida Statutes, the FTBOA may, in the future, ask the Division to approve changes to this plan based upon material changes in the thoroughbred breeding and racing industries or other circumstances underlying the plan, which may include new Florida legislation, court decisions, natural disasters or other emergency conditions, etc.

FTBOA
Breeder & Stallion Awards Policy

This document memorializes the ongoing practices of the Florida Thoroughbred Breeders' and Owners' Association ("FTBOA") in administering the Florida breeder and stallion awards program and establishing the annual plan for the program, pursuant to chapter 550, Florida Statutes.

Policy Statement: It is the Policy of the FTBOA to distribute to the breeders of registered Florida-bred thoroughbreds successfully competing in Florida races and, secondarily, to distribute to the owners of registered Florida sires of such horses successfully competing in Florida stakes races, the maximum possible breeder and stallion awards, within the confines of available revenues and consistent with sound financial business practices and the requirements of chapter 550, Florida Statutes.

When preparing the annual plan and initial awards rate for the next calendar year, which typically occurs in August and September, numerous variables must be evaluated, including current and projected breeding and racing activity in Florida, as well as the breeding incentive programs offered in other states. Setting the initial awards rate, which may extend to Florida-breds that win, place, or show in licensed races, is always a balancing act among competing factors, including:

(a) the uncertainty of how many Florida-breds will actually win, place, or show in Florida races conducted in the coming year;

(b) how tracks will write the conditions, including base purses and added purses, for those races;

(c) existing and projected awards obligations for the remainder of the current year;

(d) the level of reserves that will be carried over into the coming year;

(e) how much awards revenue will actually be generated and paid by the tracks during the plan year;

(f) how much will be returned to the tracks generating those revenues as "special racing awards" in the form of purses, purse supplements and/or other racing incentives, pursuant to FTBOA agreements with those tracks and the respective local horsemen's associations;

(g) the desire to avoid over-committing available revenues, which would require the issuance of "IOUs" to breeders and/or stallion owners – a regrettable situation that has occurred in other states; and

(h) recent and possible future developments affecting the marketplace and the legislative, regulatory, racing dates, and legal/political/economic landscapes.

In light of the many variables involved, the FTBOA has typically adopted a conservative approach in setting the initial awards rate in the annual plan, with the prospect of later

paying bonus breeder and/or stallion awards as actual performance during the plan year becomes clear, as discussed below.

Additional Breeder and/or Stallion Awards: In order to distribute the maximum possible breeder and/or stallion awards within available revenues and to ensure that the awards fund balance does not grow excessively, the annual plan may authorize the payment of bonus breeder and/or stallion awards and/or may authorize the payment of breeder and/or stallion awards on certain classes of races conducted in other states, pursuant to section 550.26165(5)(c), Florida Statutes, if agreed to by the FTBOA, Florida Thoroughbred Horsemen's Association, and all Florida thoroughbred permitholders. If an awards account surplus exists after providing for cash reserves appropriate to ensure that the ongoing payment of breeder and stallion awards is not jeopardized, and after considering the factors and variables described above, the FTBOA Board of Directors may direct the payment of any of the additional types of awards provided for in the annual plan. This review occurs yearly in conjunction with the conclusion of the annual financial audit of the awards fund, typically in May.

FTBOA
2025 Industry Promotion Plan

This document memorializes the ongoing activities of the Florida Thoroughbred Breeders' and Owners' Association ("FTBOA") in promoting the Florida thoroughbred industry.

Mission Statement: It is the mission of the FTBOA to promote the State of Florida's thoroughbred industry, educating the public within the state, across the country, and internationally about the benefits of breeding, buying, selling, owning, training, and racing in Florida. These efforts target individuals already active in the world of thoroughbreds and/or other horse breeds, as well as potential newcomers to the community of horse enthusiasts. The goal is to make Florida the most attractive thoroughbred environment as compared to other locales and their competing incentive and promotional programs, leading to enhanced economic benefits, investment and employment opportunities for the State of Florida and its citizens.

The importance of the industry and these promotional efforts is recognized in Florida law, which created the Florida Breeder Awards Program "to encourage the agricultural activity of breeding and training racehorses in this state." Section 550.26165(1), Florida Statutes. This program is "intended to encourage thoroughbred breeding and training operations to locate in this state," and the FTBOA is given considerable flexibility in its design, because this program "must be responsive to rapidly changing incentive programs in other states." Section 550.26165(5)(a), Florida Statutes.

Beyond the FTBOA's operation of the Breeder Awards Program, the importance of the FTBOA's efforts to promote the state's thoroughbred industry is underscored by the state's dedication of funds to the FTBOA "for general promotion of the industry." Section 550.2625(3), Florida Statutes. Of course, these promotional efforts must be accomplished within existing budget limitations, and they must remain adaptable to a constantly evolving and developing thoroughbred marketplace in this state, nationally, and internationally.

Promotional Plan: The FTBOA's investment in promotional activities on behalf of the Florida thoroughbred industry will continue and expand upon its ongoing initiatives, to include the following:

1) Create and support marketing programs to educate the state, national, and international communities about the benefits of breeding, buying, selling, owning, training, and/or racing in Florida. The FTBOA's website at www.FTBOA.com provides a wealth of information on the Florida industry, notable events, and dates, etc., while the FTBOA's marketing and promotional efforts extend to racetrack condition books, racetrack overnight sheets, race results, official racing programs, thoroughbred sales catalogs, digital marketing, online video platforms, podcasts, cell phone text programs, digital newsletters, and social media. The FTBOA also regularly participates in state, national, and international conferences and, when possible, international trade missions.

2) Negotiate agreements on special Florida-bred purses and Florida-bred incentives with the Florida thoroughbred racetracks, pursuant to Sections 550.26165(1) and 550.2625(3)(c), Florida Statutes. Under these agreements, a portion of breeder awards funds are designated for use as purses and purse supplements in select races ("special racing awards" under the statutes), which are generally made available to Florida-breds competing in races conducted at Florida's thoroughbred racetracks. In addition, for the Florida Sire Stakes ("FSS") program, as discussed below, only FTBOA-registered thoroughbreds sired by an FTBOA-registered stallion standing in Florida are eligible. Among other things, this program incentivizes "black-type" stakes races or incentives restricted to FTBOA-registered runners. The winner and the second and third place finishers in black-type races are printed in bold in sales catalogs, increasing market demand and future breeding values.

Florida-bred or Florida-sired restricted races are a substantial component of FTBOA purses and incentives, examples of which have included: (a) Tampa Bay Downs' annual Florida Cup Day in March/April and (b) Gulfstream Park's annual Florida Sire Stakes series for two-year-olds run in September, October, and December.

By promoting and enhancing the value of these events, the FTBOA increases public awareness of Florida-breds, encourages investment in breeding and racing in the Sunshine State, and contributes to the continued success of our state racetracks.

3) Administer and promote the Florida Sire Stakes ("FSS"), which is a special racing program for foals born in Florida and sired by FTBOA-registered stallions standing in this state. The FTBOA began administering the program with the foal crop of 2012, featuring a robust racing and incentives schedule tailored to FSS-eligible runners, including a series of FSS stakes races with attractive FTBOA-funded purses as well as FTBOA-funded purse supplements in designated races.

Eligibility to compete in one or more FSS stakes races for two-year olds, at 50% of the FTBOA-funded purse, may also be extended to thoroughbreds foaled in other states but sired by an FTBOA-registered Florida stallion. The program encourages breeding Florida-breds, standing Florida-based stallions, training and racing in Florida, and the purchase and sale of FSS-eligible horses.

4) Support national organizations, such as the Thoroughbred Owners and Breeders Association ("TOBA") and American Horse Council. Beyond participating in TOBA activities at the national level, the FTBOA supports TOBA seminars in Florida and The Jockey Club/TOBA's OwnerView National Thoroughbred Owners' Conferences, serving as panelists, acting as a resource for recruiting potential new owners by introducing the Florida industry to participants, and promoting TOBA's educational programs. The FTBOA's participation enhances the Florida thoroughbred climate by highlighting Florida's thoroughbreds to potential owners and enhancing the experience of existing owners through education.

APPENDIX B – 2025 FTBOA AWARDS PLAN

5) Sponsor national events, such as the Eclipse Awards and the National Thoroughbred Owners' Conference. Administered by the National Thoroughbred Racing Association, the Eclipse Awards are the thoroughbred industry's highest honors, presented annually in a televised event to honor the best thoroughbred horses, industry participants, and media members – an evening frequently called the "Oscars of Horse Racing." The FTBOA's annual sponsorship brings key recognition to Florida-breds and Florida's contributions to the sport at a national and international level, with the FTBOA and Florida-breds prominently featured at event sites, in the awards program, and throughout the awards telecast.

6) Host an annual awards event honoring Florida-bred champions, their breeders, owners and trainers. The FTBOA Awards Gala ("Gala") in April annually celebrates divisional Florida equine champions, crowns a Florida-bred horse of the year and honors leading Florida horsemen and women. The Gala is held at a large-scale event center in the Ocala area, attracting roughly 250-400 attendees, including sponsors, award winners, and members of the public. The breeders, owners, and trainers receive awards for their accomplishments, among other awards recognized at the event. The Gala allows the Florida thoroughbred industry to showcase its best and increase public awareness locally, nationally, and internationally.

7) Educate the Florida public on the thoroughbred industry's significant economic contribution to Marion County and to the State of Florida. In 2023, FTBOA funded and promoted broad participation in an independent American Horse Council Foundation equine economic impact study that provides economic impact, job, and land preservation statistics at the county, state and national level. FTBOA promotes the resulting economic impact estimates through web, advertising, publications and continuous presentation or speaking engagements.

8) Support local organizations and events. The FTBOA supports community organizations and events including the Ocala Metro Chamber & Economic Partnership, Marion County Hospitality Council, UF/IFAS Farm City Week, Florida Equine Institute & Allied Trade Show, University of Florida Large Animal Hospital, University of Florida Animal Sciences and Equine Programs, the College of Central Florida Equine Management and Equine Event Programs, Future Farmers of America, 4-H Programs, Florida Public Relations Association-Ocala chapter, Run for the Ribbons Horse Shows, Stirrups 'n Strides Therapeutic Riding Center, the Marion County Therapeutic Riding Association, and the Florida Thoroughbred Transformation Exposition among others.

9) Provide support for Florida thoroughbreds retired from racing that are cared for at Second Chances Farm at the state's Lowell Correctional Institution in Marion County.
The FTBOA assists this thoroughbred retirement program by sharing its mission, which gives inmates an opportunity to earn an equine certification degree while caring for retired thoroughbreds in their lifelong, post-racing home.

10) Provide administrative and fundraising support for a youth education scholarship program. The FTBOA provides administrative and fundraising support for a student scholarship program, which issues scholarships annually to college and university students. The FTBOA coordinates these scholarships with the University of Florida and College of Central Florida.

APPENDIX B – 2025 FTBOA AWARDS PLAN

11) Maintain a Florida thoroughbred history library at the FTBOA's offices available as a research resource. The FTBOA offices house an extensive research library, including more than 65 years of industry periodicals such as *The Florida Horse, The Blood-Horse, The Thoroughbred Record, Thoroughbred Times,* and American Racing Manuals. Sale catalogs are also available from North America's leading sales companies, as well as international sales catalogs. Rare thoroughbred breeding books are also available for review.

12) Maintain a Florida thoroughbred history museum available for tours in order to educate the public on Florida-bred racing history. The FTBOA museum captures more than 75 years of Florida's thoroughbred history, with a collection including Needles' 1956 Kentucky Derby trophy, Codex's 1980 Preakness Stakes trophy and memorabilia from prominent thoroughbred families and farms, such as the Heaths, the Hoopers, the Franks, and Mockingbird and Tartan Farms. The museum is free and open to the public on weekdays during normal business hours. Tours are typically provided to a wide variety of individuals, ranging from school field trips to retirement community groups and to many passersby visiting Ocala.

13) Maintain the Florida Thoroughbred Hall of Fame
Excellence in the industry is celebrated with the Florida Thoroughbred Hall of Fame maintained by the FTBOA which honors the people in the industry that have left an indelible mark on the industry within the state and nationally. Periodically, a selection and induction committee is formed to review candidates to be added to the Hall of Fame.

14) Recognize Florida-breds winning stakes races across the country. Each year the FTBOA honors the breeders of Florida-bred stakes winners in publications and at times with annual awards plaques, as funding permits. Breeding a stakes winner is a monumental achievement worthy of recognition from the FTBOA, spreading further goodwill for the Florida breeding industry.

15) Inform, educate, assist, and serve FTBOA members and prospective members while promoting the virtues of Florida-breds and Florida breeding, buying, selling, owning, training, and racing as part of daily FTBOA activities. The FTBOA has a membership services department dedicated to providing members with many valuable benefits, including a number of member discounts from relevant businesses, numerous member services useful to thoroughbred breeders and owners, educational programs, member events, and collective representation before legislative and regulatory bodies.

16) Facilitate communications with, between, and among the FTBOA membership, industry stakeholders, community, business, and the media. Examples of these communication efforts and outreach are provided in the "Additional Information" section, which starts on page 5.

17) Maintain a consistent and effective legislative presence in the State legislature in Tallahassee. In order to communicate state benefits from the thoroughbred industry and to create a favorable governmental environment in which to advocate for initiatives that would make the Florida industry more competitive nationally and internationally, the FTBOA maintains a consistent presence in the state capitol. The FTBOA also works within the processes to oppose initiatives that would work counter to that goal. FTBOA plays a key role in advocacy for the thoroughbred industry.

INDEPENDENT AUDITOR'S REPORT

Board of Directors
Florida Thoroughbred Breeders' Association, Inc.
d/b/a Florida Thoroughbred Breeders' and Owners' Association
Ocala, Florida

Opinion
We have audited the accompanying financial statements of the Florida Thoroughbred Breeder and Stallion Awards Program (the Program), a separate restricted fund established by the Florida Thoroughbred Breeders' Association, Inc. d/b/a Florida Thoroughbred Breeders' and Owners' Association (the Association) pursuant to Sections 550.26165 and 550.2625(3), Florida Statutes, which comprise the statements of financial position as of December 31, 2023 and 2022, the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Program as of December 31, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Program and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Program's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

INDEPENDENT AUDITOR'S REPORT

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Program's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Program's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

FLORIDA THOROUGHBRED BREEDER AND STALLION AWARDS PROGRAM
NOTES TO FINANCIAL STATEMENTS

Note 1 - Summary of Significant Accounting Policies

Organization and Administration

In accordance with Chapter 550, Florida Statutes, the Florida Thoroughbred Breeder and Stallion Awards Program (the Program) is administered by the Florida Thoroughbred Breeders' Association, Inc. d/b/a Florida Thoroughbred Breeders' and Owners' Association (the Association), pursuant to an annual awards plan approved by the Florida Gaming Control Commission (Adopted Plan). Pursuant to Florida Statutes, the purpose of the Program is to encourage the agricultural activity of breeding and training thoroughbred racehorses in Florida, with Program revenues primarily funding: (a) awards to breeders of Florida-bred horses that are successful in Florida thoroughbred races; (b) awards to the owners of stallions siring winning Florida-bred horses in Florida stakes races; and (c) special racing awards, which take the form of purses and/or purse supplements earned by the owners of horses competing in races that are part of the Florida-bred stakes program.

Under Chapter 550, Florida Statutes, all the thoroughbred racetracks within the State of Florida send directly to the Association 0.955% of the total handle on live wagering, inter-track wagering, and simulcast wagering for use as breeder, stallion, and special racing awards. The Association also receives, for this purpose, 3.475% of the gross revenue derived from a Florida thoroughbred racetracks' sale of its racing signal to out-of-state markets.

Under Section 849.086, Florida Statutes, some thoroughbred racetracks also generate revenues from their operation of cardrooms. By statute, the Association receives, for use as awards, 3% of the net proceeds derived from their cardroom operations.

The Florida-bred stakes program is administered in accordance with the annual Adopted Plan and Florida Statutes, subject to agreements with each participating thoroughbred racetrack. Pursuant to Section 550.26165(1), Florida Statutes, the Association uses at least 17% of the awards revenue generated under Chapter 550, Florida Statutes, as special racing awards in the Florida-bred stakes program, pending a written agreement establishing the rate, procedure, and eligibility requirements entered into by the Association, the track, and the local horsemen's association.

The breeder awards are based on a set percentage of the gross purse. The "announced gross purse" means the gross purse available in the race for the applicable place of finish, as stated in the condition book, minus any Florida Owners' Awards included therein (pursuant to Section 550.2625(6)(d), Florida Statutes).

The following table is comprised from information in the 2023 and 2022 Adopted Plans and Florida Statutes:

	Breeder Awards 2023
	Races ran from January 1, 2023 - December 31, 2023
Overall	15% of gross purse
1st Place	10% of gross purse (with each award limited to no more than $10,500)
2nd Place	3% of gross purse (with each award limited to no more than $3,000)
3rd Place	2% of gross purse (with each award limited to no more than $1,500)

	Breeder Awards 2022 Races ran from January 1, 2022 - December 31, 2022
Overall	15% of gross purse
1st Place	10% of gross purse (with each award limited to no more than $10,500)
2nd Place	3% of gross purse (with each award limited to no more than $3,000)
3rd Place	2% of gross purse (with each award limited to no more than $1,500)

Stallion awards are based on a set percentage of the announced gross purse and are paid to owners of Association-registered stallions whose Association-registered Florida-bred offspring finish first in listed black-type stakes races at a Florida thoroughbred race track. The stallion must be registered with the Association in the year of conception of the winning horse and each year thereafter, including the year in which the race occurred.

The following table is comprised from information in the 2023 and 2022 Adopted Plans and Florida Statutes:

	Stallion Awards 2023 Races ran from January 1, 2023 - December 31, 2023
Stallion Award	15% of gross purse to 1st place winner (with each award limited to no more than $15,000)

	Stallion Awards 2022 Races ran from January 1, 2022 - December 31, 2022
Stallion Award	15% of gross purse to 1st place winner (with each award limited to no more than $15,000)

All breeder, stallion, and Florida-bred stakes program awards are paid only to breeders or owners of registered Florida-bred thoroughbred horses, with the limited exception that thoroughbreds foaled outside of Florida, but sired by Association-registered Florida stallions, may be made eligible to compete for reduced special racing awards/purse supplements in some stakes races.

Florida Statutes allow the Association to retain up to 10% of the gross receipts for administration of the Program and for general promotion of the industry. The Program withholds these amounts at the time of receipt from the tracks and transfers payment to the Association.

Basis of Accounting
The financial statements of the Program have been prepared on the accrual basis.

The Program's net assets and its revenues, gains, and expenses are classified with donor restrictions or without donor restrictions, based on the existence or absence of donor-imposed restrictions.

Without donor restrictions are not restricted by donors, or the donor-imposed restrictions have expired.

With donor restrictions contain donor-imposed restrictions that permit the Program to use or expend the donated assets as specified and are satisfied either by the passage of time or by actions of the Program, while some donor-imposed restrictions neither expire by passage of time nor can be fulfilled or otherwise removed by actions of the Program. The Program has no donor restricted net assets at December 31, 2023 and 2022, respectively.

Revenues
As specified in Florida Statutes, the annual awards plan, relevant track agreements, and revenues earned by the Program are used for the payment of breeder, stallion, and special racing awards, and for the authorized administration/promotion fee.

Revenue Recognition
Pursuant to the Florida Statutes, the Program recognized revenues on a monthly basis when earned from the race tracks for live wagering, inter-track wagering, simulcast wagering, sale of racing signal, and cardrooms as the cumulative effect of the monthly wagering on events has occurred. The transactions are accounted for as a non-conditional, non-reciprocal transaction within the scope of the Financial Accounting Standards Board's Accounting Standards Update Topic 958, *Not-for-Profit Entities*.

Income Taxes
The Program is administered by the Association, which has been granted tax-exempt status under the Internal Revenue Code Section 501(c)(5). No provision is made in these statements for income taxes.

Cash and Cash Equivalents
Cash and cash equivalents consist of a demand deposit account. For the purpose of the statements of cash flows, cash and cash equivalents consist of this demand deposit account. All highly liquid investments purchased with a maturity of three months or less would be considered cash equivalents, if applicable.

