Thirty-eighth Annual Report

to the

GOVERNOR OF FLORIDA

from

THE FLORIDA STATE RACING COMMISSION

JULY 1, 1968 THROUGH JUNE 30, 1969

July 1, 1969

His Excellency Claude R. Kirk Governor of Florida Tallahassee, Florida

Dear Sir:

In compliance with the requirements of Chapter 550.02, subsection 2, Florida Statutes, the Florida State Racing Commission submits this, its Thirty-Eighth Annual Report for the period beginning July 1, 1968, and ending with the close of business on June 30, 1969.

During the year in review, the membership of the Commission consisted of the following named persons:

First District : James L. Lee, Sr., Tampa

July 1 through January 6, 1969

Alfred S. Austin, Tampa January 7, 1969 to present

Second District: James W. Taylor, Jacksonville

Third District : L. B. Walker, Panama City

Fourth District : Louie Bandel, Miami

July 1, through July 11, 1968
Fred J. Ackel, DDS, Ft. Lauderdale
September 22, 1968 to present

Fifth District : L. D. Plante, Oviedo

During the year in review, L. B. Walker and L. D. Plante served as Chairman and Secretary of the Commission respectively.

The Attorney for the Commission during this period was Judson A. Samuels of Hollywood.

The Commission held all of its formal meetings during the year in Miami on the following dates: July 22, August 12, October 11, and November 15 in 1968; January 10, January 31, March 19 and May 9 in 1969.

PERMIT HOLDERS

There are thirty valid permits to conduct pari-mutuel wagering in the varied fields of thoroughbred, harness horse, quarter horse, greyhound racing and jai alai frontons operating under the jurisdiction of the Florida State Racing Commission.

During the year in review racing activities were conducted by twenty-eight of these permit holders under licenses issued by your Commission. Seventeen permit holders operated greyhound tracks, to operated jai alai frontons, four operated thoroughbred horse tracks and one tracks a harness track. Detailed statistical analyses of each of these operations are included as Exhibits to this report.

We are pleased to report that one new permittee, the Keys Racing Association, Ltd., whose permit had been ratified by the electors in Monroe County, became active during 1969 and from all indications will prove to be a success in this location. This is the first time this track has been in operation since 1963. Of the total number of valid permits, two are presently inactive. One such permit is issued for Seminole Park and Fairgrounds, Inc., a horse track in Casselberry, which operated during 1967, but due to financial difficulties has been dormant for the past two years. It is anticipated that this track will again open in 1970. The other inactive permit is issued to Bayard Raceways, Inc., which holds the right to conduct racing at the Ponce de Leon Raceway, Bayard, Florida. This track has been dormant for the past nine years.

ADMINISTRATION

George D. Johnson, Jr., Supervisor of Racing, administered the many and varied activities of the Commission. He was ably assisted by Dr. P. H. Dougherty, Laboratory Director; Tom C. Parker, Chief Investigator; and Tom G. Ozmer, Jr., Administrative Assistant.

The records of all racing activities in the State are maintained and controlled at the Commission Office located in the State Office Building, 1350 N. W. 12th Avenue, Room 510, Miami, Florida. Since this report contains but a small fraction of these records, any additional information will be gladly furnished upon request.

As reported to you in our thirty-seventh Annual Report, the Commission had authorized an in-depth study of the Pari-Mutuel Industry by the First Research Corporation of Miami, covering the present structure of the industry and projecting its future over a ten year period. This study was completed and delivered during this year in review and we have forwarded a copy to you for your study. We feel this report to be most beneficial in assisting our board to administer the Statutes and the Rules.

Also reported to you in our last Annual Report, was the policy of holding training seminars to better affect a closer working relationship between those State employees working in the Miami office and at the tracks. Two more such seminars were held during the past year, one in Orlando in September; the second, in Fort Lauderdale in December. Both were well attended and we found them to be of great benefit and assistance to our staff.

