GOVERNOR OF FLORIDA

from

DEPARTMENT OF BUSINESS REGULATION DIVISION OF PARI-MUTUEL WAGERING

July 1, 1970 through June 30, 1971

July 1, 1971

His Excellency Reubin O'D. Askew
Governor of Florida
Tallahassee, Florida

Dear Sir:

In compliance with the requirements of Chapter 550.02, subsection 2, Florida Statutes, the Division of Pari-Mutuel Wagering submits this, its Fortieth Annual Report for the period beginning July 1, 1970, and ending with the close of business on June 30, 1971.

The Division assumed all functions of the Racing Commission on June 2, 1971 when Chapter 71-98, amending FS 20.16 became law, with the exception of allocating operating dates. The Board of Business Regulation assumed this responsibility.

Prior to this date, the membership of the Racing Commission consisted of the following named persons:

- | | | |
|-----------------|---|------------------------------------|
| First District | : | Alfred S. Austin, Tampa |
| Second District | : | James W. Taylor, Jacksonville |
| Third District | : | L. B. Walker, Panama City |
| | | July 1 through March 24, 1971 |
| | | Pat F. Thomas, Quincy |

| | | George E. Saunders, Winter Park |
| | | March 30 through June 2, 1971 |

Alfred S. Austin served as the Chairman and Dr. Fred J. Ackel served as the Secretary. The Commission was represented in legal affairs by Shelby Highsmith of Miami until December 14, 1970 when he was appointed to the Circuit Court of the Eleventh Judicial District. He was replaced on January 1, 1971 by Robert L. Hesse of Sarasota who served for the remainder of the fiscal year.

The Commission held fourteen formal meetings on the following dates and at the indicated locations during this year:

July 10, 1970	Miami
August 28, 1970	Miami
October 9, 1970	Jacksonville
November 6, 1970	Miami
November 19, 1970	Tampa

April 2, 1971	Miami
April 28, 1971	Miami
May 13, 1971	Miami
May 14, 1971	Miami

The Division held one public meeting on June 18th to hear appeals, reinstatements and matters concerning licensing and Rule amendments.

PERMIT HOLDERS

There are thirty-three valid permits to conduct pari-mutuel wagering in the varied fields of thoroughbred, harness horse, quarter horse and greyhound racing, and jai-alai, all under the jurisdiction of the Division of Pari-Mutuel Wagering.

During the year in review, pari-mutuel activities were conducted by thirty-two of these permit holders under annual licenses issued by the Racing Commission. Seventeen permit holders operated greyhound tracks, six operated jai-alai frontons, six operated thoroughbred horse tracks, two operated a harness track and one conducted a quarter horse meeting. Detailed statistical analyses of each are included in this report.

During the month of October the Racing Commission approved the transfer of the Palm Beach Kennel Club Corp. permit to Investment Corporation of Palm Beach. A change in the majority stock ownership at Monro Operating Company, Inc. was also approved that month.

Bayard Raceways, Inc., which had been dormant for the past decade, reopened in October for a fifty-three day harness meeting. Seminole Park and Fairgrounds, Inc., which was reactivated in 1970, was forced to close prematurely due to financial difficulties. On April 28, 1971, the Commission issued a new permit to Gator Downs Racing, Inc. for the operation of a quarter horse meet in St. John's County using the same facilities as the harness meeting held in the fall by Bayard Raceways, Inc.

Change in the majority stock ownership of Tropical Park occurred in April. Miami Beach Jockey Club, Inc., who had used leased facilities at Tropical Park

for its 1970 meeting, opened at its new location in North Dade County on May 6, 1971. As of June 30, 1971, the name of Gandy Operating Company, Inc. was changed to Tampa Jai-Alai, Inc.

The one inactive permit is issued to Sports Palace, Inc., which holds the right to conduct a Jai-Alai meeting in Melbourne, Florida. This permit holder has begun construction and has applied for and received operating dates in the fall of 1971.

ADMINISTRATION

George D. Johnson, Jr., Division Director, administered the many and varied activities of the Racing Commission and the Division of Pari-Mutuel Wagering. During the past fiscal year he was ably assisted by Dr. P. H. Dougherty, Racing Research and Laboratory Manager; Robert C. Blackburn, Chief Investigator; Tom G. Ozmer, Jr., Pari-Mutuel Operations Coordinator; Mrs. Linda Holiman, Fiscal Assistant and Mrs. Julie Robinson, Licensing Assistant.