Accounts Receivable
Receivables are recorded by management for revenue to be received from the various race tracks. An allowance for uncollectible receivables has not been recorded, as all amounts are deemed collectible.

Use of Estimates in the Preparation of Financial Statements
The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Fair Value of Financial Instruments
Unless otherwise indicated, the fair values of all reported assets and liabilities, which represent financial instruments (none of which are held for trading purposes), approximate the carrying value of such amounts. Financial instruments include cash, short-term investments, short-term debt, long-term debt, and accounts receivable.

Functional Expenses
The cost of providing administration services to the Program are shown on a functional basis in the statements of activities. All program, management, and general expenses are shown as a direct cost in the statements of functional expenses and there are no allocations.

Note 2 - Accounts Receivable, Race Tracks

Accounts receivable, race tracks consist of the following:

	2023	2022
Tampa Bay Downs	$ 252,320	$ 222,847
Gulfstream Park	535,132	524,585
Total	$ 787,452	$ 747,432

The above receivables were fully collected subsequent to year-end; therefore, no allowance for doubtful accounts is recorded.

Note 3 - Breeder Awards Payable

The December 31, 2023 and 2022, payables consist of breeder awards earned as of December 2023 and 2022, and payable to breeders of record.

Note 4 - Concentration of Credit Risk

The Program maintains cash balances at one financial institution. The checking account balance at year-end exceeded the Federal Deposit Insurance Corporation insurance limit of $250,000. The Association maintains its cash with a high-quality financial institution, which the Association believes limits these risks.

Note 5 - Purse Supplements (Special Racing Awards)

In accordance with the 2023 and 2022 Adopted Plan, Florida Statutes, and track agreements, Program funds were used to supplement purses for appropriately registered horses in certain races. Additionally, Program funds were used to supplement purses for appropriately registered horses in the races that comprise the Florida Sire Stakes. Purse supplements of $550,000 and $350,000 were paid for races run in 2023 and 2022, respectively, as follows:

	2023	2022
Gulfstream Park - Florida-Bred Incentive Fund	$ 450,000	$ 250,000
Gulfstream Park - Florida Sire Stakes	100,000	100,000
Total	$ 550,000	$ 350,000

Note 6 - Liquidity and Available Resources

The following reflects the Program's financial assets as of the balance sheets' date, reduced by amounts not available for general use because of contractual or donor-imposed restrictions within one year of the balance sheets' date. There are no contractual or donor-imposed restrictions or board designations. The financial asset and amount available for general expenditures within one year are $2,833,344 and $2,046,765 for the years ended December 31, 2022 and 2023, respectively.

Note 7 - Contingency Liabilities

As referenced in Notes 1 and 5, the annual awards plan allows for the payment of purse supplements in races that are part of the Florida-bred stakes program. The Association annually negotiates an agreement with each Florida thoroughbred track and its local horsemen's association regarding the races and purse supplements to be included in the Florida-bred stakes program. Due to the race restrictions and the uncertainties surrounding how the relevant horses will perform in those races, a liability is not recorded until the race is completed. As of December 31, 2023, the Program was contingently liable for an estimated $1,960,000 to be paid out in certain races held during the 2024 calendar year.

Note 8 - Related-Party Transactions

Breeder and stallion awards earned by members of the Board of Directors (the Board) of the Association, or entities in which they have an ownership interest, totaled $559,470 and $723,635 during the years ended December 31, 2023 and 2022, respectively.

Included in awards payable are amounts owed to members of the Board of the Association, or entities in which they have an ownership interest, totaling $116,440 and $73,452 at December 31, 2023 and 2022, respectively.

Florida Statutes allow the Association to retain up to 10% of the gross receipts for administration of the awards program and for general promotion of the industry; the amount included in expense was $707,869 and $724,275 for the years ended December 31, 2023 and 2022, respectively. The Program owed the Association $78,745 and $74,743 at December 31, 2023 and 2022, respectively, for the administration/promotion fee.

Note 9 - Subsequent Events

Beginning with races run on January 1, 2024, breeder and stallion awards increased to 20% of the announced gross purses, as provided in the 2024 Awards Plan approved by the Florida Gaming Control Commission. As expressly recognized therein, the 2024 Awards Plan is premised upon the Association funding half of the 2024 breeder and stallion awards using funds received from the Florida Department of Agriculture and Consumer Services pursuant to Section 571.265(3)(a), Florida Statutes.

The Program has evaluated events and transactions for potential recognition or disclosure in the financial statements through the date the financial statements were available to be issued on May 24, 2024.

4. Discussion of Default Final Orders

MEMORANDUM

To:	The Florida Gaming Control Commission
From:	Division of Pari-Mutuel Wagering
Through:	Joseph Call, Senior Attorney
Re:	FGCC v. Johnny Valentin Case No. 2025-001642, Default Final Order
Date:	September 3, 2025

Executive Summary

The Division of Pari-Mutuel Wagering ("the Division") seeks the permanent exclusion of Johnny Valentin ("Respondent") from all pari-mutuel and slot machine facilities in the state of Florida. Respondent failed to respond to the administrative complaint and thereby waived his right to request a hearing contesting this matter. The Florida Gaming Control Commission should enter a final order permanently excluding Respondent from all pari-mutuel and slot machine facilities in the state of Florida.

Relevant Facts

On July 30, 2024, Respondent was a patron of Casino Miami, LLC d/b/a Casino Miami, Miami Jai-Alai, and/or Casino Miami Jai-Alai.[1] On December 24, 2024, Respondent was permanently excluded from Casino Miami, LLC.[2]

Based on Respondent's exclusion from Casino Miami, LLC, the Division filed an administrative complaint on July 1, 2025, seeking his exclusion from all pari-mutuel facilities and slot machine facilities in the state of Florida. The election of rights accompanying the administrative complaint made it clear that the Respondent had 21 days[3] to file a written response to the administrative complaint. The Respondent was served on July 22, 2025. Respondent had until August 12, 2025, to respond, and did not do so.

---

[1] Casino Miami, LLC, is operated by a permitholder authorized to conduct pari-mutuel wagering, slot facilities, and cardroom operations in the state of Florida.

[2] Pari-mutuel permitholders and slot machine licensees have the right to exclude patrons. §§ 550.0251(6); 551.112, Fla. Stat..

[3] *See* Fla. Admin. Code R. 28-106.111(4) ("Any person who receives written notice of an agency decision and who fails to file a written request for a hearing within 21 days waives the right to request a hearing on such matters.")

Analysis

Florida law allows for the exclusion of Respondent from all pari-mutuel and slot machine facilities in the state.

Section 550.0251(6), Florida Statutes, provides that "[t]he commission may exclude from any pari-mutuel facility within this state any person who has been ejected from a pari-mutuel facility in this state […]"

Further, section 551.112 provides that "[t]he commission may exclude from any facility of a slot machine licensee any person who has been ejected from a facility of a slot machine licensee in this state […]"

Therefore, Respondent's exclusion from Casino Miami, LLC, a pari-mutuel and slot machine facility in this state, subjects him to permanent exclusion from all pari-mutuel and slot machine facilities in this state.

Staff Recommendation: The Commission should enter a final order permanently excluding the Respondent, Johnny Valentin, from all pari-mutuel and slot machine facilities in the state of Florida.

CONTINUATION

On July 30, 2024, Johnny **VALENTIN** visited Casino Miami as a patron and played at Roulette Slot Machine Bank IA. While playing at Roulette Slot Bank IA, **VALENTIN** assisted Roberto Alvarez in this scheme. The scheme entails Alvarez giving patrons (including **VALENTIN)** monies to insert into the slot bank. Alvarez then instructed the cooperating patron to enter a number combination for the wager or enters the number combination to be played himself. Once a jackpot is won, Alvarez allows the patron to claim the jackpot and once the jackpot has been paid, the patron (in this case **VALENTIN)** handed the entire jackpot payment to Alvarez. Alvarez would then give the patron(s) several bills back as a form of payment for claiming the jackpot. **VALENTIN** was sitting at Roulette Slot Machine IA-01 when he won a jackpot in the amount of $3,600.00. Upon winning the jackpot he immediately handed the entire jackpot to Alvarez,[1] who then gave **VALENTIN** several bills back. This incident was documented in Casino Miami Surveillance Report #CMJ-000013900 **(Exhibit #1).**

Independent video review by this Investigator revealed that during the time that **VALENTIN** played at Roulette Slot Bank IA, he played on slot machine IA-01 and IA-08. During his time at this slot bank, he would receive monies from Alvarez, which he would insert into the slot machines, he would then enter the number combination to be played as directed by Alvarez. On several occasions, Alvarez would enter the number combinations himself **(Exhibit #3).**

VALENTIN was one of six total individuals involved in this scheme. Those involved were identified as:

- **Felix Ferrer** cashed out a jackpot on July 30, 2024, without being caught or excluded. On October 23, 2024, Ferrer was involved in another incident that was uncovered by the surveillance team who warned the Slot Attendant reporting the jackpots. During the processing of those jackpots, it was learned that Alvarez had won three (3) jackpots but was using Ferrer to cash them. As a result, Ferrer was permanently excluded on October 24, 2024, and Alvarez was permanently excluded on November 2, 2024. PMW Case 2024 06 5199 was opened against Ferrer.

- **Miguel Brito** used monies provided by Alvarez to play and win a $3,600.00 jackpot on July 30, 2024. After collecting the jackpot winnings, Brito handed Alvarez the entire amount of the jackpot. Alvarez then gave Brito several bills in return. Brito was permanently excluded from the facility on December 24, 2024. PMW Case 2025 00 1659 was opened against Brito.

- **Yoel Llamazares Baez** won jackpots on July 30, 2024, using Mirna Aguilar's Players Club Card as well as the card of a patron by the name of Iris Garcia. Neither individual was playing on the slot machine where the jackpot occurred. Garcia was not anywhere near the slot machine bank. PMW Case 2025 00 1677 was opened against Llamazares Baez.

- **Mirna Guadalupe Aguilar** won a $1,800.00 jackpot on July 30, 2024, using Edgardo Molina Aguilar's (a possible relative) Players Club Card who was not present at the slot machine bank when the card was being used. Once she collected the jackpot money, she handed the entire amount of the winnings to Alvarez. Alvarez then gave Aguilar several bills in return. PMW Case 2025 00 1672 was opened against Aguilar. Aguilar was permanently excluded from the facility on December 24, 2024.

- **Roberto Alvarez** is the apparent ringleader of the scheme. PMW Case 2024 05 5435 was opened against Alvarez.

Status: Case closed by Investigations and forwarded to Legal for further review.

MEMORANDUM

To:	The Florida Gaming Control Commission
From:	Division of Pari-Mutuel Wagering
Through:	Joseph Call, Senior Attorney
Re:	FGCC v. Miguel Brito
	Case No. 2025-001659, Default Final Order
Date:	September 3, 2025

Executive Summary

The Division of Pari-Mutuel Wagering ("the Division") seeks the permanent exclusion of Miguel Brito ("Respondent") from all pari-mutuel and slot machine facilities in the state of Florida. Respondent failed to respond to the administrative complaint and thereby waived his right to request a hearing contesting this matter. The Florida Gaming Control Commission should enter a final order permanently excluding Respondent from all pari-mutuel and slot machine facilities in the state of Florida.

Relevant Facts

On July 30, 2024, Respondent was a patron of Casino Miami, LLC d/b/a Casino Miami, Miami Jai-Alai, and/or Casino Miami Jai-Alai.[1] On December 24, 2024, Respondent was permanently excluded from Casino Miami, LLC.[2]

Based on Respondent's exclusion from Casino Miami, LLC, the Division filed an administrative complaint on July 1, 2025, seeking his exclusion from all pari-mutuel facilities and slot machine facilities in the state of Florida. The election of rights accompanying the administrative complaint made it clear that the Respondent had 21 days[3] to file a written response to the administrative complaint. The Respondent was served on July 9, 2025. Respondent had until July 30, 2025, to respond, and did not do so.

Analysis

[1] Casino Miami, LLC, is operated by a permitholder authorized to conduct pari-mutuel wagering, slot facilities, and cardroom operations in the state of Florida.

[2] Pari-mutuel permitholders and slot machine licensees have the right to exclude patrons. §§ 550.0251(6); 551.112, Fla. Stat..

[3] *See* Fla. Admin. Code R. 28-106.111(4) ("Any person who receives written notice of an agency decision and who fails to file a written request for a hearing within 21 days waives the right to request a hearing on such matters.")

Florida law allows for the exclusion of Respondent from all pari-mutuel and slot machine facilities in the state.

Section 550.0251(6), Florida Statutes, provides that "[t]he commission may exclude from any pari-mutuel facility within this state any person who has been ejected from a pari-mutuel facility in this state […]"

Further, section 551.112 provides that "[t]he commission may exclude from any facility of a slot machine licensee any person who has been ejected from a facility of a slot machine licensee in this state […]"

Therefore, Respondent's exclusion from Casino Miami, LLC, a pari-mutuel and slot machine facility in this state, subjects him to permanent exclusion from all pari-mutuel and slot machine facilities in this state.

Staff Recommendation: The Commission should enter a final order permanently excluding the Respondent, Miguel Brito from all pari-mutuel and slot machine facilities in the state of Florida.

Synopsis: On July 30, 2024, a patron by the name of Roberto Alvarez was identified by the Casino Miami Surveillance Department as using other patrons to cash jackpots he had won at Roulette Machine Slot Bank IA. Alvarez would bet at several terminals simultaneously and enter the wager combination he wanted to play or direct another patron to do so. He would do this at many of the eight terminals in the Roulette Slot Machine Bank at a time. Miguel **BRITO** was one of the patrons who participated in this scheme. He cashed a jackpot on July 30, 2024, in the amount of $3,600.00. Immediately upon receiving the monies from the slot attendant, **BRITO** walked to where Roberto Alvarez was playing and gave him the entire jackpot amount. He in turn received a portion of the jackpot back from Alvarez. PMW Case #2024 04 5435 refences the case against Alvarez. **BRITO** was permanently excluded from the facility on December 24, 2024.

CONTINUATION

This case is predicated on an incident that occurred on July 30, 2024, which was documented in Casino Miami Surveillance Report #CMJ-000013900. Although the Report documents other violations committed by other patrons, it does not document in writing the specific violations and or interactions between **BRITO** and Roberto Alvarez. Surveillance video footage does capture violations committed by Alvarez and other patrons leading up to and including **BRITO'S** interaction with Alvarez which led to the above noted violations.

During video review of July 30, 2024, between the hours of 6:00 P.M., and 6:20 P.M., **BRITO** is captured on surveillance footage accepting monies from Alvarez and entering the money into Roulette Slot Machine Bank IA-07 and IA-08, resulting in three (3) jackpots being won by **BRITO** each in the amount of $3,600.00. Because the Surveillance Report does not mention in detail **BRITO'S** interaction with Alvarez as it pertains to Alvarez banking, providing and instructing **BRITO** (and the other patrons) on what number combinations to play, these details were only uncovered during video review. It was also discovered that during the processing of the three (3) jackpots, by Casino Miami Slot Supervisor Ehsanul Romy Hoque, Slot Attendants, Maura Godinez and Jose Rivas, that Alvarez was giving funds to **BRITO** and Felix Ferrer (in the presence of the Casino Miami staff) so that they could continue playing at his direction. It was also noted that after getting paid the jackpots, **BRITO** handed Alvarez the entire jackpot amounts (also in the presence of the Slot Attendants) who did not question the interaction.

Because of prior incidents involving Alvarez's use of patrons to cash out his jackpots, providing patrons with monies to play, or instructing patrons as to which number combinations to play, Alvarez is known to this Investigator. PMW Case 2024 05 5435 was opened against Alvarez as being the leader of this organized group of individuals poised to cash jackpots on his behalf. The identified scheme (as observed on recorded surveillance video) operated in the following manner: Alvarez would insert the money necessary or have a patron who would assist him do so, to place the wager. After the money was inserted into the individual machine, the number combination to be played was either entered by Alvarez or he would direct the cooperating patron to enter the specific number combination prior to the game beginning. At times Alvarez (and his team) would utilize as many as seven of the eight slot machine terminals in the slot machine bank to increase the likelihood of winning **(Exhibit #10).**

On several occasions, one of the individuals helping Alvarez would stay at a particular terminal he had played. When that terminal won a jackpot, the individual would remain in front of the terminal to meet the Slot Attendant to collect the jackpot. Once the jackpot was collected, the individual who collected the jackpot would walk over to where Alvarez was playing and hand him what appears to be the entire jackpot. Alvarez would then give that person several bills back. Five separate individuals did this. Upon verification of the jackpot, a review of the Jackpot Slip Report and Tax Journals for July 30, 2024, revealed **BRITO'S** name appears as the winner and as the person who was paid **(Exhibits #7 & #8).**

The below listed individuals were identified as cashing jackpots for Alvarez:

- **Felix Ferrer** cashed out a jackpot on July 30, 2024, without being caught or excluded. On October 23, 2024, Ferrer was involved in another incident that was uncovered by the Casino Miami Surveillance Team who warned the Slot Attendant reporting the jackpots. During the processing of those jackpots, it was learned that Alvarez had won three (3) jackpots but was using Ferrer to cash them. As a result, Ferrer was permanently excluded on October 24, 2024, and Alvarez was permanently excluded on November 2, 2024. PMW Case 2024 06 5199 was opened against Ferrer.

CONTINUATION

- **Mirna Guadalupe Aguilar** won a $1,800.00 jackpot on July 30, 2024, using Edgardo Molina Aguilar (a possible relative's) players club card who was not present at the slot machine bank when the card was being used. Once she collected the jackpot money, she handed the entire amount of the winnings to Alvarez. Alvarez then gave Aguilar several bills in return. PMW Case 2025 00 1672 was opened against Aguilar. Aguilar was permanently excluded from the facility on December 24, 2024.

- On July 30, 2024, **Johnny Valentin**-played with Alvarez's money and entered the values that Alvarez wanted him to play. After winning a jackpot in the amount of $3,600.00, Valentin handed Alvarez the entire jackpot winnings. In return, Alvarez gave Valentin several bills. Valentin was permanently excluded from the facility on December 24, 2024. PMW Case 2025 00 1642 was opened against Valentin

- **Yoel Llamazares Baez**-won jackpots on July 30, 2024, using Mirna Aguilars card as well as the card of a patron by the name of Iris Garcia. Neither was playing on the slot machine where the jackpot occurred. Garcia was not anywhere near the slot machine bank.

Status: Case closed by Investigations and forwarded to Legal for further review.

MEMORANDUM

To:	The Florida Gaming Control Commission
From:	Division of Pari-Mutuel Wagering
Through:	Joseph Call, Senior Attorney
Re:	FGCC v. Mirna Guadalupe Aguilar Case No. 2025-001672, Default Final Order
Date:	September 3, 2025

Executive Summary

The Division of Pari-Mutuel Wagering ("the Division") seeks the permanent exclusion of Mirna Guadalupe Aguilar ("Respondent") from all pari-mutuel and slot machine facilities in the state of Florida. Respondent failed to respond to the administrative complaint and thereby waived her right to request a hearing contesting this matter. The Florida Gaming Control Commission should enter a final order permanently excluding Respondent from all pari-mutuel and slot machine facilities in the state of Florida.

Relevant Facts

On July 30, 2024, Respondent was a patron of Casino Miami, LLC d/b/a Casino Miami, Miami Jai-Alai, and/or Casino Miami Jai-Alai.[1] On December 24, 2024, Respondent was permanently excluded from Casino Miami, LLC.[2]

Based on Respondent's exclusion from Casino Miami, LLC, the Division filed an administrative complaint on July 1, 2025, seeking her exclusion from all pari-mutuel facilities and slot machine facilities in the state of Florida. The election of rights accompanying the administrative complaint made it clear that the Respondent had 21 days[3] to file a written response to the administrative complaint. The Respondent was served on July 8, 2025. Respondent had until July 29, 2025, to respond, and did not do so.

Analysis

[1] Casino Miami, LLC, is operated by a permitholder authorized to conduct pari-mutuel wagering, slot facilities, and cardroom operations in the state of Florida.
[2] Pari-mutuel permitholders and slot machine licensees have the right to exclude patrons. §§ 550.0251(6); 551.112, Fla. Stat..
[3] *See* Fla. Admin. Code R. 28-106.111(4) ("Any person who receives written notice of an agency decision and who fails to file a written request for a hearing within 21 days waives the right to request a hearing on such matters.")