The complete review of all Rules and Regulations promulgated by this body has continued. During the past year, the horse and harness books were completely reviewed and updated, and a good start has been made on the jai alai book, which we plan to complete during this coming fiscal year.

Experimental dog and horse drug administrations were conducted during the year on twelve specimen drugs, for the express purpose of bettering the knowledge of our Laboratory and Investigative personnel. The findings from these experiments have been formally reported to the Association of Official Racing Chemists and have been a great assist to our board when stimulation and medication cases are brought before it.

INVESTIGATION DEPARTMENT

In order to better protect the public the Racing Commission maintains an investigation department whose duty is to enforce the laws of Florida and the rules and regulations of racing as promulgated by the Commission. This department works closely with the local law enforcement agencies and the tracks' own security forces to effectively promote and correlate the investigation of all illegal activities at the race tracks and frontons of the State.

This department also concerns itself with the enforcement of the commonly called "85% law" which requires that at least this percentage of the employees at each track or fronton be bona fide Florida residents and that such a percentage of the weekly payroll be paid to them. This law assures local residents of a fair opportunity for employment at the tracks.

During the past fiscal year this Agency, together with the various track security departments, was instrumental in the ejection of 236 undesirables from the grounds of the various associations, and 190 investigations were conducted on such other matters as illegal medications, patron reinstatements, etc.

The Statutes require that all persons employed in the industry be licensed, fingerprinted and photographed. The Investigation Department is responsible for the supervision of this activity and, through the use of data processing equipment, maintains a complete up-to-date record on each person. During the past season 21,955 occupational licenses were issued. Of this number 7,457 persons required new fingerprints and photographs.

LABORATORY

The Commission Laboratory, the oldest of its kind in the United States, enjoys a top reputation among the racing laboratories of the world. Its function is the detection of micro quantities of drugs in the saliva and urine of racing animals which might affect their performance. Such samples are taken by licensed veterinarians who are employed by the Commission.

During the year in review a record 24,886 samples were received, with a total of 28,836 analyses being performed on them. The cost per sample was \$2.43. Of these samples only 20 (11 greyhound, 8 horse, 1 harness) were identified as chemically positive and appropriate investigative action taken. In addition to its analytical purposes, the laboratory also maintains an active and continuous research program of new drugs. It also conducts evaluations of new analytical methods and metabolite excretion studies.

NATIONAL COORDINATION

Members of the Florida State Racing Commission are members of the National Association of State Racing Commissioners, an organization made up of Commissioners from all of the various States having legalized Parimutuel activities. Through the exchange of information and ideas, the

National Association is of great benefit to each member of the Association. Under a reciprocity agreement, each State recognizes rulings made by any other State Racing Board.

The 1969 Convention was held in Los Angeles, California, during February, where Florida was honored by the election of our chairman, L. B. Walker, to the office of third vice-president of the National Association. Those attending, in addition to Chairman Walker, were Commissioner Fred J. Ackel, D.D.S., George D. Johnson, Jr., Supervisor and Tom C. Parker, Chief Investigator.

This was the first convention in which the Greyhound Associations took an active part. Heretofore, the NASRC has devoted its time exclusively to thoroughbred and harness racing. Now it is truly an all encompassing organization.

The Association of Official Racing Chemists also held their Convention in Los Angeles in conjunction with the National Association of State Racing Commissioners. Florida was represented by Dr. P. H. Dougherty, Laboratory Director. Florida will be the host State for the 1970 convention as it is planned to be held during the month of March in Miami.

SCOPE OF RACING

A nationwide trend during the last racing season to permit women to compete as jockeys reached its climax during the winter horse racing season here in Florida. Our State was privileged to be the first in the country to license females to compete alongside the men in regular races.

The first female jockey applicant was Miss Barbara Jo Rubin, who was granted her license on January 4, 1969. She was unable to ride competitively due to a boycott by the male jockeys at Tropical Park on January 15. The Commission took jurisdiction in this action by the imposition of fines and a severe warning to cease such practices. These fines and rulings were subsequently lifted by the Commission after the male jockeys had shown good faith in accepting the female riders.