The records of all pari-mutuel activities in the State are maintained at the Division Office located in the State Office Building, 1350 N.W. 12th Avenue, Room 510, Miami, Florida. Since this report contains but a small fraction of these records, any additional information will be gladly furnished upon request.

Seminars were held during April in Tampa and Pensacola, and this continuing program for training track and fronton employees effected a closer working relationship with our Miami office.

Comment was made in the previous Annual Report on the "phasing in" of electronic calculators in lieu of auditor personnel at the tracks and frontons in an effort toward greater efficiency and reduced cost. In addition to the twelve calculators initiated during fiscal 1970, eight more were placed into the field in 1971, and I am pleased to report they have been well accepted. The savings thus accomplished during the past fiscal year paid for the cost of the machines, and an anticipated \$100,000 will be saved annually henceforth through the use of these mechanical devices.

INVESTIGATION BUREAU

Florida Statutes require that all persons employed in the industry be licensed, fingerprinted and photographed. The Investigation Bureau is responsible for the supervision of this activity and, through the use of data processing equipment, maintains a complete up-to-date record on each person. During the past season 27,230 occupational licenses were issued, an increase of 11% over last year. Of this number, 8,474 persons required new fingerprints and photographs. This increases the total to 60,997 persons whose prints are on file with this agency.

The bureau works closely with the local law enforcement agencies and the associations' own security forces to effectively promote and correlate the investigation of all illegal activities at the race tracks and frontons in the State. During the past fiscal year six hundred thirty seven (637) undesirables were ejected from the grounds of the various associations.

This bureau also concerns itself with the enforcement of Florida Statute 550.27, commonly called the "85% law", which requires that at least this percentage of the employees at each track or fronton be bona fide Florida residents and that such a percentage of the weekly payroll be paid to them. This law assures local residents of a fair opportunity for employment at the pari-mutuel establishments.

LABORATORY

The Division Laboratory, the oldest of its kind in the United States, enjoys a top reputation among the racing laboratories of the world. Its function is the detection of micro quantities of drugs in the saliva and urine of racing animals which might affect their performance. Such samples are taken by licensed veterinarians employed by the Division.

During the year in review a record 28,873 samples were analyzed with a total of 37,037 analyses being performed on them. The cost per analysis was \$2.48. Of these samples, only twenty-five (three greyhound, twelve thoroughbred, five harness, five quarter horse) were identified as chemically positive, and appropriate investigative and disciplinary action was taken.

In addition to its analytical purposes, the laboratory also maintains an active and continuous research program of new drugs. It also conducts evaluations of new analytical methods of metabolite excretion studies. As a result of these studies during the past year, the Division amended its medication rule to permit the use of hemostats and steroids at thoroughbred tracks.

As commented upon in our prior annual report, each thoroughbred track was required by Rule to construct and have ready for the 1971 season a separate detention barn for the Division's exclusive use in collecting such saliva and urine samples. These facilities were available and used during the past fiscal year and proved very effective.

LEGISLATION

The 1971 session of the Florida State Legislature enacted five bills pertaining to pari-mutuels. They were of great consequence to the industry.

- (1) Chapter 71-98, Laws of Florida, 1971 amended Section 20.16. This act provided that the functions of the State Racing Commission, except fixing and setting the dates for racing and fronton operation, are assigned to the Division of Pari-Mutuel Wagering and abolished the Board previously heading the Racing Commission.
- (2) Chapter 71-129, Laws of Florida, 1971 amended Section 550.13 to put a ceiling on the racing moneys to be received by each of the counties of the State in the future. Any sums received over and above the 1970-1971 amount will henceforth be deposited into the general revenue fund.
- (3) Chapter 71-146, Laws of Florida, 1971 amended Sections 550.16, 550.262 and 550.42 to permit an additional 1% to be withheld from the pari-mutuel pools at the thoroughbred tracks, with the proviso that it be used for purses and breeders awards.
- (4) Chapter 71-180, Laws of Florida, adds Section 550.47 to permit holders of valid thoroughbred and standardbred permits, when located within a 35 mile radius of each other, to lease their facilities.
- (5) Chapter 71-238, Laws of Florida, 1971 added Section 550.035. This act permits each permit holder to conduct an extra performance with all proceeds being payable to the Florida Bicentennial Commission.