Florida law allows for the exclusion of Respondent from all pari-mutuel and slot machine facilities in the state.

Section 550.0251(6), Florida Statutes, provides that "[t]he commission may exclude from any pari-mutuel facility within this state any person who has been ejected from a pari-mutuel facility in this state […]"

Further, section 551.112 provides that "[t]he commission may exclude from any facility of a slot machine licensee any person who has been ejected from a facility of a slot machine licensee in this state […]"

Therefore, Respondent's exclusion from Casino Miami, LLC, a pari-mutuel and slot machine facility in this state, subjects her to permanent exclusion from all pari-mutuel and slot machine facilities in this state.

Staff Recommendation: The Commission should enter a final order permanently excluding the Respondent, Mirna Guadalupe Aguilar from all pari-mutuel and slot machine facilities in the state of Florida.

CONTINUATION

On July 30, 2024, Mirna Guadalupe **AGUILAR** visited Casino Miami as a patron and played at Roulette Slot Machine Bank IA. While playing at slot bank IA, she assisted Roberto Alvarez in a fraud scheme. The scheme entails Alvarez giving several patrons including **AGUILAR** monies to insert[1] into player terminals in the slot bank. Alvarez then instructs the patrons as to which number combinations are to be played or enters the number combination himself. When a jackpot is won, Alvarez allows the patron to claim the jackpot and once the jackpot has been paid, the patron involved, in this case **AGUILAR,** hands the entire jackpot payment to Alvarez. Alvarez then gives the patron several bills back as an apparent form of payment for claiming the jackpot. On July 30, 2024 **AGUILAR** was sitting at Roulette Slot Machine IA-03 when she won a jackpot in the amount of $1,800.00. Upon receiving the jackpot funds, she immediately handed the monies to Alvarez,[2] who then gave several bills back to her. This incident was documented in Casino Miami Surveillance Report #CMJ-000013900 **(Exhibit #1).**

During the time that she was playing, **AGUILAR** was using a Players Club Card belonging to a patron by the name of Edgardo Molina Aguilar, who has the same residential address as **AGUILAR**. This information suggests that the owner of the Players Club card is somehow related to her[3]. **AGUILAR** also inserted her own Players Club Card into slot machine IA 04.[4]

During the time that **AGUILAR** was playing at slot bank IA, she physically played and won a jackpot in the amount of $1,800.00 on slot machine IA-03, utilizing the Players Club Card belonging to the relative listed above, which was paid out to her. Once she was paid the jackpot, she gave the entire amount to Alvarez who in turn gave her several bills back to her. The other two jackpots that were documented in the Jackpot Slip Report were each won by Alvarez and Llamazares Baez at slot bank IA-04 utilizing **AGUILAR'S** Players Club Card. Alvarez was paid $1,800.00 and Llamazares Baez was paid $3,600.00. This information was confirmed via video footage and review of the Jackpot Slip Reports **(Exhibits #8 & #11).**

AGUILAR was one of six total individuals involved in this scheme. The other involved participants were identified as:

- **Felix Ferrer** cashed out a jackpot on July 30, 2024, without being caught or excluded. On October 23, 2024, Ferrer was involved in another incident that was uncovered by the Casino Miami surveillance team who warned the Slot Attendant reporting the jackpots. During the processing of those jackpots, it was learned that Alvarez had won three (3) jackpots but was using Ferrer to cash them. As a result, Ferrer was permanently excluded on October 24, 2024, and Alvarez was permanently excluded on November 2, 2024. PMW Case 2024 06 5199 was opened against Ferrer.

- **Miguel Brito** used monies provided to him by Alvarez to play and win a $3,600.00 jackpot on July 30, 2024. After collecting the jackpot winnings, Brito handed Alvarez the entire amount of the jackpot. Alvarez then gave Brito several bills in return. Brito was permanently excluded from the facility on December 24, 2024. PMW Case 2025 00 1659 was opened against Brito.

[1] On numerous occasions, Alvarez would enter the money himself into the slot machine.
[2] Alvarez was playing on slot machine IA 02.
[3] Mr. Aguilar was not present in the facility at the time.
[4] AGUILAR was playing at slot machine IA 03. This machine (IA-04) was being used at the time by another participant who was also involved in Alvarez's scheme, Yoel Llamazares Baez.

CONTINUATION

- On July 30, 2024, **Johnny Valentin-**played with Alvarez's money and entered the values that Alvarez wanted to play. After winning a jackpot in the amount of $3,600.00, Valentin handed Alvarez the entire jackpot winnings. In return, Alvarez gave Valentin several bills. Valentin was permanently excluded from the facility on December 24, 2024. PMW Case 2025 00 1642 was opened against Valentin.

- **Yoel Llamazares Baez** won jackpots on July 30, 2024, using Mirna Aguilar's card as well as the card of a patron by the name of Iris Garcia. Neither was playing on the slot machine where the jackpot occurred. Garcia was not anywhere near the slot machine bank. PMW Case 2025 00 1677 was opened against Llamazares Baez.

- **Miguel Brito**-cashed a jackpot and then gave the monies to Roberto Alvarez. He used Alvarez money to play and entered the combination that Alvarez wanted to play. After winning the $3,600.00 jackpot, Brito gave it in its entirety to Alvarez. He received several bills in return. He was permanently excluded by management.

- **Roberto Alvarez** has been determined to be the ringleader of the above patron scheme. PMW Case 2024 05 5435 was opened against Alvarez.

Status: Case closed by Investigations and forwarded to Legal for further review.

MEMORANDUM

To:	The Florida Gaming Control Commission
From:	Division of Pari-Mutuel Wagering
Through:	Joseph Call, Senior Attorney
Re:	FGCC v. Javier Diaz Ruiz Case No. 2025-002261, Default Final Order
Date:	September 3, 2025

Executive Summary

The Division of Pari-Mutuel Wagering ("the Division") seeks the permanent exclusion of Javier Diaz Ruiz ("Respondent") from all pari-mutuel and slot machine facilities in the state of Florida. Respondent failed to respond to the administrative complaint and thereby waived his right to request a hearing contesting this matter. The Florida Gaming Control Commission should enter a final order permanently excluding Respondent from all pari-mutuel and slot machine facilities in the state of Florida.

Relevant Facts

On December 28, 2024, Respondent was a patron of South Florida Racing Association, LLC d/b/a Hialeah Park Racing & Casino.[1] On December 28, 2024, Respondent was permanently excluded from Hialeah Park Racing & Casino.[2]

Based on Respondent's exclusion from Hialeah Park Racing & Casino, the Division filed a corrected administrative complaint on July 11, 2025, seeking his exclusion from all pari-mutuel facilities and slot machine facilities in the state of Florida. The election of rights accompanying the administrative complaint made it clear that the Respondent had 21 days[3] to file a written response to the administrative complaint. The Respondent was served on July 19, 2025. Respondent had until August 9, 2025, to respond, and did not do so.

---

[1] Hialeah Park Racing & Casino is operated by a permitholder authorized to conduct pari-mutuel wagering, slot facilities, and cardroom operations in the state of Florida.

[2] Pari-mutuel permitholders and slot machine licensees have the right to exclude patrons. §§ 550.0251(6); 551.112, Fla. Stat..

[3] *See* Fla. Admin. Code R. 28-106.111(4) ("Any person who receives written notice of an agency decision and who fails to file a written request for a hearing within 21 days waives the right to request a hearing on such matters.")

Analysis

Florida law allows for the exclusion of Respondent from all pari-mutuel and slot machine facilities in the state.

Section 550.0251(6), Florida Statutes, provides that "[t]he commission may exclude from any pari-mutuel facility within this state any person who has been ejected from a pari-mutuel facility in this state […]"

Further, section 551.112 provides that "[t]he commission may exclude from any facility of a slot machine licensee any person who has been ejected from a facility of a slot machine licensee in this state […]"

Therefore, Respondent's exclusion from Hialeah Park Racing & Casino, a pari-mutuel and slot machine facility in this state, subjects him to permanent exclusion from all pari-mutuel and slot machine facilities in this state.

Staff Recommendation: The Commission should enter a final order permanently excluding the Respondent, Javier Ruiz Diaz from all pari-mutuel and slot machine facilities in the state of Florida.

The full board is revealed as five of diamonds, six of diamonds, four of diamonds, seven of spades and king of diamonds (5D/6D/4D/7S/KD). At 20:30 hours, Poker Shift Manager, Sander Reyes requested a review to determine if a rules violation occurred at Table #9 involving Javier **DIAZ RUIZ**. The review was conducted and revealed that **DIAZ RUIZ** placed a $15 "Flop Bonus" bet after the flop was dealt onto the board and won an illegitimate $600.00 as a result. Security Supervisor Isaac Cortez was advised.

At 20:38 hours, a visual was established on **DIAZ RUIZ** at Table #9.

At 20:42 hours, Reyes and Security Supervisor Andres Fernandez arrive on the scene. **DIAZ RUIZ** is escorted to the poker hallway and Reyes begins to talk to **DIAZ RUIZ**.

At 20:43 hours, **DIAZ RUIZ** is observed giving what appears to be $500.00 in cash money from his wallet to Reyes.

At 20:44 hours, Security Supervisor Isaac Cortez also arrives on the scene.

At 20:45 hours, **DIAZ RUIZ** makes his way to north poker exit and shortly after walks toward north parking lot. At the same time, Reyes is observed placing the $500.00 he received from **DIAZ RUIZ** on Table #9.

At 20:48 hours, **DIAZ RUIZ** gets inside his blue vehicle and immediately gets back out and begins to walk back toward casino.

CONTINUATION

At 20:50 hours, **DIAZ RUIZ** is observed coming back inside poker room north entrance. He contacts Reyes at Table #9 and hands him more cash. Reyes then places what appears to be $600 cash on Table #9 **(EXHIBIT #2 - PAGE #4).**

At 20:51 hours, **DIAZ RUIZ** is observed talking to Cortez and Fernandez in the poker hallway. Shortly after, **DIAZ RUIZ** cashes out at poker cage then walks toward north poker exit.

At 20:53 hours, **DIAZ RUIZ** is observed walking to west casino entrance and makes his way into the casino. Shortly thereafter **DIAZ RUIZ** is observed playing slot machines in various parts of the casino. Also, during this time Hernandez takes the $600.00 cash, changes it to $600.00 in black chips and subsequently gives them to the DP at table #9.

At 21:15 hours, **DIAZ RUIZ** finishes playing slots in Charlie section and makes his way to north exit of casino.

At 21:16 hours, **DIAZ RUIZ** is observed walking toward north parking lot.

At 21:19 hours, **DIAZ RUIZ** is observed getting inside his vehicle and shortly after begins to drive off.

At 21:20 hours, **DIAZ RUIZ** leaves the property via north parking lot. Cortez later notified Surveillance that **DIAZ RUIZ** was permanently excluded for cheating **(EXHIBIT #3).**

At 8:37 PM, Security was contacted by Surveillance regarding a possible House Violation on the Poker Floor. I, Security Supervisor Andres Fernandez, alongside Security Supervisor Isaac Cortez responded to the location at poker table #9, seat #3. Upon arrival, I met with Poker Shift Manager Sander Reyes (ID #0920) and the subject, Mr. Javier Ruiz Diaz. According to Poker Shift Manager Reyes and the Surveillance review, at 8:26 PM, Poker Dealer Geisa Hernandez Villegas (ID #1619) momentarily turned away from the table and Mr. Diaz was seen adding additional chips into the existing pot after showing his hand. I explained to Mr. Diaz that he would be permanently excluded from Hialeah Park Casino for Violation of Poker House rules. Mr. Diaz was instructed to pay back the $600.00 he initially won. I explained to Mr. Diaz that if he returned to the property, he would be subject to trespass. Mr. Diaz understood and was escorted off the premises. Nothing further.

MEMORANDUM

To:	The Florida Gaming Control Commission
From:	Division of Pari-Mutuel Wagering
Through:	Joseph Call, Senior Attorney
Re:	FGCC v. Chris Krishna Manohar Case No. 2025-030096; Default Final Order
Date:	August 15, 2025

Executive Summary

The Division of Pari-Mutuel Wagering seeks the suspension of the pari-mutuel professional individual occupational license of Chris Krishna Manohar ("Respondent"). By failing to respond to the administrative complaint, Respondent waived his right to request a hearing contesting the Division's decision. Therefore, the Florida Gaming Control Commission should enter a final order suspending Respondent's pari-mutuel professional individual occupational license until the Commission receives confirmation that the financial obligation has been satisfied.

Relevant Facts

On March 28, 2025, a default final judgment of $9,184.81 was entered against Respondent for unpaid financial obligations regarding veterinary services in the County Court of the Seventeenth Judicial Circuit in and for Broward County, Florida in case number COCE-24-073503. These unpaid financial obligations related to racing conducted at a pari-mutuel facility in the state of Florida.

The Division filed an administrative complaint against Respondent seeking suspension of Respondent's pari-mutuel professional individual occupational license on May 28, 2025. The election of rights accompanying the administrative complaint made it clear that the Respondent had 21 days[1] to file a written response to the administrative complaint. The Respondent was served via email on July 16, 2025. Respondent had until August 6, 2025, to respond, and did not do so.

[1] *See* Fla. Admin. Code R. 28-106.111(4) ("Any person who receives written notice of an agency decision and who fails to file a written request for a hearing within 21 days waives the right to request a hearing on such matters.")

Analysis
Section 550.105(7), Florida Statutes, provides, that "[t]he commission may deny, revoke, or suspend any occupational license if the applicant therefor or holder thereof accumulates unpaid obligations or defaults in obligations, or issues drafts or checks that are dishonored or for which payment is refused without reasonable cause, if such unpaid obligations, defaults, or dishonored or refused drafts or checks directly relate to the sport of jai alai or racing being conducted at a pari-mutuel facility within this state."

Respondent defaulted in the Seventeenth Circuit in obligations directly relating to racing in the state of Florida. Accordingly, Respondent's license may be suspended or revoked. Because Respondent failed to file a timely response to the properly served administrative complaint, he waived his right to request a hearing.

Staff Recommendation: The Commission should enter a final order suspending the pari-mutuel professional individual occupational license of the Respondent, Chris Krishna Manohar, until the Commission receives confirmation that the financial obligation has been satisfied.

Re: PetVet Operating LLC dba TFB Equine. v. Chris Krishna Manohar
17th Judicial Circuit - State of Florida – COCE 24-073503 - $9,184,81

Ladies and Gentlemen:

On March 28, 2025 my client, PetVet Operating LLC dba TFB Equine. obtained a judgment[1] against Chris Krishna Manohar. a licensee, concerning veterinary services which my client provided at a Florida pari-mutuel facility where Mr. Manohar stabled his horses. Since obtaining that judgment, Mr. Manohar has failed to satisfy his obligation.

Florida law states in relevant part,

"*...the commission may deny, revoke, or suspend any occupational license if the applicant therefor or holder thereof accumulates unpaid obligations or defaults on obligations, ... directly related to the sport of jai alai or racing being conducted at a pari-mutuel facility within this state.* § 550.105(7) Fla. Stat. (2023).

***"A business applicant shall be subject to denial of its initial or renewal application as outlined in Section 550.105, F.S., based on disqualifying ... civil judgments ... of the business entity or the individuals associated with that business..."* Fla. Admin. Code 75-5.001**

Mr. Manohar holds a Pari-Mutuel Wagering Individual Occupational license issued by the State of Florida. Mr. Manohar has accumulated unpaid obligations and has defaulted on an obligation that is directly related to the sport of racing conducted at a pari-mutuel facility.

Accordingly, my client requests that Mr. Manohar's occupational/horse racing license be suspended or revoked, in accordance with Chapter 550.107 Fla. Stat., and Fla. Admin. Code 75-5.001

Thank you for your attention to this matter.

MEMORANDUM

To: The Florida Gaming Control Commission
From: Division of Pari-Mutuel Wagering
Through: Joseph Call, Senior Attorney
Re: FGCC v. Carlos Lugo
Case No. 2025-038094, Default Final Order
Date: September 3, 2025

Executive Summary

The Division of Pari-Mutuel Wagering ("the Division") seeks the permanent exclusion of Carlos Lugo ("Respondent") from all pari-mutuel and slot machine facilities in the state of Florida. Respondent failed to respond to the administrative complaint and thereby waived his right to request a hearing contesting this matter. The Florida Gaming Control Commission should enter a final order permanently excluding Respondent from all pari-mutuel and slot machine facilities in the state of Florida.

Relevant Facts

On December 28, 2024, Respondent was a patron of Casino Miami, LLC d/b/a Casino Miami, Miami Jai-Alai, and/or Casino Miami Jai-Alai.[1] On January 11, 2025, Respondent was permanently excluded from Casino Miami, LLC.[2]

Based on Respondent's exclusion from Casino Miami, LLC, the Division filed an administrative complaint on July 11, 2025, seeking his exclusion from all pari-mutuel facilities and slot machine facilities in the state of Florida. The election of rights accompanying the administrative complaint made it clear that the Respondent had 21 days[3] to file a written response to the administrative complaint. The Respondent was served on July 21, 2025. Respondent had until August 11, 2025, to respond, and did not do so.

[1] Casino Miami, LLC, is operated by a permitholder authorized to conduct pari-mutuel wagering, slot facilities, and cardroom operations in the state of Florida.
[2] Pari-mutuel permitholders and slot machine licensees have the right to exclude patrons. §§ 550.0251(6); 551.112, Fla. Stat..
[3] *See* Fla. Admin. Code R. 28-106.111(4) ("Any person who receives written notice of an agency decision and who fails to file a written request for a hearing within 21 days waives the right to request a hearing on such matters.")

Analysis

Florida law allows for the exclusion of Respondent from all pari-mutuel and slot machine facilities in the state.

Section 550.0251(6), Florida Statutes, provides that "[t]he commission may exclude from any pari-mutuel facility within this state any person who has been ejected from a pari-mutuel facility in this state […]"

Further, section 551.112 provides that "[t]he commission may exclude from any facility of a slot machine licensee any person who has been ejected from a facility of a slot machine licensee in this state […]"

Therefore, Respondent's exclusion from Casino Miami, LLC, a pari-mutuel and slot machine facility in this state, subjects him to permanent exclusion from all pari-mutuel and slot machine facilities in this state.

Staff Recommendation: The Commission should enter a final order permanently excluding the Respondent, Carlos Lugo, from all pari-mutuel and slot machine facilities in the state of Florida.

ADMINISTRATIVE COMPLAINT

The Florida Gaming Control Commission, Division of Pari-Mutuel Wagering ("Petitioner"), files this Administrative Complaint against Carlos Lugo ("Respondent"), and alleges:

1. Petitioner is the state agency charged with regulating pari-mutuel, slot machine, and cardroom operations pursuant to chapters 550, 551, and 849, Florida Statutes.

2. At all times material hereto, Respondent's address was reported as 3371 Northwest 94th Terrace. Miami, FL 33147.

3. At all times material hereto, Casino Miami, LLC was a facility operated by a permitholder authorized by the Commission to conduct pari-mutuel wagering, cardroom operations, and slot operations in the state of Florida.

4. On or about December 28, 2024, Respondent was a patron of Casino Miami, LLC.

5. On or about January 11, 2025, Respondent was permanently excluded from Casino Miami, LLC.

6. Section 550.0251(6), Florida Statutes, provides in relevant part:

> In addition to the power to exclude certain persons from any pari-mutuel facility in this state, the commission may exclude any person from any and all pari-mutuel facilities in this state for conduct that would constitute, if the person were a licensee, a violation of this chapter or the rules of the commission. The commission may exclude from any pari-mutuel facility within this state any person who has been ejected from a pari-mutuel facility in this state or who has been excluded from any pari-mutuel facility in another state by the governmental department, agency, commission, or authority exercising regulatory jurisdiction over pari-mutuel facilities in such other state.

(Emphasis added).

7. Section 551.112, Florida Statutes, provides:

> In addition to the power to exclude certain persons from any facility of a slot machine licensee in this state, the commission may exclude any person from any facility of a slot machine licensee in this state for conduct that would constitute, if the person were a licensee, a violation of this chapter or the rules of the commission. The commission may exclude from any facility of a slot machine licensee any person who has been ejected from a facility of a slot machine licensee in this state or who has been excluded from any facility of a slot machine licensee or gaming facility in another state by the governmental department, agency, commission, or authority exercising regulatory jurisdiction over the gaming in such other state. This section does not abrogate the common law right of a slot machine licensee to exclude a patron absolutely in this state.