At Hialeah Race Course on February 7, 1969, Miss Diane Crump was the first female jockey in modern history to obtain a mount in a thoroughbred race. She went on to gain the first win by a female thoroughbred rider in Florida on March 20 at Gulfstream Park.

The harness industry accepted female drivers with more alacrity than the flat tracks. Mrs. Barbara McPhee obtained her driver's license on December 17, 1968, and was the first woman to ride in a pari-mutuel race in Florida on January 6, 1969. She then became the first female Florida winner at Pompano Park on January 15.

Women jockeys have now become commonplace on the race tracks throughout the country, and we are pleased to report that Florida played a leading role in their acceptance.

During the summer of 1968, the union for the Basque players from Spain, the Montepio, made demands upon the State's frontons which were financially unacceptable. As a result, the frontons' management recruited younger players, who proved to be crowd pleasers, and brought new life and blood into the game.

After a slow period of gaining public acceptance, the people warmed up to the newer players, with the result that, of the six jai alai frontons, only one

showed a decrease in pari-mutuel handle. The industry is looking forward to continued increases, now that these players have a season's experience.

A fire at Florida Downs during the summer destroyed the forty-one year old grandstand. Track Management rebuilt this facility into one of the most modern structures in the State prior to their opening, which proved to be a big factor in the fine increase shown by this track during the year in review.

Dame Fortune smiled on all aspects of Florida racing during the fiscal year in review and, from all indications, future growth is indicated. Revenues increased 11.38%, attendance was up 4.79%, and total pari-mutuel wagering showed an increase of 11.75% over the previous record setting year.

Each of the sixty-seven (67) Counties of the State benefited by receiving \$370,000.00, of which \$266,500.00 was apportioned under the old racing laws and \$103,500.00 came from the additional taxes levied by the 1955 Legislature. The steady rise in the sums received by each county over the past five years is shown below:

1969 — \$370,000 1968 — 319,000 1967 — 295,000 1966 — 290,000 1965 — 262,500

Although the sum of \$48,916,799.29 was collected by the Commission during the fiscal year, only 2.03% was expended in controlling, directing and supervising the operation of the entire industry. This is the lowest percentage ratio cost in the past ten years, and follows your economy mandate. Further economies in our agency's operation were reflected in returning to the Counties the sum of \$56,915.47 from our budgetary appropriations for further distribution.

In addition, the General Revenue Fund received in excess of twenty million dollars from racing. This money was used to support the varied functions of our State Government. Other beneficiaries of racing revenues were the State's school system and many charitable organizations. The various exhibits included in this report show these disbursements in detail.

A recapitulation of the pari-mutuel handle, attendance and tax revenue amounts, along with the percentages of increase and/or decrease for each licensee is as follows:

ABANDONED PARI-MUTUEL TICKETS

Pursuant to Chapter 550.164, Florida Statutes, it was declared by the legislature that all abandoned pari-mutuel tickets over one year old should escheat to the State for deposit to the Principal of the State School Fund. These funds are used for the support and maintenance of our public schools. Eleven general audits were conducted during the fiscal year verifying the total of \$513,254.45 received by the Commission from this source. Exhibit "E" of this report shows in detail the amounts remitted by the individual associations.

Yearly receipts dating from 1957, when the Racing Commission first began collecting these funds, are itemized below:

1957 - \$ 3,992.20	1963 - \$	265,045.70
1958 — 204,449.30	1964 —	292,193.60
1959 — 240,545.15	1965 —	320,530.50
1960 — 311,045.10	1966 —	425,130.20
1961 — 403,903.95	1967 —	381,857.30
1962 — 273,272.60	1968 —	448,161.00
	1969 —	513,254.45
	Total - \$4	,083,381.05

SCHOLARSHIP FUND

Pursuant to Chapter 550.08, Florida Statutes, the Legislature authorized the various tracks and frontons to operate additional days of racing for the express purpose of creating and producing State Scholarships for qualified applicants. These funds are the net proceeds derived from these extra days of racing. This Scholarship Fund is administered by the State Board of Regents for Institutions of Higher Learning. A total of \$447,133.37 was deposited to this fund during the past fiscal year. Exhibit "D" of this report shows the amounts raised by the industry.