LITIGATION

During the fiscal year ending June 30, 1971 the Division of Pari-Mutuel Wagering was a party to the following litigation:

1. *Hialeah Race Course, Inc. and Tropical Park, Inc., Appellants, v. Gulfstream Park Racing Association, Inc., a Florida corporation, and Florida State Racing Commission, et al, Appellees, Supreme Court of Florida #39,353.*

An exhaustive report was made of the background of this case in the 1969 Annual Report to the Governor. On December 19, 1969 the Circuit Court in Broward County rendered final judgment declaring Section 550.081 (3), Florida Statutes, unconstitutional. This provision of the statute provided for the allocation of winter racing dates in South Florida based upon the pari-mutuel handle generated by each of the three tracks during the preceding year. Subsequently, Hialeah Race Course entered its appeal to the Supreme Court of Florida. The Florida State Racing Commission and the Division of Pari-Mutuel Wagering remained as nominal parties. On February 25, 1971 the Supreme Court affirmed the order of the Circuit Court. Petitions for rehearing have been denied and, consequently, the Court's order became final on April 8, 1971.

2. *Alfred Mones v. Division of Pari-Mutuel Wagering, et al, United States District Court, Southern District of Florida, #70-105 Civ. T.C.*

Pursuant to provisions of Section 849.24(3), Florida Statutes, Alfred Mones was denied reinstatement as a patron by the Division of Pari-Mutuel Wagering for the reason that Mr. Mones was a convicted bookmaker. Thereafter, on January 22, 1970, Mr. Mones filed an action in the United States District Court in Miami seeking to have the statute declared unconstitutional.

After appropriate pleadings and pre-trial stipulation this matter was submitted to the District Court for decision on memoranda of law submitted by the various parties. On October 15, 1970, the Court ruled the bookmaking statute valid and constitutional in all respects, and plaintiff's application for an injunction to restrain the enforcement of the statute was denied.

3. *H. C. Vandervoort, Jr. v. Department of Business Regulation and the Division of Pari-Mutuel Wagering, Circuit Court, Eleventh Judicial Circuit, Dade County, Florida, #70-3543.*

On December 5, 1969, the Division of Pari-Mutuel Wagering amended the Jockey Fees Rule, increasing the minimum fees payable to jockeys. On January 27, 1970, Mr. Vandervoort, individually and as President of the Florida Division of the Horsemen's Benevolent and Protective Association, filed a complaint in the Circuit Court in Dade County seeking a declaration that the new rule is unconstitutional. Appropriate pleadings were filed, the issues were joined, and upon stipulation of counsel the matter was submitted to the Circuit Court for decision upon the memoranda of law for the respective parties. On September 8, 1970, the Circuit Court entered an order declaring the new rule unconstitutional and unenforceable.

The Division of Pari-Mutuel Wagering has taken an appeal from this order to the Supreme Court of Florida. Notice of appeal was filed on November 7, 1970, and the matter is now proceeding to final determination.

4. *Daniel E. Taylor v. Department of Business Regulation and Division of Pari-Mutuel Wagering, Circuit Court, Eleventh Judicial Circuit, Dade County, Florida, #70-3096.*

Daniel E. Taylor, licensed horse owner, was the owner of a horse, "Doug Oswald", which was disqualified by the Stewards at Tropical Park, after having been found to have run with medication in its system. The decision of the Stewards, pursuant to the regulation of the Commission, redistributed the purse.

Mr. Taylor appealed the Stewards' decision to the Racing Commission. The Commission affirmed the Stewards' decision and Mr. Taylor, thereafter on February 20, 1970, filed suit in the Circuit Court seeking a declaration of unconstitutionality of the rule requiring purse redistribution in such cases. This case is presently pending.

5. *West Flagler Associates, Ltd. v. Board of Business Regulation, et al, Supreme Court of the State of Florida, #40,187.*

The awards of days, dates and matinees for the past season was challenged by various pari-mutuel permit holders and actions were filed by them in the District Court of Appeal and in the Supreme Court. These various actions were consolidated in the Florida Supreme Court and proceeded to final disposition by that Court.