(Emphasis added).

8. Based on the foregoing, Respondent is subject to exclusion from all licensed pari-mutuel wagering facilities and any facility of a slot machine licensee in the state of Florida under sections 550.0251(6) and 551.112, Florida Statutes based on his exclusion from Casino Miami, LLC on or about January 11, 2025.

WHEREFORE, Petitioner respectfully requests the Florida Gaming Control Commission enter an Order excluding Respondent from all licensed pari-mutuel wagering facilities and any facility of a slot machine licensee in the State of Florida, in accordance with sections 550.0251(6) and 551.112, along with any other remedy provided by chapters 550 and 551, Florida Statutes, and/or the rules promulgated thereunder.

CON INU ION

On mDece er 28, 2024, Casino Mia Securi y Officer, Teronica Beharry was mfor d by the m Surveillance Depar nt about a broken button panel located at Slot Machine Bank EE-03. According to the Security Report #CMJ-000005987, the button panel is valued at $1,600.00 Although not clearly stated in the Security Report, it appears that on January 5, 2024[1], **LUGO** revisited Casino m Mia and was identified by surveillance as the person who broke the button panel on Slot Machine EE-03. The report also indicates that **LUGO** was trespassed before entering the casino and was instructed that he needed to speak with a nager. According to this report, **LUGO** was escorted out of the facility by two Mia Dade Police Officers **(Exhibit #3 & Exhibit #2, - age 1).**

Because neither of the reports; surveillance, or security fully docu nted the above incident and what transpired, I telephonically interviewed Security Guard Beharry, mpCo liance Director Beatriz Perez, and General Manager Daniel Liccardi on May 30, 2025, to get a better understanding. The following was learned:

According to Security Guard Beharry, who was ho at the ti of this interview, she encountered **LUGO** on mDece er 28, 2024, when she was instructed by surveillance to investigate ma ged m slot chine located in Slot Bank EE-03. It was at this ti that she approached **LUGO** and properly identified him via his Florida driver's license. It was at this point that **LUGO** was te orarily trespassed. Beharry had no further mi for tion to provide concerning this incident. The fact that **LUGO** was identified on mDece er 28, 2025, was never recorded or nti oned in Security Report #CMJ-000005987.

I also telephonically interviewed Casino m Mia Vice President of Hu n Resources & State mpCo liance Beatriz Perez. Perez advised that the value of the ma ge to any of the m slot chines is derived fro a list of the prices of re place nt parts. Director of Security Neal was the one who provided the value of the ma ge to Perez. **LUGO** was trespassed on July 11, 2025, because he did not pay the $1,600.00 for the ma ged panel.

Mr. Liccardi also advised that on mDece er 28, 2024, surveillance was able to identify **LUGO** fro photos that had been taken fro his previous visit to the casino in April of 2024, when he won a $13,000.00 jackpot. **LUGO** was unable to collect i m ediately on that jackpot because he had self-excluded in 2022. Later it was dete ned that he had been reinstated, in February of 2024, where he was then able to collect the $13,000.00 jackpot. **LUGO** returned to the casino on January 5, 2025, when surveillance spotted hi and he was approached and asked to pay for the ma ge to the slot chine a button panel. When he refused, he was trespassed and escorted out of the facility. On January 11, 2025, **LUGO** was a per nently trespassed fro Casino m Mia by facility Mana ge nt **(Exhibit # 3, - age 2).**

Conclusion: **LUGO** ma ged property belonging to Casino m Mia and during the subsequent six m o nths has refused to co ensate the facility for the ma ges. As a result of his actions **LUGO** has been per anently excluded fro Casino m Mia .

tatus: Case closed by Investigations and forwarded to Legal for review. m

MEMORANDUM

To:	The Florida Gaming Control Commission
From:	Division of Pari-Mutuel Wagering
Through:	Joseph Call, Senior Attorney
Re:	FGCC v. James Lee Whitley, Jr. Case No. 2025-042285, Default Final Order
Date:	September 3, 2025

Executive Summary

The Division of Pari-Mutuel Wagering ("the Division") seeks the permanent exclusion of James Lee Whitley, Jr ("Respondent") from all pari-mutuel and slot machine facilities in the state of Florida. Respondent failed to respond to the administrative complaint and thereby waived his right to request a hearing contesting this matter. The Florida Gaming Control Commission should enter a final order permanently excluding Respondent from all pari-mutuel and slot machine facilities in the state of Florida.

Relevant Facts

On May 5, 2025, Respondent was a patron of 831 Federal Highway Acquisition Holding, LLC, d/b/a The Big Easy Casino.[1] On May 5, 2025, Respondent was issued a lifetime ejection from The Big Easy Casino.[2]

Based on Respondent's exclusion from The Big Easy Casino, the Division filed an administrative complaint on July 2, 2025, seeking his exclusion from all pari-mutuel facilities and slot machine facilities in the state of Florida. The election of rights accompanying the administrative complaint made it clear that the Respondent had 21 days[3] to file a written response to the administrative complaint. The Respondent was served on July 11, 2025. Respondent had until August 1, 2025, to respond, and did not do so.

---

[1] The Big Easy Casino is operated by a permitholder authorized to conduct pari-mutuel wagering, slot facilities, and cardroom operations in the state of Florida.

[2] Pari-mutuel permitholders and slot machine licensees have the right to exclude patrons. §§ 550.0251(6); 551.112, Fla. Stat..

[3] *See* Fla. Admin. Code R. 28-106.111(4) ("Any person who receives written notice of an agency decision and who fails to file a written request for a hearing within 21 days waives the right to request a hearing on such matters.")

Analysis

Florida law allows for the exclusion of Respondent from all pari-mutuel and slot machine facilities in the state.

Section 550.0251(6), Florida Statutes, provides that "[t]he commission may exclude from any pari-mutuel facility within this state any person who has been ejected from a pari-mutuel facility in this state […]"

Further, section 551.112 provides that "[t]he commission may exclude from any facility of a slot machine licensee any person who has been ejected from a facility of a slot machine licensee in this state […]"

Therefore, Respondent's exclusion from The Big Easy Casino, a pari-mutuel and slot machine facility in this state, subjects him to permanent exclusion from all pari-mutuel and slot machine facilities in this state.

Staff Recommendation: The Commission should enter a final order permanently excluding the Respondent, James Lee Whitley Jr, from all pari-mutuel and slot machine facilities in the state of Florida.

Summary:

144 - 831 FEDERAL HIGHWAY ACQUISITION, LLC - 550.0251(6) - On Thursday, May 8, 2025, at approximately 8:49 am, Security Shift Manager Tammy McArthur, received a cell phone call from the outside Security Rover Terri Lopez, advising that Player's Club Supervisor Christal Weathers provided information regarding a pending lifetime ejection candidate that was on property. Weathers provided a detailed description of the individual, identified as Christian Smith, Player's club #447813, and AKA James Whitley, Player's club # 455132. Lopez approached and advised Smith/Whitely of the lifetime ban as per the Executive Management. According to the Compliance Department, Smith/Whitely was using two different Florida identifications and Social Security numbers to obtain his Player's club accounts. Smith/Whitely was advised if he returned, the Police will be called, and he would be trespassed. It is believed that his true identity is James Whitely. A player's club card with the name Deborah Whitely was also used by Smith/Whitely and found in his possession. Due to his deceptive scheme of using multiple Florida Driver's license and Social Security numbers to obtain multiple Player's club accounts, he is a candidate for exclusion from all pari-mutuel facilities in Florida.

CONTINUATION

On May 28, 2025, I responded to the Big Easy Casino and obtained the Security Report for the incident that occurred on May 8, 2025, (**EXHIBIT #1).** I met with Director of Security Clinton Fogarty, who verified the information contained in the Security Report and confirmed that the Compliance Department flagged an individual named James Lee Whitley Jr. aka Christian Smith when it was determined that he presented a Florida identification and Driver's License with different names to obtain different Player's Club accounts.

I also spoke to Player's Club Operations Manager, Shawn Dawes, who advised that he was aware of the suspicious activity in the past involving **WHITLEY**. Dawes further advised when he questioned **WHITLEY** regarding his multiple forms of identification, **WHITLEY** responded that he "worked for the Government" and was given permission to use different names and identification. **WHITLEY** also told Dawes that he was given permission to use a Player's Club card belonging to another patron.

I then spoke to the Director of Compliance, Michael Francisco, who provided a printout of the gaming history of **WHITLEY** and his alias Smith. Francisco reviewed the data and discovered the issue. Francisco also identified **WHITLEY** playing the free play for both accounts. Based on information provided by Francisco, the following was determined:

WHITLEY provided a Florida Driver License #[redacted], with the name Christian Smith on April 14, 2023, to obtain his first Player's Club Card #447813 **(EXHIBIT #4).**

WHITLEY subsequently provided a Florida Identification Card #[redacted] with the name James Lee Whitley to obtain his second Players Club Card #455132 on May 1, 2025 **(EXHIBIT #2).**

WHITLEY also used a Player's Club Card in the name of Deborah Whitley, who is believed to be his mother **(EXHIBIT #7).**

The address used on the Driver's license for Smith, **(EXHIBIT # 4),** is a UPS store in Hollywood, Florida. I contacted the location and no employee by the name of **WHITLEY** nor Smith were employed there. Information concerning renters of mailboxes at the location can only be obtained with a warrant. Another address was also found for **WHITLEY**, 227 NE 2nd Street # 2 Miami, Fl. 33132. An Accurint check was conducted on the address which shows an apartment was registered to a James Whitley from February 2012 to March 2025. It is unknown if the listed resident is James Lee Whitley Jr. or even another relative **(EXHIBIT #6).** The Big Easy Casino did not report **WHITLEY'S** actions to law enforcement.

Conclusion: Due to his deceptive scheme of using multiple forms of identification to obtain multiple Player's Club accounts, **WHITLEY** has received a lifetime exclusion from the Big Easy.

Status: Case closed by Investigations and forwarded to Legal for review.

Part V Suspicious Activity Information - Narrative*

On May 5, 2025 casino guest James L. Whitley, AKA, Christian Smith approached the players club and asked to speak with a supervisor.

When players club supervisor Shawn spoke with Mr. Whitley has was complaining about his free play, and that it had been played on his account by another guest.

Mr. Whitley then proceeded to produce three players club cards, for three different accounts. The first card was for his moth Deborah Whitley (PID 439188) who he said allows him to play her free play from time to time. Shawn explained that this was not allowed and continued to assist the guest.

Mr. Whitley then produced two additional players club cards with different names, (James L. Whitley Jr.) and (Christian Smith), he also produced two Florida ID's (One State ID - Christian Smith, and one DL - James L. Whitley Jr.).

Shawn, then not knowing how to proceed explained that he would have to take the guests concerns to his superiors and have them investigate before any free play could be added back to his account.

Once the investigation was done it was determined that Mr. Whitley was the one who was playing the free play for both of his accounts.

Due to this guest having two accounts, two separate ID's, and two separate Social Security Numbers for those accounts it was determined that this guest be issued a lifetime ejection from our facility.

MEMORANDUM

To:	The Florida Gaming Control Commission
From:	Division of Pari-Mutuel Wagering
Through:	Joseph Call, Senior Attorney
Re:	FGCC v. Kambrel Rashaad Tarver Case No. 2025-043736, Default Final Order
Date:	September 3, 2025

Executive Summary

The Division of Pari-Mutuel Wagering ("the Division") seeks the permanent exclusion of Kambrel Rashaad Tarver ("Respondent") from all pari-mutuel and slot machine facilities in the state of Florida. Respondent failed to respond to the administrative complaint and thereby waived his right to request a hearing contesting this matter. The Florida Gaming Control Commission should enter a final order permanently excluding Respondent from all pari-mutuel and slot machine facilities in the state of Florida.

Relevant Facts

On March 25, 2025, Respondent was a patron of Dania Entertainment Center, LLC d/b/a Dania Jai-Alai and/or The Casino @ Dania Beach.[1] On March 25, 2025, Respondent was permanently excluded from The Casino @ Dania Beach.[2]

Based on Respondent's exclusion from The Casino @ Dania Beach, the Division filed an administrative complaint on July 8, 2025, seeking his exclusion from all pari-mutuel facilities and slot machine facilities in the state of Florida. The election of rights accompanying the administrative complaint made it clear that the Respondent had 21 days[3] to file a written response to the administrative complaint. The Respondent was served on July 18, 2025. Respondent had until August 8, 2025, to respond, and did not do so.

---

[1] The Casino @ Dania Beach is operated by a permitholder authorized to conduct pari-mutuel wagering, slot facilities, and cardroom operations in the state of Florida.

[2] Pari-mutuel permitholders and slot machine licensees have the right to exclude patrons. §§ 550.0251(6); 551.112, Fla. Stat..

[3] *See* Fla. Admin. Code R. 28-106.111(4) ("Any person who receives written notice of an agency decision and who fails to file a written request for a hearing within 21 days waives the right to request a hearing on such matters.")

Analysis

Florida law allows for the exclusion of Respondent from all pari-mutuel and slot machine facilities in the state.

Section 550.0251(6), Florida Statutes, provides that "[t]he commission may exclude from any pari-mutuel facility within this state any person who has been ejected from a pari-mutuel facility in this state […]"

Further, section 551.112 provides that "[t]he commission may exclude from any facility of a slot machine licensee any person who has been ejected from a facility of a slot machine licensee in this state […]"

Therefore, Respondent's exclusion from The Casino @ Dania Beach, a pari-mutuel and slot machine facility in this state, subjects him to permanent exclusion from all pari-mutuel and slot machine facilities in this state.

Staff Recommendation: The Commission should enter a final order permanently excluding the Respondent, Kambrel Rashaad Tarver from all pari-mutuel and slot machine facilities in the state of Florida.

Upon BSO's arrival while making contact with **TARVER** and his associates in the parking lot in a blue pickup truck, **TARVER** pushed one of his associates from the driver's seat of the vehicle and fled the scene driving recklessly. He was later arrested and charged in the incident.

CONTINUATION

On March 31, 2025, upon receiving information on a law enforcement involved incident at DBC, I responded to the Security Office and met with Director of Security, Richard Lackey who advised the following:

On Tuesday, March 25, 2025, DBC Security observed a black male, later identified as Kambrel **TARVER,** who was accompanied by a white female, later identified as Heaven Siegel, and two white males, later identified as Yi-Am Saroza and Maurizo Saviotti, on the gaming floor and Player's club area. Security then observed **TARVER** and Siegel arguing at which time Security intervened and asked the group for identification. **TARVER** became aggressive and refused to comply with their request. Security advised it was policy to ask patrons for identification at which time **TARVER** stated, "suck my dick". **TARVER'S** hostile exchange with Security prompted them to request a Security Manager for assistance.

Lackey also advised the female (Siegel) had asked Security for assistance previously due to **TARVER'S** behavior. There is surveillance footage of **TARVER** and Siegel in the Player's Club area where **TARVER** is seen grabbing Siegel and thrusting her onto the service desk **(EXHIBIT # 2).**

Jean Maxineau, the Security Manager, responded to the area and once again asked **TARVER** and his associates for identification and they refused. He then told the group they would have to leave if they did not comply with facility rules and that he would contact BSO if they did not leave. The patrons continued to be difficult; however, they exited the facility but remained outside in the parking lot. Maxineau contacted BSO and when the deputies arrived, Maxineau advised which individuals he wanted trespass warnings issued to from the property. BSO observed the individuals in the parking lot of the casino in a blue pickup truck.

At that time, the Deputies (James Morejon- 19672 and Saen Reyka -16748) then contacted the occupants of the blue pickup truck. In the driver`s seat of the pickup truck was Yi-am Saroza, who provided his Florida driver`s license. In the rear passenger seat was Maurizio Saviotti, who provided a Canadian Passport as a form of identification. Also on the scene, Deputes, Joseph Mora- 21339, Shannon Spence -19400 and Cesar Gonzalez -17260

When a Deputy asked the front passenger (**TARVER)** for ID, **TARVER** falsely provided the name of "Travis Stovell". The deputies were not able to identify the name "Stovell" therefore, they approached **TARVER** again to see if the information he gave was correct. **TARVER** then provided a social security number that also could not be verified. The deputy walked back to his vehicle to run **TARVERS** information again.

A struggle then ensued in the vehicle as **TARVER** forcefully pushed Saroza out of the driver's seat and jumped in the truck behind the wheel. **TARVER** then placed the vehicle in reverse and drove backward while Saroza was still holding on to the steering wheel with half his body inside the vehicle and half outside the vehicle, placing Saroza in imminent danger of great bodily harm or death. **TARVER** then placed the vehicle into drive and recklessly accelerated the vehicle forward running over multiple parking curb blocks. At that point, Saroza fell out of the moving vehicle, sustaining numerous injuries that would require medical treatment and hospitalization.

TARVER then continued to drive recklessly through the parking lot of the casino before exiting, placing BSO deputies, DBC employees and patrons in danger. The entire incident in the parking lot is captured on surveillance cameras **(EXHIBIT #2).**

TARVER also caused two vehicle crashes as he was fleeing from the deputies outside of the facility property. The deputies pursued **TARVER,** for a short distance, however, due to public safety the chase was terminated.

CONTINUATION

Saroza was transported by Broward Sheriff`s Office Fire Rescue to Broward Health Medical Center to be treated for his injuries. Saroza sustained multiple cuts and scrapes on his arms, legs, and face from the incident, requiring emergency treatment**. TARVER** clearly and intentionally caused these injuries via his actions, and they were unwanted, as displayed by Saroza fighting with him to gain control of the vehicle until he fell from the vehicle. At that time, the positive identification of **TARVER** was unknown, and Saroza refused to provide any information on **TARVER**. Deputy Robert Spence (CCN 21339) conducted a Sworn taped statement from Saroza while at the hospital.

This Investigator received a copy of the Security Report and incident surveillance video from DBC which captured the incident both inside and outside of the facility. The surveillance footage was uploaded into the Llama file and marked as evidence. The Property Receipt is assigned as (**EXHIBIT # 2).**

On March 27, 2025, BSO Robbery Detective R. Pence was assigned the case for follow up investigation.

On June 10, 2025, I received a copy of Detective Pence' Supplemental Report from the BSO Records Section, Lisa Ehrhart **(EXHIBIT # 3 Pgs. 14-15).**

According to the Supplemental Report, on March 28, 2025, Detective Pence met with Deputy S. Reyka who advised he positively identified the subject upon reviewing the body worn camera footage. Deputy Reyka had prior contact and extensive surveillance involving **TARVER** due to his known narcotics dealings and criminal history.

On March 28, 2025, Detective Pence met with DBC Security Manager Maxineau and conducted a double-blind photo array. Maxineau identified **TARVER** with 80% certainty. Maxineau also provided a sworn statement detailing the events on the day of the incident.

Detective Pence then prepared a not in custody Probable Cause Affidavit charging **TARVER** with Fleeing and Eluding Police, and False Identification Given to Law Enforcement Officer.

On April 5, 2025, **TARVER** was arrested in Miami-Dade County, for an unrelated Grand Theft Vehicle and Resisting an Officer Without Violence Charge. **TARVER** is currently in custody, while awaiting extradition to Broward County for the outstanding charges related to his actions at DCB. Detective Pence has not been able to contact any of the other involved associates of **TARVER** from the incident at DBC including Saroza. As per the Comprehensive Case Information System (CCIS) **TARVER** has an extensive criminal history dating back to 2008 which includes convictions for Child Neglect, Grand Theft, Burglary and various narcotics charges **(EXHIBIT # 5).**

Conclusion: After a DBC management review of the incident and the criminal conduct of **TARVER,** he has been permanently excluded from the facility. Due to the violent nature of the incident, it is recommended that **TARVER** be considered for Statewide exclusion.

Status: Case closed by Investigations and forwarded to Legal for review.