Since their inception twenty years ago, these extra days have raised nearly seven million dollars for our State supported colleges.

1950 - \$165		1960 — \$	364,819.43
1951 — 247	7,260.75	1961 —	316,021.21
	,147.74	1962 —	408,652.45
1953 — 232	2,907.36	1963 —	393,641.10
	0,506.70	1964—	399,898.11
1955 — 279	,227.97	1965 —	474,937.22
	0,070.54	1966 —	462,441.03
	5,514.06	1967 —	419,499.49
	5,481.60	1968 —	541,389.12
	3,901.79	1969 —	447,133.37
		Total - \$6	.982,281.04

CHARITY DAYS

Since 1952, Florida Statutes have permitted the race tracks and frontons to operate additional days of racing, wherein the profits would go to recognized charities and institutions of higher learning not already participating in a Scholarship Day. These funds are in addition to the other racing revenues detailed in this report by various exhibits. Twenty-eight tracks and frontons participated during the year and conducted extra performances in which a record total of \$1,787,869.36 was raised for approved charitable organizations and schools.

The amounts raised for all charitable organizations since these extra performances were first authorized are as follows:

1953 — \$134,216.40	1961 - \$	520,089.94
1954 — 181,607.07	1962 —	494,893.18
1955 — 269,525.13	1963 —	512,177.25
1956 — 283,994.60	1964 —	617,425.39
1957 — 334,210.00	1965 —	708,474.16
1958 — 376,874.59	1966 —	1,374,485.40
1959 — 444,614.06	1967 —	1,447,868.98
1960 — 524,332.10	1968 —	1,837,697.14
,	1969 —	1,787,869.36
	Total - \$1	11.850.354.75

LITIGATION

During the fiscal year ending June 30, 1969 the Florida State Racing Commission was a party to litigation as follows:

1. In the 1968 report mention was made of the litigation wherein Gulf-stream Park Racing Association, Inc., brought on the 23rd day of August, 1966 an action against the Florida State Racing Commission, a State agency and the members thereof constituting the Florida State Racing Commission; Hialeah Race Course, Inc., and Tropical Park, Inc. in the Circuit Court of the Seventeenth Judicial Circuit of Florida, Broward County Florida.

Plaintiff is seeking by this action to have the Court declare Section 3 of Chapter 23728 Laws of Florida 1947, now being Section 550.081 (3) Florida Satutes to be unfair, arbitrary, discriminating and unconstitutional.

The said Section provides in substance that the horse race track having produced the largest amount of tax revenue during the previous year of its operation shall be granted its choice of the three established racing periods (three 40 day periods commencing on December 1st of each year and continuing for a full period of 120 consecutive days, 550.081 (2)). The horse race track having produced the second largest amount of tax revenue during the previous year of its operation shall be granted its choice of the remaining two established racing periods. The horse race track having produced the third largest amount of tax revenue during the previous year of its operation shall be allocated the period remaining after the two tracks producing the largest amount of tax revenue shall have made their selections.

Gulfstream Park Racing Association, Inc. alleges that since the inception of said legislation the practical result thereof has been to perpetuate the first choice of racing periods in Hialeah Race Course, Inc., and seeks to vest the power to award the three racing periods to Hialeah Race Course, Inc., Tropical Park, Inc., and Gulfstream Park Racing Association, Inc., in the Florida State Racing Commission, the same to be awarded by the Commission annually on a fair and equitable basis.