On October 20, 1970, the Court entered its order which reaffirmed validity of the county rule and which awarded up to fifty matinees to greyhound tracks in Dade County.

On petition for rehearing the Supreme Court filed a clarification order on November 2, 1970. This order provided that a greyhound track which is the only greyhound track in the county may operate for the aggregate number of racing days allowed by law and has the option to select any days during the winter racing season without Division approval, or at any other time during the year with Division approval. The order further provided that such a track can conduct up to the maximum number of matinees on the days of its choice during its meet. All other matinee days for greyhound tracks in Dade County were made subject to approval of the Division.

6. *William Katz v. Florida State Racing Commission, Circuit Court, Eleventh Judicial Circuit of Florida, #70-9828.*

William Katz, greyhound owner-trainer, was cited before the Racing Commission on June 5, 1970 for a rules violation. Prior to the hearing Mr. Katz filed a complaint in the Circuit Court seeking a temporary injunction against the Racing Commission and a declaratory judgment of the unconstitutionality of the rule involved. By appropriate pleadings the issues were joined and this matter is presently pending disposition by the Circuit Court.

7. *Harry Albert Brown v. Division of Pari-Mutuel Wagering, et al, Department of Business Regulation, Board of Business Regulation, #70-13R.*

Mr. Brown, a dog-trainer, was found guilty of a rule violation by the judges at Miami Beach Kennel Club. Mr. Brown appealed the judges' decision to the Racing Commission and in conjunction therewith obtained a Stay Order from the Circuit Court, Dade County, Florida. The Racing Commission affirmed the judges' decision and on June 10, 1970, Mr. Brown served his Notice of Appeal to the Board of Business Regulation. On March 26, 1971, the Board of Business Regulation affirmed the decision of the Division of Pari-Mutuel Wagering.

8. *Frederick William Lippi v. Division of Pari-Mutuel Wagering, et al, Department of Business Regulation, Board of Business Regulation, #70-11R.*

Mr. Lippi applied to the Racing Commission seeking a waiver of the felony rule in order that he could be licensed as a horse owner. The Commission denied Mr. Lippi's application. On June 11, 1970, Mr. Lippi filed his Notice of Appeal with the Board of Business Regulation seeking a reversal of the Commission's denial of his application. On December 21, 1970, the Board of Business Regulation affirmed the decision of the Division of Pari-Mutuel Wagering.

9. *Francis Brown v. State Racing Commission and Hialeah Race Course, Inc., Circuit Court, Eleventh Judicial Circuit, Dade County, Florida, #71-3564.*

On February 23, 1971, plaintiff filed a petition for declaratory decree alleging that on February 24, 1970 he purchased certain pari-mutuel tickets at Hialeah Race Course. He claimed to have left the race before it was completed and on his way home was accosted, beaten and robbed of the tickets, which later proved to be winning tickets. Thereafter he attempted to secure payment from Hialeah Race Course, but was refused payment for the reason that he did not have the tickets. This declaratory judgment suit seeks to have the court adjudicate plaintiff's right to the money in question.

On March 9, 1971, the Division filed a motion to dismiss the complaint and litigation is now pending on the pleadings before the court.

10. *Brotherhood of Railway, Airline and Steamship Clerks, et al, v. State of Florida, Department of Business Regulation, Board of Business Regulation, #70-47R.*

This is an appeal from an order of the Division of Pari-Mutuel Wagering entered on March 12, 1971, which revoked the licenses of certain individuals employed by the Jacksonville Kennel Club who engaged in a work stoppage without first giving the Division fifteen-days notice of their intent to do so in accordance with Greyhound Rule 7E-2.02(21)(b) and (c). This case is now pending before the Board for final disposition.

11. *Marve Alan Dubin v. Division of Pari-Mutuel Wagering, Department of Business Regulation, Board of Business Regulation, #70-29R, and District Court of Appeal, First District, #P-158.*

The Division of Pari-Mutuel Wagering refused to issue Mr. Dubin a license after the track stewards revoked their approval of his license application and Mr. Dubin withheld that fact from the Division's office. Mr. Dubin took an appeal from that order to the Department of Business Regulation and on March 3, 1971, the Board of Business Regulation entered an order affirming the decision of the Division.