On Tuesday, March 25, 2025 at approximately 11:23 am B.S.O. were called for a patron disorderly on the casino floor. After minutes of questioning the unknown black male jump in the driver side and maneuvered a reverse traction with the car and then go forward, while dragging another occupant. The hijacked car sped off property at high-rate speed followed by several sheriff deputy cars. The victim and owner of the hijacked car sustained bruise and lacerations on his elbow, his knees, several cut on his head and pain on his lower back and legs. After minutes of convincing, BSO deputies requested paramedic to assess the white male patron who refused to cooperate and provide any name or information to them. NARRATIVE

PAGE # 4

On 03/25/2025 at approximately 1122 hours I was dispatched to 301 E Dania Beach Blvd, Dania Beach FL 33004 in reference to a disturbance.

Upon arrival I met with the caller RP/ Jean Maxineau, the Security Manager for the casino. Maxineau advised that four guests had arrived at the casino. They were asked to provide identification, which is the policy of the casino, and one of the guests, a B/M, told the security staff to "suck my dick," and that he was not providing identification. Maxineau was called by the security staff due to this, and he responded to the lobby area. Maxineau told the B/M to leave the property, and the B/M stated to "suck my dick` and that he was not leaving. Maxineau advised that the B/M walked around the casino and was sitting inside for around five minutes before exiting the casino to the parking lot.

Maxineau advised that the people he wanted trespassed from the property were in the parking lot of the casino in a blue pickup truck. At that time, I contacted the occupants of the blue pickup truck. In the driver`s seat of the pickup truck was VI/ Yi-am Saroza, who provided me with his Florida driver`s license. In the rear passenger seat was IO/ Maurizio Saviotti, who provided me with his Canadian Passport as a form of identification. The front passenger provided me with the name of Travis Stovell DOB [redacted] I was not able to identify Stovell and approached him again to see if the information he gave me was correct. At that time Stovell provided me with a different social security number than the one that he initially gave me. As I walked back to my patrol vehicle to see if I could identify the passenger for my trespassing after warning investigation, I witnessed the passenger, "Travis Stovell," jump into the driver`s seat of the vehicle and begin to remove Saroza from the vehicle forcefully. I could see Saroza struggling with Stovell in an apparent attempt to not let him take the vehicle. Stovell placed the vehicle in reverse and drove backward while Saroza was still holding on to the steering wheel with half his body inside the vehicle and half outside the vehicle, placing Saroza in imminent danger of great bodily harm or death. Stovell then placed the vehicle into drive and recklessly/aggressively accelerated the vehicle forward over multiple parking stops. At this point, it appeared that Saroza fell out of the moving vehicle, sustaining numerous injuries that would require hospitalization. The suspect then continued to drive recklessly through the parking lot of the casino before exiting it via the west side exit onto Fronton Blvd turning right to head northbound.

I activated my emergency lights and sirens and pursued the vehicle at the time believing a robbery-carjacking had occurred. While pursuing the vehicle, the suspect`s vehicle hit a vehicle (Silver Mercedes SUV) at Fronton Blvd/ NE 2nd St, see Deputy C. Gonzalez CCN 20238 crash supplement for further. The driver of the Mercedes did not sustain any injuries. The suspect then continued westbound on NE 2nd St, and crossed over N Federal Hwy. During the pursuit, deputies on the scene with the victim advised over the radio that the victim did not want to prosecute for the carjacking, which I believe had occurred at the time. At this time, OIC/Sgt. Davis terminated the pursuit. I then disengaged from the pursuit. Deputies lost visual of the suspect vehicle Southbound on SW 1st Ct from Stirling Rd.

I was later notified that the suspect vehicle had been located abandoned in the City of Hollywood in front of 1501 Liberty St with the keys left inside the ignition. The vehicle was towed by Mac`s Towing. Deputies were able to obtain video footage of a neighbor in the area showing a W/M and B/M entering his yard. See Deputy Contreras`s CCN 18244 supplements for further information.

VI/ Yi-am Saroza was transported by Broward Sheriff's Office Fire Rescue, run number 1911, to Broward Health Medical Center to be treated for his injuries. Saroza sustained multiple cuts and scrapes on his arms, legs, and face from the incident, requiring emergency treatment. The subject clearly and intentionally caused these injuries via his actions, and they were unwanted, as displayed by Saroza fighting with him to gain control of the vehicle until he jumped from the vehicle to prevent himself from further injury. As such, the unknown B/M intentionally deprived Saroza of the motor vehicle, a blue Toyota Tundra bearing FL Tag# [redacted] and during the course of the taking, he used force and violence, fighting with Saroza ultimately causing him to jump from his vehicle, causing his hospitalization. Deputy Spence CCN 21339 conducted a Sworn taped statement from Saroza while at the hospital.

See Deputy Spence supplement for further. During the taped statement, Saroza advised that he did not want to prosecute in reference to the robbery-carjacking that I witnessed and would not identify the subject. After reviewing the Sworn Taped Statement, Saroza advised that he jumped out of the vehicle because at the time, he believed that the suspect was not going to stop the vehicle and he would be killed. Deputy Spence photographed Saroza`s injuries and uploaded them to evidence.com.

At this time, I am not able to identify the B/M "Travis Stovell" as it is apparent that the B/M provided me with a false name. As the suspect has not been identified, I did not have the victim complete a waiver of prosecution per BSO policy.

I did not charge the victim/ involved others for trespassing after warning at this time due to the ongoing investigation into the subsequent violent felony.

Sgt Davis CCN 11876 responded to the scene and was notified of the investigation.

BWC Activated.

On 03/25/2025 at approximately 1122 hours I responded to 301 E Dania Beach Blvd, Dania Beach, FL as an assisting officer for a disturbance.

Dep. Morejon CCN: 19672 was the primary officer who made contact with a parked blue pickup truck and its occupants. As I approached Dep. Morejon, I could hear tires screeching from behind me and subsequently spotted a blue pickup truck reversing from where it was initially parked. Said vehicle appeared to have a struggle taking place presently in the driver seat area. Myself and Dep. Morejon approached the vehicle and gave commands to have the vehicle halt; however, the vehicle was observed to begin accelerating at a high rate of speed through the parking lot of the Dania Casino and go over several parking blocks. I observed a white male plunge from the driver side footwell area of the vehicle and fall to the ground. At the time it was unknown to me that there was a passenger seated in the front passenger seat and that because of said passenger the white male had plunged out of the vehicle following a struggle to take control of the steering wheel. I placed a BOLO for the vehicle with the information I was able to observe and the vehicle`s direction of travel.

BWC was activated.

On March 25, 2025, at approximately 1122 hours, I responded to 301 E Dania Beach Blvd, Florida 33004 regarding a victim who was struck by a blue pickup truck.

When I observed the suspect vehicle, I was the second vehicle in the pursuit. I put out a BOLO of the blue truck bearing FL tag ([redacted]), traveling west at a high rate of speed on Fronton Boulevard and NE 2nd Street. At which point I activated my emergency lights and sirens and followed the vehicle based on information provided by deputies on the scene regarding a possible forcible felony. As the vehicle fled, I did not observe the suspect crash into another vehicle. The vehicle was last seen heading southbound on SW 1st Court and Stirling Road. Once the pursuit was terminated by the on-duty Sergeant, L. Davis. I deactivated my emergency lights and sirens and disengaged from following the vehicle.

I then responded to Broward Health Medical Center to speak with the victim, Yian Saroza [redacted] who agreed to provide a recorded sworn statement regarding the incident. The victim stated that he knew the suspect by first name only as "Yason" but declined to press charges.

Under sworn taped statement Saroza stated the following:

Saroza stated that after the suspect, "Yason," became upset with the deputies for attempting to identify him, Saroza stated that he did not give the suspect permission to take his vehicle but that the suspect forced his way into the driver`s seat in an attempt to flee. Saroza reported that he and the suspect struggled over the ignition, shifting the vehicle between park and reverse. The suspect eventually gained control of the vehicle and accelerated at a high rate of speed, at which point Saroza stated he jumped out, fearing he would be considered involved with the crime. Despite sustaining injuries and not giving "Yason" permission to operate the vehicle, Saroza stated that he did not wish to press charges against the suspect.

When asked about the suspect`s residence, Saroza stated that he did not know the exact address but mentioned that the suspect is frequently at a motel located near Washington Street and US 1 in Hollywood, Florida 33020.

BWC was activated.

On 03/25/25 around 1400 hours, I observed video footage of a subject involved in this case. I immediately recognized the subject, a black male, as Kambrel Tarve[redacted] During the months of January through March, I conducted surveillance on two hotels on S Federal Hwy in the City of Dania Beach due to them having a nexus to street-level sales of narcotics in the city. During that time, I observed Kambrel near at minimum 30-40 times, normally riding a blue bicycle, sometimes with a red hoodie. He would travel up and down Federal Hwy and would be found at one of the two hotels or in between. I went out with him 2-3 times during this timeframe and was able to identify him as Kambrel Tarver. While I made no arrest, I did run him through law enforcement databases to assist in my investigation of the ongoing issues at these two hotels. I found that he had an extensive history that included possession with intent to sell different narcotics and fleeing and eluding police. I am very familiar with Kambrel via this investigation and numerous contacts, and he is the black male in the BWC and surveillance video footage I observed.

Deputies activated the emergency lights and sirens of their marked Broward Sheriff's Office patrol vehicles and initiated a pursuit. During the pursuit, the defendant collided with a 2013 silver Mercedes SUV, causing minor damage and no reported injuries. The defendant continued to flee with wanton disregard for the safety of persons and property until the pursuit was ultimately terminated.
The victim sustained injuries to his arms, legs, and face, requiring emergency medical treatment and was transported to the hospital by Fire Rescue. While at the hospital, the victim provided a sworn, recorded statement to deputies, indicating that he did not wish to pursue prosecution.

MEMORANDUM

To:	The Florida Gaming Control Commission
From:	Division of Pari-Mutuel Wagering
Through:	Joseph Call, Senior Attorney
Re:	FGCC v. Gustavo Adolfo Zavarce
	Case No. 2025-049563; Default Final Order
Date:	August 28, 2025

Executive Summary

The Division of Pari-Mutuel Wagering seeks the suspension of the pari-mutuel professional individual occupational license of Gustavo Adolfo Zavarce ("Respondent"). By failing to respond to the administrative complaint, Respondent waived his right to request a hearing contesting the Division's decision. Therefore, the Florida Gaming Control Commission should enter a final order suspending Respondent's pari-mutuel professional individual occupational license until the Commission receives confirmation that the financial obligation has been satisfied.

Relevant Facts

On June 19, 2025, a default final judgment of $8,427.98 was entered against Respondent for unpaid financial obligations regarding veterinary services in the County Court of the Seventeenth Judicial Circuit in and for Broward County, Florida in case number COCE-25-030693. These unpaid financial obligations related to racing conducted at a pari-mutuel facility in the state of Florida.

The Division filed an administrative complaint against Respondent seeking suspension of Respondent's pari-mutuel professional individual occupational license on July 10, 2025. The election of rights accompanying the administrative complaint made it clear that the Respondent had 21 days[1] to file a written response to the administrative complaint. The Respondent was served via USPS certified mail on July 26, 2025. Respondent had until August 16, 2025, to respond, and did not do so.

[1] *See* Fla. Admin. Code R. 28-106.111(4) ("Any person who receives written notice of an agency decision and who fails to file a written request for a hearing within 21 days waives the right to request a hearing on such matters.")

Analysis

Section 550.105(7), Florida Statutes, provides, that "[t]he commission may deny, revoke, or suspend any occupational license if the applicant therefor or holder thereof accumulates unpaid obligations or defaults in obligations, or issues drafts or checks that are dishonored or for which payment is refused without reasonable cause, if such unpaid obligations, defaults, or dishonored or refused drafts or checks directly relate to the sport of jai alai or racing being conducted at a pari-mutuel facility within this state."

Respondent defaulted in the Seventeenth Circuit in obligations directly relating to racing in the state of Florida. Accordingly, Respondent's license may be suspended or revoked. Because Respondent failed to file a timely response to the properly served administrative complaint, he waived his right to request a hearing.

Staff Recommendation: The Commission should enter a final order suspending the pari-mutuel professional individual occupational license of the Respondent, Gustavo Adolfo Zavarce, until the Commission receives confirmation that the financial obligation has been satisfied.

Re: PetVet Operating LLC dba TFB Equine. v. Gustavo Zavarce
17th Judicial Circuit - State of Florida – COCE 25-030693 - $8,427.98

Ladies and Gentlemen:

On June 19, 2025 my client, PetVet Operating LLC dba TFB Equine. obtained a judgment[1] against Gustavo Zavarce, a licensee, concerning veterinary services which my client provided at a Florida pari-mutuel facility where Mr. Zavarce stabled his horses. Since obtaining that judgment, Mr. Zavarce has failed to satisfy his obligation.

Florida law states in relevant part,

"*...the commission may deny, revoke, or suspend any occupational license if the applicant therefor or holder thereof accumulates unpaid obligations or defaults on obligations, ... directly related to the sport of jai alai or racing being conducted at a pari-mutuel facility within this state.* § 550.105(7) Fla. Stat. (2023).

***"A business applicant shall be subject to denial of its initial or renewal application as outlined in Section 550.105, F.S., based on disqualifying ... civil judgments ... of the business entity or the individuals associated with that business..."* Fla. Admin. Code 75-5.001**

Mr. Zavarce holds a Pari-Mutuel Wagering Individual Occupational license issued by the State of Florida. Mr. Zavarce has accumulated unpaid obligations and has defaulted on an obligation that is directly related to the sport of racing conducted at a pari-mutuel facility.

Accordingly, my client requests that Mr. Zavarce's occupational/horse racing license be suspended or revoked, in accordance with Chapter 550.107 Fla. Stat., and Fla. Admin. Code 75-5.001

Thank you for your attention to this matter.

PETVET OPERATING, LLC
dba TFB EQUINE
Plaintiff,

SMALL CLAIMS DIVISION

vs

GUSTAVO ZAVARCE,
Defendant.
_____/

COMPLAINT

Plaintiff, PETVET OPERATING dba TFB EQUINE ("Plaintiff"), sues defendant, GUSTAVO ZAVARCE, ("Defendant") and alleges:

GENERAL ALLEGATIONS

1. This Court has subject matter jurisdiction over this dispute because this complaint seeks damages of $8,000.00 or less exclusive of interest, attorneys' fees, and costs. §34.01(2) Fla. Stat.

2. Venue is proper in the 17th Judicial Circuit, in that Plaintiff's cause of action arose in Broward County, Florida. §47.011 Fla. Stat.

3. Plaintiff is a resident of Broward County and otherwise sui juris.

4. The Court has jurisdiction over the Defendant in that Plaintiff's cause of action against Defendant arises from Defendant operating, conducting, engaging in, or carrying on a business or business venture in this state, breaching a contract in this state by failing to perform acts required by the contract to be performed in this state, and/or Defendant's substantial and not isolated activity within this state. §48.193 Fla. Stat.

5. Service is alternatively made (if applicable) via substituted service on the Secretary for the State of Florida in accordance with §48.161 Fla. Stat. or §48.181 Fla. Stat. in that Defendant(s) were residents of this state and subsequently became nonresident(s) of this state or have concealed their whereabouts.

6. Plaintiff provided veterinary services to thoroughbred racehorses owned or controlled by Defendant's, and said services were provided at Defendant's and/or at Defendant 's agent's request for Defendant's benefit.

7. Defendant's failed to pay the reasonable value of said services and remains indebted to Plaintiff in the amount of $7,042.13, plus interest since March 31, 2025. See Exhibit A.

8. Plaintiff is entitled to prevailing party attorney fees pursuant to the agreement between the parties.

COUNT I - OPEN ACCOUNT

EXHIBIT #3
PAGE #1

9. Plaintiff realleges and incorporates by reference paragraphs 1 through 8 as if fully set forth herein.

10. This is an action on an open account based upon Form 1.932 of the Florida Rules of Civil Procedure.

11. The essential elements of a claim for open account are:

    a. A series of transactions resulting in a debtor-creditor relationship;
    b. An agreement between the parties concerning the services rendered and the amount due;
    c. Defendant's' failure to pay the agreed upon amount despite demand.

12. Plaintiff provided veterinary services to thoroughbred racehorses owned or controlled by Defendant **directly related to horse racing being conducted at a pari-mutuel facility** and Defendant failed to pay the agreed-upon amount of $7,042.13, plus interest since March 31, 2025. See Exhibit A

COUNT II - UNJUST ENRICHMENT

13. Plaintiff realleges and incorporates by reference paragraphs 1 through 8 as if fully set forth herein and pleads in the alternative.

14. Plaintiff conferred a benefit upon Defendant's by providing veterinary services to thoroughbred racehorses at Defendant's' or his agent's request for Defendant's benefit.

15. Defendant's knowingly accepted and retained the benefit of these veterinary services.

16. Under the circumstances, it would be inequitable for Defendant to retain the benefit of such services without paying the reasonable value thereof.

17. As a direct and proximate result of Defendant's retention of the benefit, Plaintiff has been damaged in the amount of $7,042.13, plus interest since March 31, 2025.

WHEREFORE, Plaintiff demands judgment against Defendant's as follows:

a. On Count I (Open Account), for damages in the amount of $7,042.13, plus interest, attorney fees, and costs; or in the alternative

5. Discussion of Settlement Offers

MEMORANDUM

To:	The Florida Gaming Control Commission
From:	Division of Pari-Mutuel Wagering
Through:	Emily Alvarado, Chief Attorney
Re:	FGCC v. Bestbet St. Augustine, Inc., Case No. 2024-045025; Consent Order
Date:	August 25, 2025

Executive Summary

Bestbet St. Augustine, Inc, ("Respondent") seeks the adoption of the proposed settlement and consent order to resolve Case No. 2024-045025. Pursuant to the terms of the proposed order, the Respondent will agree to pay $500.00 to the Florida Gaming Control Commission.

Background

On September 20, 2024, a two-count administrative complaint was filed against Respondent alleging 1) a violation of rule 75-11.003(4), Florida Administrative Code, by failing to ensure the dealer button is moved around the card table in a clockwise fashion, and 2) a violation of rule 75-11.015(1), Florida Administrative Code, by failing to lock all chips which were not in play or available for play in a secure location. This facility did not have any prior violations of either of these rules. This consent order was presented at the April 10, 2025, Commission Meeting, and heard in Attorney-Client Session at the June 12, 2025, and August 6, 2025, Commission Meetings.

Analysis

Rule 75-11.003(4), Florida Administrative Code, provides "[t]he cardroom operator shall ensure that the button is moved around the card table in a clockwise fashion to provide each player equal opportunity."

Section 849.086(2)(f) defines cardroom operator as "a licensed pari-mutuel permitholder which holds a valid permit and license issued by the Florida Gaming Control Commission pursuant to chapter 550 and which also holds a valid cardroom license issued by the commission pursuant to this section which authorizes such person to operate a cardroom and to conduct authorized games in such cardroom."

Rule 75-11.015(1), Florida Administrative Code, provides "[a]ll chips and tokens not in play or which are not available for play or use that day shall be locked in a secure location."

Section 849.086(14), Florida Statutes, provides that "the commission may impose an administrative fine not to exceed $1,000 for each violation… of this section or any rules adopted pursuant thereto."

Under section 120.57(4), Florida Statutes, the Commission may resolve matters such as this case informally through a negotiated settlement. As part of settlement negotiations, Respondent is requesting that the Commission consider and agree to the proposed terms set forth in the Consent Order, whereby Respondent will agree to pay $500.00, effective from the date the Final Order is filed with the Clerk of the Commission.

The Florida Gaming Control Commission, Division of Pari-Mutuel Wagering (hereinafter the "Commission") and Bestbet St. Augustine, Inc. (hereinafter "Respondent"), each individually, a "party," and collectively as "parties," hereby agree and stipulate as follows:

WHEREAS, The Commission has jurisdiction over this matter and Respondent; and

WHEREAS, on September 20, 2024, the Commission filed a two-count administrative complaint against Respondent, alleging a violation of (1) rule 75-11.003(4), Florida Administrative Code, by failing to ensure that the button is moved around the card table in a clockwise fashion to provide each player equal opportunity and (2) rule 75-11.015(1), Florida Administrative Code, by failing to lock all chips which were not in play or available for play in a secure location (the "Administrative Complaint"); and

WHEREAS, the parties have negotiated and agreed that the best interest of all the parties will be served by a settlement of these proceedings in lieu of further litigation.