Subsequent to the inception of the litigation the Defendants, Hialeah Race Course, Inc., and Tropical Park, Inc. brought a Motion to Transfer, whereupon Gulfstream Park Racing Association, Inc., Plaintiff, did secure a voluntary Order of Dismissal against the Defendants, Hialeah Race Course, Inc., and Tropical Park Racing Association, Inc. The said two defendants did then petition the Circuit Court in Broward County for leave to intervene, and the same being granted, Hialeah Race Course, Inc., and Tropical Park Racing Association, Inc., did then bring Motions for Dismissal or Transfer, which after argument were denied by the Court.

Hialeah Race Course, Inc., and Tropical Park Racing Association, Inc. did then enter an Interlocutory Appeal from the Order of the Circuit Court

denying their said Motions to Dismiss or Transfer, to the Supreme Court of Florida accompanying the same with pertinent briefs and request for oral argument.

The Supreme Court of Florida did, by Order dated February 2, 1968, determine that the issues involved were matters within the jurisdiction of the District Court of Appeals for the Fourth District of Florida, and ordered that the cause be transferred to said District Court for consideration and determination.

Thereafter and pursuant to the mandate of the Supreme Court, the Interlocutory Appeals were heard by the said District Court of Appeal on briefs and oral argument and the same was by opinion rendered in the January term, 1968, denied, the Order of the Circuit Court having been affirmed.

The Florida State Racing Commission filed its appearance on the 5th day of October, 1967, and its answer on December 13, 1967, wherein after admitting denying and/or neither admitting nor denying, but demanding strict proof in respect of the various allegations contained in the Complaint, did affirmatively plead that any and all actions taken or contemplated by the Florida State Racing Commission in the premises under and pursuant to Chapter 23728, Laws of Florida, 1947, which subsequently became Sections 550.081, 550.081 (S2) and 550.081 (3), Florida Statutes, was or would be so undertaken pursuant to and in accord with a valid, duly enacted state statute, being enrolled and a part of the organic laws of the State of Florida.

The Florida State Racing Commission did file pertinent documents in the Interlocutory Appeals and Counsel for the Commission did attend the oral arguments heard before the District Court of Appeal, of the State of Florida, Fourth District.

The District Court of Appeal did by opinion dated the 10th day of June, 1968 order the cause to be tried on its merits before the Circuit Court of the Seventeenth Judicial Circuit in and for Broward County, Florida and in accordance therewith the same was duly heard on the 25th and 26th days of February, 1969. The decision of the Court has not yet been rendered.

2. On October 17, 1968 W. L. McKnight d/b/a Webster Outdoor Advertising Co. (not Inc.) filed suit in the Circuit Court of the Eleventh Judicial Circuit in and for Dade County, Florida against Hialeah Race Course, Inc., Gulfstream Park Racing Association, Inc., Florida Thoroughbred Council, Florida Thoroughbred Breeder's Association and Florida State Racing Commission.

The Plaintiff seeks damages against the Defendants jointly and severally in excess of \$10,000.00.

The gravamen of the Complaint insofar as the Florida State Racing Commission is concerned is the allegation that

"on or about November 4, 1966 the Florida Thoroughbred Council for the Florida State Racing Commission entered into a contract with the Plaintiff * * * among other things Plaintiff agreed to furnish certain outdoor advertising for the Florida State Racing Commission" * * *

It is alleged further that the contract was executed in behalf of the Racing Commission by Joe Tannenbaum, Gulfstream; Elliott Mackle, Florida Thoroughbred Breeder's Association; Everett A. Clay, Hialeah and Julian Cole, Tropical Park.

The Florida State Racing Commission by and through its attorneys brought a Motion to Dismiss, Sworn Motion to Dismiss and Motion to Strike the Complaint and a Memoranda of Law in support thereof was prepared and filed.

The Motions to Dismiss were argued before the Honorable Gene Williams, Judge of the Circuit Court of the Eleventh Judicial Circuit of Florida in and for Dade County on the 2nd day of December, 1968.

The Court found that the alleged contract was not executed by any person with authority to do so as to the Florida State Racing Commission; that it purported to constitute an agreement for the expenditures of money for advertising purposes for which the Racing Commission has no statutory authority and upon these and other grounds did enter an Order on the 15th day of May, 1969 granting the Motion to Dismiss of the Defendant, Florida State Racing Commission with prejudice to the Plaintiff and without leave to amend as to the Florida State Racing Commission.

The Plaintiff filed a Notice of Appeal to the District Court of Appeal, Third District from said Order of Dismissal entered on the 16th day of June as aforesaid.

The Defendant, Florida State Racing Commission filed a Motion to Dismiss said Appeal based upon technical grounds and submitted a brief in support thereof and the Plaintiff (Appellant) filed a reply brief thereto. The matter was duly argued before the Third District Court of Appeal on the 18th day of August, 1969 and the parties are, as of the date of this writing awaiting the decision of the Court.

3. On November 26, 1968 one Barbara Rubin, a minor, by and through her father Robert Rubin and one Dru Dosher Sellars, a female over the age of 21, applied to the Stewards at Tropical Park for a jockeys license. The applications were refused upon the ground that the applicants were females and under the then rules and regulations of the Florida State Racing Commission ineligible to be jockeys in Florida. Barbara Jo Rubin, a minor, by and through her father Robert Rubin and Dru Dasher Sellars, subsequent to the refusal of the Stewards to issue a jockeys license as aforesaid, and prior to the Florida State Racing Commission having an opportunity to consider the matter by way of appeal from the Stewards decision, did on the 12th day of December, 1968 bring a petition for writ of mandamus seeking to compel the issuance by the Florida State Racing Commission of the jockeys licenses to the petitioners.

Pursuant to Motion of Counsel for Petitioners the matter of the issuance of an Alternative Writ of Mandamus on the Petition therefor was argued on the 16th day of December, 1968 before the Honorable Jack A. Falk one of the Judges of the Eleventh Judicial Circuit in and for Dade County Florida.

The Court did on the 26th day of December, 1968 issue an Order finding that Petitioner Barbara Jo Rubin had established a prima-facie case and that Dru Dosher Sellars had taken a voluntary non-suit without prejudice, said Order indicating that the Court will issue an Alternative Writ of Mandamus to be heard on January 14, 1969 — four days subsequent to the regularly scheduled meeting of the Florida State Racing Commission to be held on January 10, 1969.

An Alternative Writ of Mandamus was issued by the Court on December 26, 1968 directing the Florida State Racing Commission to issue an apprentice jockeys license to Barbara Jo Rubin or in default thereof to show cause before the Honorable Jack Falk on the 14th day of January, 1969 why they have not done so.

The Florida State Racing Commission at its duly scheduled meeting on January 10th, 1969 so amended its rules and regulations as to permit the issuance of jockeys licenses to qualified females and a Return to the Alternative Writ of Mandamus prepared and filed by the Commission so indicated.

The Petitioners Barbara Jo Rubin and Dru Dosher Sellars were, upon proving qualifications to the Stewards, duly issued an apprentice jockey license

and upon stipulation of all parties the Court did on the 27th day of January, 1969 enter an Order dismissing the Alternative Writ of Mandamus without prejudice.

LEGISLATION

The 1969 Session of the Florida State Legislature enacted several bills affecting the racing laws of Florida.

1. Chapter 69-106, Laws of Florida, 1969 is an act relating to the executive branch of government and consolidated and reorganized existing State agencies into newly created and named departments. The Act is pertinent to this report only in that the Florida State Racing Commission although retaining its entity, members and entire personnel, rule, policy making and regulatory powers underwent what is referred to therein as a type one transfer.