STIPULATION

NOW THEREFORE, in consideration of the mutual promises and recitals herein, the parties hereby agree and stipulate to the following:

1. All recitals herein are true and correct and are incorporated herein.

2. All parties agree that the above "whereas" clauses incorporated herein are binding findings of the parties.

3. The Commission is authorized by section 120.57, Florida Statutes, to resolve administrative proceedings by consent orders.

4. Each party has entered into the terms of this Stipulation and Consent Order voluntarily. Respondent is aware that he is entitled to the advice of counsel and has either sought the advice of counsel or, by execution of this Stipulation and Consent Order, is knowingly waiving the right to have the advice of counsel. Respondent acknowledges that the Commission has not made any promise, nor has it in any other way encouraged Respondent to enter into this Stipulation and Consent Order without the advice of counsel.

5. The parties acknowledge and agree that this Stipulation and Consent Order constitutes the final order in this case and that this Stipulation and Consent Order is enforceable under section 120.69, and chapter 550, Florida Statutes, as final agency action.

6. Respondent, for itself and its related or resulting organizations, successors, transferees, attorneys, heirs, and executors or administrators, discharges the Commission and its agents, representatives, and attorneys, of and from all claims, demands, actions, causes of action, suits, damages, losses and expenses of any and every nature whatsoever, arising out of or in any way related to this matter and the Commission's actions, including, but not limited to, any claims that were or may be asserted in any federal or state court or administrative forum, including any

claims arising out of this agreement, by or on behalf of Respondent or its related or resulting organizations.

7. Each party shall bear its own costs and attorney's fees.

8. **FINE**: Respondent agrees to and shall pay to the Commission the sum **FIVE HUNDRED DOLLARS ($500.00)** at the time Respondent submits an executed copy of this Consent Order. **The payment must be in the form of a certified check, cashier's check, or money order, made payable to the Florida Gaming Control Commission, Division of Pari-Mutuel Wagering (NO PERSONAL CHECKS).**

9. Respondent must mail the executed Stipulation and Consent Order and the payment to: **The Florida Gaming Control Commission, Division of Pari-Mutuel Wagering, 4070 Esplanade Way, Tallahassee, Florida 32399-1035, Attention: Emily Alvarado.**

10. By executing this Stipulation and Consent Order, the Respondent neither admits nor denies the facts and legal conclusions raised in the Administrative Complaint, and the Commission continues to assert the validity thereof. Nothing in this Stipulation and Consent Order shall be deemed to preclude the Commission from imposing a penalty against Respondent for any future act(s) or omission(s) constituting either a violation of Florida law or the Florida Administrative Code.

11. The parties acknowledge and agree that this Stipulation and Consent Order is subject to the approval of the Commission. The Stipulation and Consent Order will have no force or effect unless and until the Commission files a Final Order adopting this Stipulation and Consent Order. Should this Stipulation and Consent Order be rejected, no statement made in furtherance thereof by Respondent may be used as direct evidence against Respondent in any proceeding.

12. Upon the Commission's adoption of this Stipulation and Consent Order, Respondent agrees to waive any and all appeals and proceedings relating to these proceedings to which it may be entitled, including, but not limited to, an informal proceeding under section 120.57(2), Florida Statutes; a formal proceeding under section 120.57(1), Florida Statutes; appeals under section 120.68, Florida Statutes; and declaratory and all writs of relief in any court or quasi-court of competent jurisdiction; and agrees to waive compliance with the form of the Final Order (findings of fact and conclusions of law) to which it may be entitled, provided, however, that this agreement shall not be deemed a waiver by either party of its right to judicial enforcement of the Stipulation and Consent Order.

13. Venue for any action brought to interpret, enforce, or challenge the terms of this Stipulation and Consent Order and its corresponding Final Order shall lie solely in the Circuit Court of Florida, in and for Leon County, Florida.

14. This Stipulation and Consent Order is executed by the parties for the purpose of avoiding further administrative action with respect to the matters addressed herein. In this regard, Respondent authorizes the Commission to review and examine all materials concerning Respondent, prior to or in conjunction with consideration of this Stipulation and Consent Order. Should the Commission not accept this Stipulation and Consent Order, it is agreed that presentation to and consideration of this Stipulation and Consent Order and other documents and matters by the Commission shall not unfairly or illegally prejudice the Commission from further participation, consideration, or resolution of these proceedings.

15. This Stipulation and Consent Order may be signed in counterparts, and copies shall be treated as original.

16. This Stipulation and Consent Order is binding upon all parties.

17. The parties agree that this serves as notice that the signed Stipulation and Consent Order will be placed on the next available Commission meeting. If Respondent would like to attend, Respondent is responsible for checking the Florida Gaming Control Commission website at https://flgaming.gov for the meeting materials, agenda, and contact information.

18. Respondent authorizes the Commission to correct any typographical errors or make any non-material changes to this Stipulation and Consent Order after it is signed.

Hi Emily,

I am confirming with the client but I believe we will want to counter offer with the following change to the first sentence of paragraph 11:

"By executing this Stipulation and Consent Order, the Respondent neither admits nor denies ~~to~~ the facts and legal conclusions raised in the Administrative Complaint, and the Commission continues to assert the validity thereof."

The basis for this request is that this is standard language in settlement agreements/consent orders, including past consent orders with the Commission and its predecessor, and encourages the parties to reach an amicable resolution, ultimately saving the parties' time and resources.

I hope to be able to confirm with the client shortly.

Thanks,

Re: FGCC v. bestbet St. Augustine, Inc.
Case No. 2024-045025

Dear Ms. Alvarado:

This correspondence is provided on behalf of bestbet St. Augustine, Inc. ("bestbet") for the purpose of conveying an offer to resolve case number 2024-045025. This case involves a two-count administrative complaint alleging bestbet violated 1) rule 75-11.003(4), Florida Administrative Code, by failing to ensure the dealer button is moved around the card table in a clockwise fashion, and 2) a violation of rule 75-11.015(1), Florida Administrative Code, by failing to lock all chips which were not in play or available for play in a secure location.

On February 11, 2025, bestbet signed a consent order seeking to resolve the case for a fine of $500 ($250 per count). The signed consent order was placed on the agenda of the Florida Gaming Control Commission's (the "Commission's") April 2025 meeting. There was a second case on the April 2025 meeting agenda involving the charge of failing to lock chips which were not in play in a secure location (case number 2024-058077). The signed consent order in that case sought to resolve the charge for a written warning. The Commission approved the consent order issuing a written warning. Based on the discrepancy between the proposed resolutions of the same charge ($250 fine for one and written warning for the other), the Commission tabled the bestbet consent order.

Based on the Commission's approval of a written warning at the April 2025 meeting, bestbet seeks to resolve this case as follows:

1. $250 fine for the alleged violation of rule 75-11.003(4), Florida Administrative Code, by failing to ensure the dealer button is moved around the card table.
2. Written warning for the alleged violation of rule 75-11.015(1), Florida Administrative Code, by failing to lock chips which were not in play in a secure location.

We believe a written warning is warranted for the following reasons:

1. bestbet has no prior violations of rule 75-11.015(1).
2. The chips at issue, although not locked in a vault or cage, were in a secure room only

accessible to badged and licensed cardroom employees.

3. No chips were lost or stolen.
4. bestbet has counseled its employees on the importance of strictly adhering to the requirements of rule 75-11.015(1).
5. A written warning is consistent with the Commission's recent resolution of this charge.

Based on the above, we respectfully ask the Commission to approve a consent order resolving this case for a $250 fine and written warning.

As always, thank you for your time and cooperation and we look forward to resolving this matter. Please let me know if you have any questions or need any additional information.

Sincerely,

T.J. Morton

The Stipulation and Consent Order will have no force or effect unless and until the Commission files a Final Order adopting this Stipulation and Consent Order. CONTINUATION

On July 15, 2024, during a regular bi-weekly cardroom inspection at St. Augustine Best Bet, I discovered that Poker Room Dealer, Devin Rochford (PMW LIC# 10707012) did not follow proper Card-Play procedure. Specifically, he neglected to ensure that the “Button” was moved around the card table in a clockwise fashion to provide each player an equal opportunity. The **"Button"** is a circular object moved clockwise around a poker table to denote the assigned dealer for each hand.

Furthermore, while continuing my inspection alongside Investigations Manager Derek Washington, we found two unattended imprest trays full of chips in the dealer's breakroom that were not secured in the provided secured chip tray lockers **(EXHIBIT #3).**

A careful review of surveillance video evidence from July 15, 2024, obtained from **ST. AUGUSTINE BEST BET** shows Poker Dealer Rochford was assigned to table #33 from approximately 12:10 PM to 12:33 PM and failed to ensure that the “Button” was moved around the card table in a clockwise fashion to provide each player equal opportunity.

ST. AUGUSTINE BESTBET is in violation of **75-11.003(4)**, because the Dealer failed to ensure that the “Button” was moved around the card table in a clockwise fashion to provide each player equal opportunity. The facility is also in violation of **75-11.015 (1)**, for failing to have all chips and tokens not in play, or which are not available for play or use that day, locked in a secure location.

A review of Versa Regulation Enforcement database revealed **ST. AUGUSTINE BEST BET** has no prior violations of the specific rules listed. This case will be forwarded to Legal in conjunction with the related case concerning Poker Dealer Rochford.

Case Status: Investigations case closed and referred to Legal for review.

MEMORANDUM

To:	The Florida Gaming Control Commission
From:	Division of Pari-Mutuel Wagering
Through:	Emily Alvarado, Chief Attorney
Re:	FGCC v. Roberto Alvarez
	Case No. 2024-045435; Consent Orders
Date:	August 29, 2025

Executive Summary

Roberto Alvarez ("Respondent") seeks the adoption of the proposed settlement and consent order to resolve Case No. 2024-045435. Pursuant to the terms of the proposed order, the Respondent will agree to be permanently excluded from all pari-mutuel and slot machine facilities in the state of Florida.

Relevant Facts.

On July 30, 2024, Respondent was a patron of Casino Miami, LLC.[1] On October 23, 2024, Respondent was permanently excluded from Casino Miami, LLC.[2]

Based on Respondent's exclusion from Casino Miami, LLC, the Division filed an administrative complaint on January 6, 2025, seeking his exclusion from all pari-mutuel facilities and slot machine facilities in the state of Florida. This case was presented at the June 12, 2025, Commission Meeting in an Attorney-Client Session.

Relevant Law

Florida law allows for the exclusion of Respondent from all pari-mutuel and slot machine facilities in the state.

Section 550.0251(6), Florida Statutes, provides that "[t]he commission may exclude from any pari-mutuel facility within this state any person who has been ejected from a pari-mutuel facility in this state […]"

[1] Casino Miami, LLC is operated by a permitholder authorized to conduct pari-mutuel wagering, slot facilities, and cardroom operations in the state of Florida.

[2] Pari-mutuel permitholders and slot machine licensees have the right to exclude patrons. §§ 550.0251(6); 551.112, Fla. Stat..

Further, section 551.112 provides that "[t]he commission may exclude from any facility of a slot machine licensee any person who has been ejected from a facility of a slot machine licensee in this state […]"

Under section 120.57(4), Florida Statutes, the Commission may resolve matters such as this case informally through a negotiated settlement. As part of settlement negotiations, Respondent is requesting that the Commission consider and agree to the proposed terms set forth in the Consent Order, whereby Respondent will agree to be permanently excluded from all pari-mutuel and slot machine facilities in the state of Florida, effective from the date the Final Order is filed with the Clerk of the Commission.

STIPULATION AND CONSENT ORDER

The Florida Gaming Control Commission, Division of Pari-Mutuel Wagering (hereinafter the "Commission") and Roberto Alvarez (hereinafter "Respondent"), each individually, a "party," and collectively as "parties," hereby agree and stipulate as follows:

WHEREAS, the Commission has jurisdiction over this matter and Respondent; and

WHEREAS, on January 6, 2025, the Commission filed an administrative complaint against Respondent, alleging Respondent is subject to exclusion from all licensed pari-mutuel wagering facilities and any facility of a slot machine licensee in the state of Florida under sections 550.0251(6) and 551.112, Florida Statutes, based on his ejection and permanent exclusion from Casino Miami, LLC (the "Administrative Complaint"); and

WHEREAS, the parties have negotiated and agreed that the best interest of all the parties will be served by a settlement of these proceedings in lieu of further litigation.

STIPULATION

NOW THEREFORE, in consideration of the mutual promises and recitals herein, the parties hereby agree and stipulate to the following:

1. All recitals herein are true and correct and are incorporated herein.

2. All parties agree that the above "whereas" clauses incorporated herein are binding findings of the parties.

3. The Commission is authorized by section 120.57, Florida Statutes, to resolve administrative proceedings by consent orders.

4. Each party has entered into the terms of this Stipulation and Consent Order voluntarily. Respondent is aware that it is entitled to the advice of counsel and has either sought the advice of counsel or, by execution of this Stipulation and Consent Order, is knowingly waiving the right to have the advice of counsel. Respondent acknowledges that the Commission has not made any promise, nor has it in any other way encouraged Respondent to enter into this Stipulation and Consent Order without the advice of counsel.

5. The parties acknowledge and agree that this Stipulation and Consent Order, if adopted by the Commission, constitutes the final order in this case, and that this Stipulation and Consent Order is enforceable under section 120.69 and chapter 550, Florida Statutes, as final agency action.

6. Respondent, for itself and its related or resulting organizations, successors, transferees, attorneys, heirs, and executors or administrators, discharges the Commission and its agents, representatives, and attorneys, of and from all claims, demands, actions, causes of action, suits, damages, losses and expenses of any and every nature whatsoever, arising out of or in any way related to this matter and the Commission's actions, including, but not limited to, any claims that were or may be asserted in any federal or state court or administrative forum, including any claims arising out of this agreement, by or on behalf of Respondent or its related or resulting organizations.

7. Each party shall bear its own costs and attorney's fees.

8. The parties acknowledge and agree that Respondent will be **PERMANENTLY EXCLUDED** from all pari-mutuel facilities and any facility of a slot machine licensee in the state of Florida.

9. Respondent must mail the executed Stipulation and Consent Order to: **the Florida Gaming Control Commission, Division of Pari-Mutuel Wagering, 4070 Esplanade Way, Tallahassee, Florida 32399-1035, Attention: Justin Hundersmarck**

10. By executing this Stipulation and Consent Order, the Respondent admits to the facts and legal conclusions raised in the Administrative Complaint, and the Commission continues to assert the validity thereof. Nothing in this Stipulation and Consent Order shall be deemed to preclude the Commission from imposing a penalty against Respondent for any future act(s) or omission(s) constituting either a violation of Florida law or the Florida Administrative Code, and this Consent Order may be considered as aggravation of any future proceedings involving Respondent.

11. The parties acknowledge and agree that this Stipulation and Consent Order is subject to the approval of the Commission. The Stipulation and Consent Order will have no force or effect unless and until the Commission files a Final Order adopting this Stipulation and Consent Order. Should this Stipulation and Consent Order be rejected, no statement made in furtherance thereof by Respondent may be used as direct evidence against Respondent in any proceeding.

12. Upon the Commission's adoption of this Stipulation and Consent Order, Respondent agrees to waive any and all appeals and proceedings relating to these proceedings to which it may be entitled, including, but not limited to, an informal proceeding under section 120.57(2), Florida Statutes; a formal proceeding under section 120.57(1), Florida Statutes; appeals

under section 120.68, Florida Statutes; and declaratory and all writs of relief in any court or quasi-court of competent jurisdiction; and agrees to waive compliance with the form of the Final Order (findings of fact and conclusions of law) to which it may be entitled, provided, however, that this agreement shall not be deemed a waiver by either party of its right to judicial enforcement of the Stipulation and Consent Order.

13. Venue for any action brought to interpret, enforce, or challenge the terms of this Stipulation and Consent Order and its corresponding Final Order shall lie solely in the Second Circuit Court of Florida, in and for Leon County, Florida.

14. This Stipulation and Consent Order is executed by the parties for the purpose of avoiding further administrative action with respect to the matters addressed herein. In this regard, Respondent authorizes the Commission to review and examine all materials concerning Respondent, prior to or in conjunction with consideration of this Stipulation and Consent Order. Should the Commission not accept this Stipulation and Consent Order, it is agreed that presentation to and consideration of this Stipulation and Consent Order and other documents and matters by the Commission shall not unfairly or illegally prejudice the Commission from further participation, consideration, or resolution of these proceedings.

15. This Stipulation and Consent Order may be signed in counterparts, and copies shall be treated as original.

16. This Stipulation and Consent Order is binding upon all parties.

17. The parties agree that this serves as notice that the signed Stipulation and Consent Order will be placed on the next available Commission meeting. If Respondent would like to attend, Respondent is responsible for checking the Florida Gaming Control Commission website

at https://flgaming.gov for the meeting materials, agenda, and contact information. Respondent is not required to attend the Commission meeting.

18. Respondent authorizes the Commission to correct any typographical errors or make any non-material changes to this Stipulation and Consent Order after it is signed.

[Signature pages to follow]

Respondent, ROBERTO ALVAREZ, requests that the Commission enter a Final Order approving and incorporating this Stipulation and Consent Order in resolution of this matter.

Signed this 27 day of August, 2025.

Just sent the email request. I also wanted to see if they would also want to consider permanent exclusion from the specific casino where the incident occurred and not the other casinos if they were not likely to accept the previous settlement offer of a temporary exclusion.

Thank you,

Hi Alfredo,

I understand you would like to settle on a temporary exclusion. However, your client still needs to decide whether to have the hearing. I do not have the power to accept the settlement offer without it being approved by a vote at a Commission meeting.

One choice would be to go forward with the hearing, and present your request for that result to the hearing officer. The hearing officer would develop a recommended order which may or may not be the result you seek. That recommended order would be presented to the Commission. You and/or Mr. Alvarez could then speak via phone or in person at the meeting on June 12th, 9:30am in Tallahassee if you would like, but you are not required to. Since you have previously requested the hearing and it is already scheduled, the hearing officer will call you on Wednesday to ask if you want to proceed, unless you inform us ahead of time that you do not want the hearing.

Another choice would be to cancel your hearing, in which case staff will present your offer to the Commission for their consideration, and you and/or Mr. Alvarez would have the ability to call in on the phone and be heard or appear in person in Tallahassee on the meeting.

Thank you and please let me know,

2. At all times material hereto, Respondent's address was reported as 3370 Northwest 34th Street, Apt #72, Miami, Florida, 33142.

3. At all times material hereto, Casino Miami, LLC. was a facility operated by a permitholder authorized by the Commission to conduct pari-mutuel wagering, cardroom operations, and slot operations in the state of Florida.

4. On or about July 30, 2024, Respondent was a patron of Casino Miami, LLC.

5. On or about October 23, 2024, Respondent was a patron of and was ejected from Casino Miami, LLC.

6. On or about November 2, 2024, Respondent was permanently excluded from Casino Miami, LLC.

> In addition to the power to exclude certain persons from any pari-mutuel facility in this state, the commission may exclude any person from any and all pari-mutuel facilities in this state for conduct that would constitute, if the person were a licensee, a violation of this chapter or the rules of the commission. The commission may exclude from any pari-mutuel facility within this state any person who has been ejected from a pari-mutuel facility in this state or who has been excluded from any pari-mutuel facility in another state by the governmental department, agency, commission, or authority exercising regulatory jurisdiction over pari-mutuel facilities in such other state.

CONTINUATION

This case is predicated on a jackpot that was called in to the Surveillance Department at 4:02 P.M., by Casino Miami Slot Attendant, Maura Godinez on July 30. 2024. On that day as per CM policy, Godinez contacted surveillance to verify a Jackpot won on slot machine IA-03-3735 that was being claimed by patron Yoel Llamazares Baez. Upon giving the description of Baez to the surveillance team, the surveillance operator advised Godinez that the actual winner of the jackpot was a different individual who was wearing a red and black jacket, later identified as Roberto **ALVAREZ**. **ALVAREZ** was paid the jackpot even though he attempted to distance himself by refusing it[1] **(Exhibits # 1 & 3).**

Given **ALVAREZ'S** prior history of having others cash his jackpots, surveillance conducted a video review of **ALVAREZ'S** actions prior to and after the jackpot was won. Video footage captured **ALVAREZ** inserting money into several of the slot machines at Slot Machine Bank IA; at times up to seven of the eight machines were occupied by **ALVAREZ** and those assisting him in the cashing of the jackpots. Immediately after inserting the money, he would enter his number combination to play. When the round (game) was over and before the next round of play commenced, **ALVAREZ** would walk around the slot bank machine entering money in each of the individual slot machines that the patrons were playing, or he would pass money around to them to enter the money into each slot machine, while instructing them to enter a specific combination of numbers to play and either he or the patrons would press the play button. In most cases, he would have the patron press the play button. This activity included Mr. Yoel Llamazares Baez **(Exhibits # 1, 3 & 8).**

Surveillance identified several individuals that participated in this incident by either entering money and or entering the number combination to be played. This included the winning and collecting of the jackpot(s) where they were seated. The following individuals were identified as participants in the incident of July 30, 2024:

- Yoel Llamazares Baez - entered money and number combinations for play. Collected jackpots both for himself and including Roberto **ALVAREZ**.
- Miguel Brito - entered money and number combinations for play. Collected and won jackpots for both **ALVAREZ** and himself.
- Felix Ferrer - entered money and number combinations for play. Collected and won jackpots for both **ALVAREZ** and himself as part of this incident.
- Johnny Valentin - entered money and number combinations for play. Collected jackpot for **ALVAREZ**.
- Mirna Guadalupe Aguilar - collected jackpot for another. Allowed Llamazares and **ALVAREZ** to collect jackpots won in her name.[2] **(Exhibit # 1)**

[1] Prior to this incident Roberto ALVAREZ won a jackpot on July 20, 2024, at the same slot machine and allowed another patron to cash the jackpot. However, when the jackpot was verified by surveillance it was learned that ALVAREZ was in fact the true winner and was forced to accept payment despite his refusal. No action was taken against Llamazares or ALVAREZ for the July 20, 2024, incident. (Exhibits # 1, 3)

[2] Slot Attendant Oswyn Paguada, on a jackpot paid by him to patron Johnny Valentin, was standing between Valentin and ALVAREZ when an exchange of jackpot monies was made between the two. Paguada had just paid the jackpot to Valentin prior to Valentin giving ALVAREZ the jackpot money.

CONTINUATION

Independent video review by this Investigator of activity/play on Slot Machine Bank IA on July 30, 2024, revealed the following:

- At 3:56:50 P.M., **ALVAREZ** is observed placing bets on slot machine IA-03. Shortly thereafter, at 3:57:56 P.M., a jackpot in the amount of $3,600.00 was won by **ALVAREZ**. Slot Attendant Godinez is seen arriving at slot machine IA-03 and begins to gather the necessary information to pay the jackpot. However, the information that she is gathering, was from another male patron who was claiming to have won the jackpot.[3] That patron who was wearing a red t-shirt and a New York Yankee baseball cap, was later identified as Yoel Llamazares Baez. Godinez appears to have been asked by surveillance to identify the winner of the jackpot. When she identified the winner as a male wearing the NY Yankee baseball cap, she was informed that the actual winner was another patron who was wearing a red and black jacket. That individual was identified as Roberto **ALVAREZ**. **ALVAREZ** was then paid the jackpot over his objections **(Exhibit # 8, Pages 2 & 3).**

- At 4:42:21 P.M., patron Mirna Guadalupe Aguilar receives money from Roberto **ALVAREZ** to insert into slot machine IA-03. At 4:45 P.M., Aguilar wins a jackpot on that machine. Verification of both the Jackpot Slip Report and the Standard Transaction Report created for that day, show Aguilar was playing with another patron's Players Club Card (CMP card number 302142 belonging to a patron named Edgardo Molina Aguilar).[4] The jackpot was in the amount of $1,800.00; she was not paid until 5:23:38 P.M.,[5] by Slot Attendant Oswyn Paguada. Immediately after, at 5:24:18 P.M., Aguilar gives the entire amount she received to **ALVAREZ**. **ALVAREZ** then gives Aguilar a small number of bills **(Exhibit # 8, Pages # 4 thru 9).**

- At 5:25:16 P.M., patron Johnny Valentin was paid a jackpot on slot machine IA-01. Slot Attendant Oswin Paguada processed the jackpot and is observed paying Valentin the jackpot money totaling $3,600.00. Valentin gives Paguada a tip and then, in the presence of Paguada, proceeds to hand **ALVAREZ** the entire proceeds of the jackpot. **ALVAREZ** then hands Valentin an indeterminate amount of money in the presence of Paguada who was standing between the two men. Video footage captures Paguada witnessing the exchange of money between the two men **(Exhibit # 8, Pages 9 thru 13).**

- At 6:18:12 P.M., Slot Attendants Jose Rivas and Maura Godinez were observed obtaining the necessary information and signatures from two patrons claiming to have won jackpots at slot machines IA-06 and IA-07. The two individuals Felix Ferrer who was seated at slot machine IA-06 and Miguel Brito sitting at slot machine IA-07 were eventually paid their individual jackpots <u>each</u> totaling $3,600.00. Immediately after being paid the jackpot, Brito hands over the entire jackpot amount to **ALVAREZ**. At 6:20:18 P.M., **ALVAREZ** is observed giving Brito a small portion of the jackpot. At 6:20:23 P.M., **ALVAREZ** is observed receiving the entire jackpot that Felix Ferrer had just been paid at which time **ALVAREZ** then gives an undetermined amount of the jackpot back to Ferrer **(Exhibit # 8, Pages 14 thru 29).**

[3] ***There is a difference between the time on the reports and the video time.***

[4] ***A check of the ID's used to open the Players Club Account show that Mirna*** **Guadalupe Aguilar and Edgardo Molina Aguilar share the same home address.** ***(Exhibit # 13)*** **Case** ***to be opened against both subjects.***

[5] ***The reason for this delay in Jackpot payout is unknown.***

- At 6:20:37 P.M., patron Yoel Llamazarez Baez is observed approaching **ALVAREZ** at slot bank IA and is captured on video footage gives the entire jackpot total $3,600.00 that he had just collected at slot machine IA-04, to **ALVAREZ. ALVAREZ** then gives an undetermined amount of the jackpot back to Llamazarez Baez **(Exhibit # 8, Pages 21 & 22).**

- At 6:26:41 P.M., Miguel Brito is paid $3,600.00, by attendant Ingrid Suarez. He is immediately seen on video footage giving the entire jackpot to **ALVAREZ** who in turn, returns a portion of the jackpot back to him **(Exhibit # 8, Pages 26 thru 29).** [6]

During this investigation it was learned that after the July 20 and July 30, 2024, incidents, **ALVAREZ** returned to the casino on numerous occasions and continued to play without any consequences from the facility. On October 23, 2024, **ALVAREZ** once again returned to the casino and played on Slot Machine Bank IA.

During this visit to Casino Miami, **ALVAREZ** proceeded to win three consecutive jackpots on slot machines IA-04, IA-06 and IA-07. The jackpot won on slot machine IA-07 is documented in the Jackpot Slip Reports as being won by another patron by the name of Carlos Gando. Although the jackpot Slip Report shows that the jackpot won on slot machine IA-07 was won by Carlos Gando, video footage confirms that **ALVAREZ** cashed out the jackpot. To confirm the identity of the patron winning the jackpot on slot machine IA-07, a copy of the photo identification provided at the time of the Players Club account being opened was obtained from Carlos Gando's profile. A comparison of the photo ID was conducted to confirm if the patron captured on video footage was in fact Carlos Gando. The individual in the photograph (Gando) obtained from the Players Club account is not the same person that was captured on video footage (**ALVAREZ)** that was provided to this Investigator by the facility **(Exhibits #1, 3, 8 & 9)**[7]**.**

After winning the three jackpots, **ALVAREZ** is seen walking away from Slot Machine Bank IA. Video review of October 23, 2024, by this investigator revealed the following:

- Between 8:31 P.M., and 8:35 P.M., **ALVAREZ** leaves the slot machine bank and returns. Upon his return, Felix Ferrer is waiting for him by slot bank IA. A short time later Ferrer sits in front of IA -04 and pretends to have played on the machine and awaits the arrival of the Slot Attendant to claim the jackpot.

- 8:38:00 P.M., Ferrer provides his identification to Slot Attendant Jose Rivas who fills out the jackpot request forms for three jackpots won by **ALVAREZ**. Rivas is then seen talking into a walkie talkie radio (presumably with the Surveillance Department) as stated in the Surveillance Report #CMJ000014174. Surveillance appears to inform Rivas that the person claiming the three jackpots (Ferrer) was not the winner of those jackpots. Surveillance informs Rivas that the actual winner is an individual wearing a black jacket whom he identified as Roberto **ALVAREZ**.

[6] ***The total winnings for this activity alone were over $20,000.***
[7] ***The total winnings for this activity alone were over $10,000.***

CONTINUATION

- CM Security Supervisor, Terronica Behary, Security Officer, Jose Jackson and the on-duty detail Miami Police Officer arrive at Slot Machine Bank IA.

8:46:54 P.M., **ALVAREZ** and Ferrer are escorted by police to the Security Operations Center, where they are temporarily excluded **(Exhibits #1, 3 & 8).** Ferrer was permanently excluded on October 29th and **ALVAREZ** on November 2, 2024. This documented in **Exhibit #7, lines 1257 and 1264**.

An Accurint check of Roberto **ALVAREZ** was conducted, and the findings show his most recent address on file is **3370 NW 34th Street, Apt. #72 Miami Florida, 33142 (Exhibit # 12).**

Status: Case closed by Investigations and forwarded to Legal for further review and possible permanent exclusion from all Pari-Mutuel facilities in the state of Florida.

CONTINUATION

This case is predicated on a jackpot that was called in to the Surveillance Department at 4:02 P.M., by Casino Miami Slot Attendant, Maura Godinez on July 30. 2024. On that day as per CM policy, Godinez contacted surveillance to verify a Jackpot won on slot machine IA-03-3735 that was being claimed by patron Yoel Llamazares Baez. Upon giving the description of Baez to the surveillance team, the surveillance operator advised Godinez that the actual winner of the jackpot was a different individual who was wearing a red and black jacket, later identified as Roberto **ALVAREZ**. **ALVAREZ** was paid the jackpot even though he attempted to distance himself by refusing it[1] **(Exhibits # 1 & 3).**

Given **ALVAREZ'S** prior history of having others cash his jackpots, surveillance conducted a video review of **ALVAREZ'S** actions prior to and after the jackpot was won. Video footage captured **ALVAREZ** inserting money into several of the slot machines at Slot Machine Bank IA; at times up to seven of the eight machines were occupied by **ALVAREZ** and those assisting him in the cashing of the jackpots. Immediately after inserting the money, he would enter his number combination to play. When the round (game) was over and before the next round of play commenced, **ALVAREZ** would walk around the slot bank machine entering money in each of the individual slot machines that the patrons were playing, or he would pass money around to them to enter the money into each slot machine, while instructing them to enter a specific combination of numbers to play and either he or the patrons would press the play button. In most cases, he would have the patron press the play button. This activity included Mr. Yoel Llamazares Baez **(Exhibits # 1, 3 & 8).**

Surveillance identified several individuals that participated in this incident by either entering money and or entering the number combination to be played. This included the winning and collecting of the jackpot(s) where they were seated. The following individuals were identified as participants in the incident of July 30, 2024:

- Yoel Llamazares Baez - entered money and number combinations for play. Collected jackpots both for himself and including Roberto **ALVAREZ**.
- Miguel Brito - entered money and number combinations for play. Collected and won jackpots for both **ALVAREZ** and himself.
- Felix Ferrer - entered money and number combinations for play. Collected and won jackpots for both **ALVAREZ** and himself as part of this incident.
- Johnny Valentin - entered money and number combinations for play. Collected jackpot for **ALVAREZ**.
- Mirna Guadalupe Aguilar - collected jackpot for another. Allowed Llamazares and **ALVAREZ** to collect jackpots won in her name.[2] **(Exhibit # 1)**

[1] Prior to this incident Roberto ALVAREZ won a jackpot on July 20, 2024, at the same slot machine and allowed another patron to cash the jackpot. However, when the jackpot was verified by surveillance it was learned that ALVAREZ was in fact the true winner and was forced to accept payment despite his refusal. No action was taken against Llamazares or ALVAREZ for the July 20, 2024, incident. (Exhibits # 1, 3)

[2] Slot Attendant Oswyn Paguada, on a jackpot paid by him to patron Johnny Valentin, was standing between Valentin and ALVAREZ when an exchange of jackpot monies was made between the two. Paguada had just paid the jackpot to Valentin prior to Valentin giving ALVAREZ the jackpot money.

CONTINUATION

Independent video review by this Investigator of activity/play on Slot Machine Bank IA on July 30, 2024, revealed the following:

- At 3:56:50 P.M., **ALVAREZ** is observed placing bets on slot machine IA-03. Shortly thereafter, at 3:57:56 P.M., a jackpot in the amount of $3,600.00 was won by **ALVAREZ**. Slot Attendant Godinez is seen arriving at slot machine IA-03 and begins to gather the necessary information to pay the jackpot. However, the information that she is gathering, was from another male patron who was claiming to have won the jackpot.[3] That patron who was wearing a red t-shirt and a New York Yankee baseball cap, was later identified as Yoel Llamazares Baez. Godinez appears to have been asked by surveillance to identify the winner of the jackpot. When she identified the winner as a male wearing the NY Yankee baseball cap, she was informed that the actual winner was another patron who was wearing a red and black jacket. That individual was identified as Roberto **ALVAREZ**. **ALVAREZ** was then paid the jackpot over his objections **(Exhibit # 8, Pages 2 & 3).**

- At 4:42:21 P.M., patron Mirna Guadalupe Aguilar receives money from Roberto **ALVAREZ** to insert into slot machine IA-03. At 4:45 P.M., Aguilar wins a jackpot on that machine. Verification of both the Jackpot Slip Report and the Standard Transaction Report created for that day, show Aguilar was playing with another patron's Players Club Card (CMP card number 302142 belonging to a patron named Edgardo Molina Aguilar).[4] The jackpot was in the amount of $1,800.00; she was not paid until 5:23:38 P.M.,[5] by Slot Attendant Oswyn Paguada. Immediately after, at 5:24:18 P.M., Aguilar gives the entire amount she received to **ALVAREZ**. **ALVAREZ** then gives Aguilar a small number of bills **(Exhibit # 8, Pages # 4 thru 9).**

- At 5:25:16 P.M., patron Johnny Valentin was paid a jackpot on slot machine IA-01. Slot Attendant Oswin Paguada processed the jackpot and is observed paying Valentin the jackpot money totaling $3,600.00. Valentin gives Paguada a tip and then, in the presence of Paguada, proceeds to hand **ALVAREZ** the entire proceeds of the jackpot. **ALVAREZ** then hands Valentin an indeterminate amount of money in the presence of Paguada who was standing between the two men. Video footage captures Paguada witnessing the exchange of money between the two men **(Exhibit # 8, Pages 9 thru 13).**

- At 6:18:12 P.M., Slot Attendants Jose Rivas and Maura Godinez were observed obtaining the necessary information and signatures from two patrons claiming to have won jackpots at slot machines IA-06 and IA-07. The two individuals Felix Ferrer who was seated at slot machine IA-06 and Miguel Brito sitting at slot machine IA-07 were eventually paid their individual jackpots <u>each</u> totaling $3,600.00. Immediately after being paid the jackpot, Brito hands over the entire jackpot amount to **ALVAREZ**. At 6:20:18 P.M., **ALVAREZ** is observed giving Brito a small portion of the jackpot. At 6:20:23 P.M., **ALVAREZ** is observed receiving the entire jackpot that Felix Ferrer had just been paid at which time **ALVAREZ** then gives an undetermined amount of the jackpot back to Ferrer **(Exhibit # 8, Pages 14 thru 29).**

[3] ***There is a difference between the time on the reports and the video time.***

[4] ***A check of the ID's used to open the Players Club Account show that Mirna*** **Guadalupe Aguilar and Edgardo Molina Aguilar share the same home address.** ***(Exhibit # 13)*** **Case** ***to be opened against both subjects.***

[5] ***The reason for this delay in Jackpot payout is unknown.***

- At 6:20:37 P.M., patron Yoel Llamazarez Baez is observed approaching **ALVAREZ** at slot bank IA and is captured on video footage gives the entire jackpot total $3,600.00 that he had just collected at slot machine IA-04, to **ALVAREZ. ALVAREZ** then gives an undetermined amount of the jackpot back to Llamazarez Baez **(Exhibit # 8, Pages 21 & 22).**

- At 6:26:41 P.M., Miguel Brito is paid $3,600.00, by attendant Ingrid Suarez. He is immediately seen on video footage giving the entire jackpot to **ALVAREZ** who in turn, returns a portion of the jackpot back to him **(Exhibit # 8, Pages 26 thru 29).** [6]

During this investigation it was learned that after the July 20 and July 30, 2024, incidents, **ALVAREZ** returned to the casino on numerous occasions and continued to play without any consequences from the facility. On October 23, 2024, **ALVAREZ** once again returned to the casino and played on Slot Machine Bank IA.

During this visit to Casino Miami, **ALVAREZ** proceeded to win three consecutive jackpots on slot machines IA-04, IA-06 and IA-07. The jackpot won on slot machine IA-07 is documented in the Jackpot Slip Reports as being won by another patron by the name of Carlos Gando. Although the jackpot Slip Report shows that the jackpot won on slot machine IA-07 was won by Carlos Gando, video footage confirms that **ALVAREZ** cashed out the jackpot. To confirm the identity of the patron winning the jackpot on slot machine IA-07, a copy of the photo identification provided at the time of the Players Club account being opened was obtained from Carlos Gando's profile. A comparison of the photo ID was conducted to confirm if the patron captured on video footage was in fact Carlos Gando. The individual in the photograph (Gando) obtained from the Players Club account is not the same person that was captured on video footage (**ALVAREZ)** that was provided to this Investigator by the facility **(Exhibits #1, 3, 8 & 9)**[7]**.**

After winning the three jackpots, **ALVAREZ** is seen walking away from Slot Machine Bank IA. Video review of October 23, 2024, by this investigator revealed the following:

- Between 8:31 P.M., and 8:35 P.M., **ALVAREZ** leaves the slot machine bank and returns. Upon his return, Felix Ferrer is waiting for him by slot bank IA. A short time later Ferrer sits in front of IA -04 and pretends to have played on the machine and awaits the arrival of the Slot Attendant to claim the jackpot.

- 8:38:00 P.M., Ferrer provides his identification to Slot Attendant Jose Rivas who fills out the jackpot request forms for three jackpots won by **ALVAREZ**. Rivas is then seen talking into a walkie talkie radio (presumably with the Surveillance Department) as stated in the Surveillance Report #CMJ000014174. Surveillance appears to inform Rivas that the person claiming the three jackpots (Ferrer) was not the winner of those jackpots. Surveillance informs Rivas that the actual winner is an individual wearing a black jacket whom he identified as Roberto **ALVAREZ**.

[6] ***The total winnings for this activity alone were over $20,000.***
[7] ***The total winnings for this activity alone were over $10,000.***

CONTINUATION

- CM Security Supervisor, Terronica Behary, Security Officer, Jose Jackson and the on-duty detail Miami Police Officer arrive at Slot Machine Bank IA.

8:46:54 P.M., **ALVAREZ** and Ferrer are escorted by police to the Security Operations Center, where they are temporarily excluded **(Exhibits #1, 3 & 8).** Ferrer was permanently excluded on October 29th and **ALVAREZ** on November 2, 2024. This documented in **Exhibit #7, lines 1257 and 1264**.

An Accurint check of Roberto **ALVAREZ** was conducted, and the findings show his most recent address on file is **3370 NW 34th Street, Apt. #72 Miami Florida, 33142 (Exhibit # 12).**

Status: Case closed by Investigations and forwarded to Legal for further review and possible permanent exclusion from all Pari-Mutuel facilities in the state of Florida.

MEMORANDUM

To:	The Florida Gaming Control Commission
From:	Office of the General Counsel
Through:	Emily Alvarado, Chief Attorney
Re:	FGCC v. PPI, Inc. d/b/a Harrah's Pompano Beach Case No. 2024-057184; Proposed Settlement
Date:	July 24, 2025

Executive Summary

The Commission filed an administrative complaint charging PPI, Inc. ("Respondent") with a violation of section 849.086(12)(b), Florida Statutes. Respondent requested an informal hearing and requested to settle this case in lieu of further litigation. Respondent's settlement offer is that the Florida Gaming Control Commission issue a $700 administrative fine.