Under type one transfer the existing agency is transferred intact. The only change being that it becomes a unit or division of a department—in the instant case the Department of Business Regulation. The Racing Commission therefore will continue to exercise its statutory powers, duties and functions as prescribed by law; the same however to be subject to review by the head of the Department. It is anticipated that from a practical standpoint the enactment of this Chapter will not materially change the activities of the Florida State Racing Commission in respect of the pari-mutuel industry in the State of Florida.

2. Chapter 69-86, Laws of Florida, 1969 amended Sections 550.16 (2), (8), (9), 550.161 and 550.26 (4) Florida Statutes; adding Section 550.261 and repealing Section 550.26 (5) Florida Statutes.

The act in substance increased the total commission which may be withheld by the licensee and the State from a pari-mutuel pool on every horse race by 1% i.e. from 15% to 16% and reduced the tax included in said commissions from contributions to pari-mutuel pools conducted on horse racing provided for old age assistance, etc. from 5% to 4½%.

This act changes the method of supplementing funds for purses by providing for common purse pools and returns all breakage to the State.

3. Chapter 69-14, Laws of Florida, 1969 amended Chapter 550 Florida Statutes by amending Section 550.081 and by repealing Sections 550.084, 550.085, 550.086, 550.087, 550.088 and 550.089, and by adding thereto Sections 550.40, 550.41, 550.42, 550.43, 550.44, 550.45 and 550.46.

The act in substance established a summer thoroughbred racing season for the period commencing on May 6 and ending on or before November 12 of each year; authorizing the Florida State Racing Commission to issue a permit therefore and providing for 120 days of thoroughbred racing plus four days for charity purposes during said summer season.

It is further provided that permit holders for winter thoroughbred horse racing shall never conduct summer thoroughbred racing and conversely a permit holder for summer thoroughbred racing may not conduct thoroughbred horse racing during the winter season defined as the period beginning December 1 and ending May 5 of each year; although in the area where 3 or more horse tracks are within a radius of 100 miles of each other operators of any thoroughbred horse track may lease such track to a permit holder holding a permit for summer or winter thoroughbred horse racing.

On or before January 4 of each year commencing with January 4, 1970 the permit holder desiring to conduct summer thoroughbred racing may file its application before the Florida State Racing Commission for a license to conduct a meeting for the requisite days provided by law.

The licensee conducting a summer thoroughbred racing meet shall pay a tax for deposit in the General Revenue Fund of the State in an amount equal to 5% of the total contributions to all pari-mutuel pools on every horse race up to an average daily amount of \$400,000.00 which tax shall become 8% on all contributions in excess of a daily average of \$400,000.00.

4. Chapter 69-50, Laws of Florida, 1969 amends Section 550.33 Florida Statutes and adds Subsection (7) to Section 550.26 Florida Statutes expressly providing in Subsection (2) of Section 550.33 that Sections 550.05, 550.06, 550.07 and 550.18 are inapplicable to quarter horse racing as permitted in said act (Chapter 69-50).

The act in substance authorizes an existing permit holder to conduct quarter horse races when exclusive to all other horse races thoroughout the year. The quarter horse races so authorized may not exceed 120 days in number and may be performed at one or more licensed tracks (excluding those areas where three or more horse race tracks are located within a 100 mile radius of each other) although tracks in said prohibited area may if they desire conduct quarter horse racing as a part of their regular racing program as provided by law. The permit holder conducting quarter horse racing under this act shall pay a daily license fee and make distribution thereof as provided in Section 550.39 (2) Florida Statutes.