Background

On October 22, 2024, the Division filed an administrative complaint alleging that Respondent violated section 849.086(12)(b), Florida Statutes, by allowing an individual under the age of 18 to engage in a card game at the Cardroom (the "Administrative Complaint"). This facility does not have any prior violations of this section.

On December 2, 2024, Respondent requested a hearing not involving disputed issues of material fact. On April 21, 2025, Respondent proposed a settlement of this matter.

On May 13, 2025, the Commission was presented Respondent's settlement proposal and counteroffered for a minimum administrative fine of $1,000. On July 17, 2025, Respondent counteroffered for an administrative fine of $700, providing additional mitigating evidence. This counteroffer presented at the August 6, 2025, Commission meeting.

Analysis

Section 849.086(12)(b), Florida Statutes, provides "[n]o person under 18 years of age may be permitted to hold a cardroom or employee license, or engage in any game conducted therein."

Section 849.086(14), Florida Statutes, provides that "the commission may impose an administrative fine not to exceed $1,000 for each violation… of this section or any rules adopted pursuant thereto."

Under section 120.57(4), Florida Statutes, the Commission may resolve matters such as this case informally through a negotiated settlement. As part of settlement negotiations, Respondent is requesting that the Commission consider and agree to the proposed terms set forth in the Consent Order, whereby Respondent will agree to pay $700.00, effective from the date the Final Order is filed with the Clerk of the Commission.

WHEREAS, the Commission has jurisdiction over this matter and Respondent; and

WHEREAS, on October 22, 2024, the Commission filed an administrative complaint against Respondent, alleging a violation of section 849.086(12)(b), Florida Statutes, by allowing an individual under the age of 18 to engage in a card game at the Cardroom (the "Administrative Complaint"); and

WHEREAS, the parties have negotiated and agreed that the best interest of all the parties will be served by a settlement of these proceedings in lieu of further litigation.

STIPULATION

NOW THEREFORE, in consideration of the mutual promises and recitals herein, the parties hereby agree and stipulate to the following:

1. All recitals herein are true and correct and are incorporated herein.

2. All parties agree that the above "whereas" clauses incorporated herein are binding findings of the parties.

3. The Commission is authorized by section 120.57, Florida Statutes, to resolve administrative proceedings by consent orders.

4. Each party has entered into the terms of this Stipulation and Consent Order voluntarily. Respondent is aware that it is entitled to the advice of counsel and has either sought the advice of counsel or, by execution of this Stipulation and Consent Order, is knowingly waiving the right to have the advice of counsel. Respondent acknowledges that the Commission has not made any promise, nor has it in any other way encouraged Respondent to enter into this Stipulation and Consent Order without the advice of counsel.

5. The parties acknowledge and agree that this Stipulation and Consent Order constitutes the final order in this case and that this Stipulation and Consent Order is enforceable under sections 120.69 and 849.086, and chapter 550, Florida Statutes, as final agency action.

6. Respondent, for itself and its related or resulting organizations, successors, transferees, attorneys, heirs, and executors or administrators, discharges the Commission and its agents, representatives, and attorneys, of and from all claims, demands, actions, causes of action, suits, damages, losses and expenses of any and every nature whatsoever, arising out of or in any way related to this matter and the Commission's actions, including, but not limited to, any claims that were or may be asserted in any federal or state court or administrative forum, including any claims arising out of this agreement, by or on behalf of Respondent or its related or resulting organizations.

7. Each party shall bear its own costs and attorney's fees.

8. **FINE**: Respondent agrees to and shall pay to the Commission the sum of **SEVEN HUNDRED DOLLARS ($700.00)**. The payment shall be received by the Commission within thirty (30) days of filing of the Final Order Adopting the Settlement and Consent (the "Final Order") with the Commission. **The payment must be in the form of a certified check, cashier's check, or money order, made payable to the Florida Gaming Control Commission, Division of Pari-Mutuel Wagering (NO PERSONAL CHECKS).**

9. Respondent must mail the executed Stipulation and Consent Order to: **the Florida Gaming Control Commission, Division of Pari-Mutuel Wagering, 4070 Esplanade Way, Tallahassee, Florida 32399-1035, Attention: Emily Alvarado.**

10. By executing this Stipulation and Consent Order, the Respondent admits to the facts and legal conclusions raised in the Administrative Complaint, and the Commission continues to assert the validity thereof. Nothing in this Stipulation and Consent Order shall be deemed to preclude the Commission from imposing a penalty against Respondent for any future act(s) or omission(s) constituting either a violation of Florida law or the Florida Administrative Code, and this Consent Order may be considered as aggravation of any future proceedings involving Respondent.

11. The parties acknowledge and agree that this Stipulation and Consent Order is subject to the approval of the Commission. The Stipulation and Consent Order will have no force or effect unless and until the Commission files a Final Order adopting this Stipulation and Consent Order. Should this Stipulation and Consent Order be rejected, no statement made in furtherance thereof by Respondent may be used as direct evidence against Respondent in any proceeding.

12. Upon the Commission's adoption of this Stipulation and Consent Order, Respondent agrees to waive any and all appeals and proceedings relating to these proceedings to which it may be entitled, including, but not limited to, an informal proceeding under section 120.57(2), Florida Statutes; a formal proceeding under section 120.57(1), Florida Statutes; appeals under section 120.68, Florida Statutes; and declaratory and all writs of relief in any court or quasi-court of competent jurisdiction; and agrees to waive compliance with the form of the Final Order (findings of fact and conclusions of law) to which it may be entitled, provided, however, that this agreement shall not be deemed a waiver by either party of its right to judicial enforcement of the Stipulation and Consent Order.

13. Venue for any action brought to interpret, enforce, or challenge the terms of this Stipulation and Consent Order and its corresponding Final Order shall lie solely in the Circuit Court of Florida, in and for Leon County, Florida.

14. This Stipulation and Consent Order is executed by the parties for the purpose of avoiding further administrative action with respect to the matters addressed herein. In this regard, Respondent authorizes the Commission to review and examine all materials concerning Respondent, prior to or in conjunction with consideration of this Stipulation and Consent Order. Should the Commission not accept this Stipulation and Consent Order, it is agreed that presentation to and consideration of this Stipulation and Consent Order and other documents and matters by the Commission shall not unfairly or illegally prejudice the Commission from further participation, consideration, or resolution of these proceedings.

Re: *Proposed Settlement to Case Number 2024-057184*

General Counsel Valentine,

Thank you for your assistance with this matter over the last few months. This letter is a Proposed Settlement for Case Number 2024-057184. My understanding is that the previous suggested offer was thought to be too low at three hundred dollars ($300.00) and we now understand that a higher amount is necessary to resolve this case. My client, Harrah's Pompano Beach (PPI), wishes to offer an agreement to expedite the resolution of this case. On or about October 22, 2024, the Florida Gaming Control Commission's (FGCC) filed a one-count administrative complaint for Case Number 2024-057184. The issue of the complaint focuses on the allowance of "a person under 18 years of age failure to ... hold a cardroom or employee license, or engage in any game conducted therein."[1]

It would appear that an underage patron was admitted within a few weeks of his 18th (eighteenth) birthday, and allowed to participate in a game of poker. Although PPI has the proper requirements in place for our team to check identification and identification scanners are required for access to the gaming floor, the employee in charge of checking for age verification did not perform the verification. Section 849.086(14)(c) states that "...the commission may impose an administrative fine not to exceed $1,000.00 for each violation against any person who has violated or failed to comply with the provisions of this section or any rules adopted pursuant thereof." PPI would agree to a fine of seven hundred dollars ($700.00) and offers that they have since self-reported the issue and swiftly demoted one employee and terminated another due to their failure to properly check the patron's identification. Additionally, we have informed other staff of the issue and reminded them that this is not optional and the verification of age is required for our staff. As always, PPI will continue to take these matters very seriously and implement all reasonable protections to ensure that minors do not have access to gaming or age restricted areas. Thank you for your assistance.

Re: *Proposed Settlement to Case Number 2024-057184*

Attorney Alvarado,

This letter is a Proposed Settlement for Case Number 2024-057184. My client, Harrah's Pompano Beach (PPI), wishes to offer an agreement to expedite the resolution of this case. On or about October 22, 2024, the Florida Gaming Control Commission's (FGCC) filed Case Number 2024-057184. The issue of the complaint focuses on the allowance of "a person under 18 years of age failure to ... hold a cardroom or employee license, or engage in any game conducted therein."[1]

It would appear that an underage patron was admitted within a few weeks of his 18th (eighteenth) birthday, and allowed to participate in a game of poker. PPI would agree to a fine of $250.00 (two hundred and fifty dollars) and offers that they have since self-reported the issue and swiftly demoted one employee and terminated another due to their failure to properly check the patron's identification. We would request that this proposed settlement be placed on the May 13, 2025, FGCC agenda for review. Thank you for your assistance.

Sincerely,

CONTINUATION

This investigation was launched after being informed via E-Mail by **HARRAH'S** Security Manager, Juan Colchado regarding the termination of Shift Manager, Alfred Berchielli **(EXHIBIT #1).**

Further investigation revealed that on August 11, 2024, a minor [redacted] gained access to the **HARRAH'S** Poker Room, was seated, played poker, and won a "High Hand" worth $1,500.

When a "High Hand" is achieved in order to receive payment a patron must either show a facility issued Players Card or Government Identification such as a Driver's License. [redacted] was unable to produce any form of identification and was instructed by Cardroom Manager, Berchilli to come back with proper Identification and his prize would be honored.

On September 10, 2024, [redacted] returned with identification to claim his prize. He presented a valid I.D. to Berchilli who then noted that [redacted] at the time of achieving the "High Hand" was under eighteen (18) years of age. Berchilli then notified Security Supervisor Colchaldo of the incident. What followed was a Senior Management / Surveillance review that was completed on September 11, 2024.

The findings of video review noted that on August 11, 2024, [redacted] was seated by Poker Dealer / Floor Manager, Heather Hopsony. Later in the video, [redacted] would be notified by Berchilli of achieving a "High Hand".

On September 22, 2024, [redacted] met with Poker Manager, Paul Ciarmitaro and was advised that due to his age at the time of winning the "High Hand" he was not eligible to be paid and he was going to be permanently excluded from the property.

HARRAH'S senior management held the cardroom supervisory team responsible for this occurrence and issued the following punishments:

- Hopsony was issued a verbal and written reprimand. Additionally, she was demoted from dual rate (Supervisor & Dealer) to singularly Poker Dealer.

- Berchilli as Shift Manager was deemed ultimately responsible and was terminated from his employment on September 23, 2024.

I interviewed Berchilli on September 25, 2024. He emphatically stated he had no knowledge of [redacted] age until he returned with legitimate Identification.

I interviewed Hopsony on September 27, 2024. She stated that [redacted] was perceived as a regular cardroom patron <u>because he has been seen playing at the facility on a regular basis.</u> She was completely unaware that he was underaged.

Conclusion: Based on this investigation, it appears that **HARRAH'S** cardroom management was unaware of [redacted] being underage. Therefore, they did not knowingly allow him into the cardroom. However, statements provided by those involved indicate [redacted] had visited the cardroom so often that he was considered to be a regular patron which logically means that he was present in the facility on multiple occasions prior to his 18th birthday. In light of the facility response which has been swift and comprehensive, no further action is required at this time.

Status: Closed by Investigations.

MEMORANDUM

To:	The Florida Gaming Control Commission
From:	Division of Pari-Mutuel Wagering Emily Alvarado, Chief Attorney
Re:	FGCC v. TBD Entertainment, LLC d/b/a TGT Poker & Racerbook Case No. 2024-067655; Proposed Settlement
Date:	August 25, 2025

Executive Summary

The Commission filed an administrative complaint charging TBD Entertainment, LLC d/b/a TGT Poker & Racerbook ("Respondent") with a violation of rule 75-11.020(1)(b), Florida Administrative Code. Respondent requested a formal hearing and requested to settle this case in lieu of further litigation. Respondent's settlement offer is that the Florida Gaming Control Commission issue a written warning.

Background

On January 30, 2025, an administrative complaint was filed against Respondent alleging that Respondent violated rule 75-11.020(1)(b), Florida Administrative Code, by failing to affix Jackpot drop box J1B to table #1 with a lock. This facility did not have any prior violations of either of these rules.

Respondent filed in response to the Commission's Administrative Complaint on May 16, 2025, proposing settlement of this matter or, in the alternative, requesting a hearing involving disputed issues of material fact and provided mitigation evidence. This proposal was presented at the June 12, 2025, Commission Meeting in an Attorney-Client Session.

Analysis

Rule 75-11.020(1)(b), Florida Administrative Code, provides in pertinent part, that "(1) [e]ach table shall have a drop box that is configured to permit the dealer to insert the rake directly into the drop box. The drop box shall be: […] [a]ffixed with a lock to the table."

Section 849.086(14), Florida Statutes, provides that "the commission may impose an administrative fine not to exceed $1,000 for each violation… of this section or any rules adopted pursuant thereto."

Under section 120.57(4), Florida Statutes, the Commission may resolve matters such as this case informally through a negotiated settlement. As part of proposed settlement, Respondent is requesting that the Commission issue a written warning.

STIPULATION AND CONSENT ORDER

The Florida Gaming Control Commission, Division of Pari-Mutuel Wagering (hereinafter the "Commission") and TBD Entertainment, LLC d/b/a TGT Poker & Racebook (hereinafter "Respondent"), each individually, a "party," and collectively as "parties," hereby agree and stipulate as follows:

WHEREAS, the Commission has jurisdiction over this matter and Respondent; and

WHEREAS, on January 30, 2025, the Commission filed an Administrative Complaint against Respondent, alleging that Respondent violated Rule 75-11.020(1)(b) of the Florida Administrative Code, by failing to affix Jackpot drop box J1B to table #1 with a lock (the "Administrative Complaint"), and

WHEREAS, the parties have negotiated and agreed that the best interest of all the parties will be served by a settlement of these proceedings in lieu of further litigation.

STIPULATION

NOW THEREFORE, in consideration of the mutual promises and recitals herein, the parties hereby agree and stipulate to the following:

1. All recitals herein are true and correct and are incorporated herein.

2. All parties agree that the above "whereas" clauses incorporated herein are binding findings of the parties.

3. The Commission is authorized by section 120.57, Florida Statutes, to resolve administrative proceedings by consent orders.

4. Each party has entered into the terms of this Stipulation and Consent Order voluntarily. Respondent is aware that it is entitled to the advice of counsel and has either sought the advice of counsel or, by execution of this Stipulation and Consent Order, is knowingly waiving the right to have the advice of counsel. Respondent acknowledges that the Commission has not made any promise, nor has it in any other way encouraged Respondent to enter into this Stipulation and Consent Order without the advice of counsel.

5. The parties acknowledge and agree that this Stipulation and Consent Order constitutes the final order in this case and that this Stipulation and Consent Order is enforceable under sections 120.69, 849.086, and chapter 550, Florida Statutes, as final agency action.

6. Respondent, for itself and its related or resulting organizations, successors, transferees, attorneys, heirs, and executors or administrators, discharges the Commission and its agents, representatives, and attorneys, of and from all claims, demands, actions, causes of action, suits, damages, losses and expenses of any and every nature whatsoever, arising out of or in any way related to this matter and the Commission's actions, including,

but not limited to, any claims that were or may be asserted in any federal or state court or administrative forum, including any claims arising out of this agreement, by or on behalf of Respondent or its related or resulting organizations.

7. Each party shall bear its own costs and attorney's fees.

8. **WARNING:** The Parties agree that Respondent will be issued a WRITTEN WARNING. The Written Warning is not appealable and may be considered in aggravation of any future disciplinary proceedings against Respondent. Future violation of chapter 550 and section 849.086, Florida Statutes may result in fines and/or suspension of Respondent's license.

9. Respondent must mail the executed Stipulation and Consent Order to: **the Florida Gaming Control Commission, Division of Pari-Mutuel Wagering, 4070 Esplanade Way, Suite 250, Tallahassee, Florida 32399-7033, Attention: Emily Alvarado.**

10. By executing this Stipulation and Consent Order, the Respondent admits to the facts and legal conclusions raised in the Administrative Complaint, and the Commission continues to assert the validity thereof. Nothing in this Stipulation and Consent Order shall be deemed to preclude the Commission from imposing a penalty against Respondent for any future act(s) or omission(s) constituting either a violation of Florida law or the Florida Administrative Code, and this Consent Order may be considered as aggravation of any future proceedings involving Respondent.

11. The parties acknowledge and agree that this Stipulation and Consent Order is subject to the approval of the Commission. The Stipulation and Consent Order will have no force or effect unless and until the Commission files a Final Order adopting this

Stipulation and Consent Order. Should this Stipulation and Consent Order be rejected, no statement made in furtherance thereof by Respondent may be used as direct evidence against Respondent in any proceeding.

12. Upon the Commission's adoption of this Stipulation and Consent Order, Respondent agrees to waive any and all appeals and proceedings relating to these proceedings to which it may be entitled, including, but not limited to, an informal proceeding under section 120.57(2), Florida Statutes; a formal proceeding under section 120.57(1), Florida Statutes; appeals under section 120.68, Florida Statutes; and declaratory and all writs of relief in any court or quasi-court of competent jurisdiction; and agrees to waive compliance with the form of the Final Order (findings of fact and conclusions of law) to which it may be entitled, provided, however, that this agreement shall not be deemed a waiver by either party of its right to judicial enforcement of the Stipulation and Consent Order.

13. Venue for any action brought to interpret, enforce, or challenge the terms of this Stipulation and Consent Order and its corresponding Final Order shall lie solely in the Circuit Court of Florida, in and for Leon County, Florida.

14. This Stipulation and Consent Order is executed by the parties for the purpose of avoiding further administrative action with respect to the matters addressed herein. In this regard, Respondent authorizes the Commission to review and examine all materials concerning Respondent, prior to or in conjunction with consideration of this Stipulation and Consent Order. Should the Commission not accept this Stipulation and Consent Order, it is agreed that presentation to and consideration of this Stipulation and Consent Order and other documents and matters by the Commission shall not unfairly or

illegally prejudice the Commission from further participation, consideration, or resolution of these proceedings.

15. This Stipulation and Consent Order may be signed in counterparts, and copies shall be treated as original.

16. This Stipulation and Consent Order is binding upon all parties.

17. The parties agree that this serves as notice that the signed Stipulation and Consent Order will be placed on the next available Commission meeting. If Respondent would like to attend, Respondent is responsible for checking the Florida Gaming Control Commission website at https://flgaming.gov for the meeting materials, agenda, and contact information. Respondent is not required to attend the Commission meeting.

18. Respondent authorizes the Commission to correct any typographical errors or make any non-material changes to this Stipulation and Consent Order after it is signed.

Notwithstanding this contention, under separate cover, I will be forwarding you a proposal for resolution.

Re: Case No. 2024-067655

Dear Justin,

This letter contains my client's proposal for settlement of the above referenced case. As we discussed previously, prior to the new policy for handling administrative complaints, I proposed a written warning. I call to the Commission's attention the fact that this was an isolated incident and that when the issue was called to the attention of my client, was remedied immediately. There was also no indication of any untoward conduct involving poker at such table. Finally, while there was a prior verbal warning concerning a similar issue, there have been no previous administrative complaints concerning such issues.

Thanks in advance to the Commission and your consideration of this proposal.

Sincerely,

Gary R. Rutledge

CONTINUATION

On November 18, 2024, at approximately 11:51 AM, I conducted a bi-weekly cardroom inspection at the **Tampa Greyhound Track** (TBD Entertainment, LLC). During the inspection of Poker Table #1, I discovered that the jackpot drop box was unsecured to the table. I was able to remove the jackpot drop box (#J1B) from its sleeve by hand without using a key **(Exhibit #2)**. This is a violation, as the drop box should be securely locked to the table.

I brought this violation to the attention of TBD Poker Room Manager, Jacob Darrell Mast (PMW Lic# 7050031 - Exp. 6/30/2026), who immediately secured the drop box to the table.

A check of the Versa Regulations Enforcement database revealed one prior violation (Case #2024 02 3323). In that case a verbal warning was issued, and the case was closed.

Case Status: Closed by Investigations and forwarded to Legal for review.