- 5. Chapter 69-159, Laws of Florida, 1969 amends Section 550.37 (4) Florida Statutes. This amending act provides that all harness tracks licensed under the provisions of this Chapter shall be granted by the Racing Commission racing dates during the winter horse race season as provided by Section 550.291 Florida Statutes which racing dates may commence on or after October 1 of each year.
- 6. Chapter 69-249, Laws of Florida, 1969 is an act relating to charity days and prohibits any horse racing, dog racing or jai alai operation from conducting more charity days than authorized by law for the preceeding meeting of that particular operation.
- 7. Chapter 69-250, Laws of Florida, 1969 amends Subsection (1) of Section 550.083 Florida Statutes by providing that owners of valid outstanding permits for dog racing may hold race meetings during the fiscal year for the aggregate number of racing days fixed and permitted by law subject to the approval of the Racing Commission.
- 8. Chapter 69-251, Laws of Florida, 1969 amends Section 550.12 Florida Statutes by extending the time within which every person conducting race meetings shall submit to the Florida State Racing Commission a complete audit of its accounts certified by a public accountant from 60 days to 120 days after the conclusion of every race meeting.
- 9. Chapter 69-354, Laws of Florida, 1969 amends Section 551.12 Florida Statutes by allowing the last game of jai alai in a week day program to be started no later than 12:30 p.m. instead of 12:00 midnight. It further provides that on Saturday programs the last game shall not be started past 12:00 midnight. The act defines an operational week day for jai alai excluding Saturday to end at 1:00 a.m.
- 10. Chapter 69-368, Laws of Florida, 1969 amends Section 550.161 Florida Statutes by adding Subsections (2) and (3) thereto.

This act provides that the tax imposed by Section 550.26 shall be retained by tracks defined in this Section and the proceeds from said breaks shall be distributed by the tracks for the payment of breeder's awards in accord with the provisions of Section 550.38 of this Chapter with the balance of the proceeds of the said breaks plus 50% of net commissions to be distributed by the tracks for the payment of purses as approved by the Commission.

It further provides that no contract or agreement shall be valid or enforceable which requires or provides for the distribution for purses a percentage of individual pari-mutuel handle in an amount greater or lesser than set forth in the act. Owners and trainers are deemed by their application and acceptance of an occupational license to have read and understood the provisions therein (in Chapter 69-368) and their willful refusal to enter horses by reason of the purse structure in said act provided shall be deemed grounds for license revocation by the Commission.

FLORIDA BREEDING

The in-depth study of the pari-mutuel industry referred to earlier in this report noted of the thoroughbred breeding industry in the State:

"No other element of thoroughbred racing has made the significant progress as has been exhibited by the . . . breeders of the State. Whether this is due to a realization by the industry as a whole of the tremendous potential available in the State for this sort of endeavor, is incidental. It has occurred and has resulted in bringing the State of Florida to the forefront as a leader with reasonable designs of becoming the premier state of a very important industry. The resultant impact, though noteworthy from the point of view of invested capital, is also significant in the prestige it has brought to the State by focusing attention and interest on Florida as a whole."

The progress the study pointed to is the fact that Florida, in little more than a decade, has become America's third leading state in foal production—behind only Kentucky and California. The State is holding firmly to that position, and each year moving closer to second place. The Florida Thoroughbred Breeders' Association expects to register more than 1,600 foals during the calendar year.

Of even greater importance, Florida-bred horses are winning a higher percentage of major stakes races, evidencing still that the State's thoroughbred environment raises a better horse despite the fact that bloodstock in the State has not yet reached the quality of that pastured in states that have raised horses for longer periods of time.

The farm population continued to grow, with Marion County alone mapping 140 thoroughbred farms. There are now more than 200 horse farms in the State. Florida is blessed with fertile lands easily adaptable to horse production and it would seem, in light of the success of Florida breeders and Florida-breds, that far greater expansion is inevitable.

CONCLUSION

We, the members of the Florida State Racing Commission, express to you our appreciation for the trust and confidence which you have placed in us. We assure you that we will always protect the interest of the public, members of the various phases of the racing industry, and the State of Florida, by seeing to it that racing is conducted in only the highest possible manner.

Respectfully,

L. B. Walker, Chairman L. D. Plante, Secretary Fred J. Ackel, DDS, Member Alfred S. Austin, Member James W. Taylor, Member