On April 16, 1971, Mr. Dubin filed a petition for writ of certiorari in the District Court of Appeal, First District, to review the decision of the Board of Business Regulation. That petition is now pending before the court.

12. *Syble June Falkner v. Fred O. Dickinson, Jr. and Broward Williams, v. Alfred S. Austin et al, v. Miami Jai Alai, Inc., Circuit Court, Second Judicial Circuit, Leon County, Florida, #70-1237.*

Mrs. Falkner filed suit on February 25, 1970, in Dade County, against Miami Jai Alai, Inc., alleging that the defendant refused to honor a winning ticket. This suit was dismissed upon a finding that the plaintiff had not sought administrative relief from the Division of Pari-Mutuel Wagering. Mrs. Falkner then filed suit in Leon County against the State Comptroller and the State Treasurer in which she alleged that the winning funds had escheated to the State and that she was entitled to recover those funds.

On December 18, 1970, the Comptroller and Treasurer filed a third-party complaint against the Division of Pari-Mutuel Wagering, in which it was alleged that no escheated funds had been received by the State officers and that if the funds have escheated, then the Division of Pari-Mutuel Wagering should have collected and forwarded such escheated funds.

The Division of Pari-Mutuel Wagering subsequently filed a cross-claim against Miami Jai Alai, Inc., which seeks to recover from Miami Jai Alai, Inc. any winning monies that may have escheated to the State of Florida. Miami Jai Alai, Inc. moved to dismiss the third-party complaint and its motion was denied by the Circuit Court. Thereafter Miami Jai Alai, Inc. filed an answer alleging that Mrs. Falkner, with others, seeks to defraud the fronton and that she never had a winning ticket.

Mrs. Falkner has filed a motion for summary judgment, which was denied. She attempted to take an interlocutory appeal to the District Court of Appeal, First District, and on May 4, 1971, the appeal was dismissed.

Numerous depositions and pre-trial procedures have been completed in this case and the matter is now pending before the Court for final disposition.

13. *Florida Thoroughbred Breeders Association, Inc. v. Austin et al, Circuit Court, Eleventh Judicial Circuit, Dade County, Florida, #71-1700.*

An action for declaratory judgment was filed by the Florida Thoroughbred Breeders Association, Inc., which claimed that the Division of Pari-Mutuel Wagering had unlawfully adopted or enunciated a rule for matinee performances by greyhound tracks.

Subsequently, the Division filed a motion to dismiss the case for the reason that the awarding of matinees had been done in quasi-judicial proceedings and that no rule had been enunciated by the Division. Numerous greyhound tracks were added as parties defendant and additional motions to dismiss were filed by them.

On June 25, 1971, the Circuit Court entered a final judgment dismissing this action and finding, among other things, that the issues had become moot.

14. *Gulfstream Park Racing Association, Inc. v. Austin et al, Department of Business Regulation, Board of Business Regulation, #70-35R.*

On December 30, 1970 Gulfstream appealed to the Board of Business Regulation from an order of the Division of Pari-Mutuel Wagering which granted matinee performances to Miami Jai Alai, Inc. and Biscayne Kennel Club.

During the pendency of the appeal Biscayne Kennel Club received permission not to run some of the matinees awarded it and Miami Jai Alai, Inc. closed its fronton during a labor-management dispute. Consequently, issues in the appeal became moot and on May 4, 1971, the Board of Business Regulation dismissed the appeal.

15. *Hialeah Race Course, Inc. v. Austin et al, Department of Business Regulation, Board of Business Regulation, #70-33R.*

On January 4, 1971, Hialeah Race Course, Inc. took an appeal to the Board of Business Regulation from an order of the Division of Pari-Mutuel Wagering granting matinee performances to Investment Corporation of South Florida and Monro Operating Co., Inc. On May 7, 1971, the Board dismissed the appeal because the issues had become moot.

16. *Miami Beach Jockey Club, Inc. v. Austin et al, Department of Business Regulation, Board of Business Regulation, #70-21R.*

On January 30, 1970, Miami Beach Jockey Club, Inc., operating as Calder Race Course, filed a notice of appeal to the Board of Business Regulation to review the order and decision of the Division of Pari-Mutuel Wagering which granted West Flagler Asssociates, Ltd. certain matinees during the 1969-70

greyhound racing season. Appellant urged that insufficient opportunity was afforded it to make a presentation before the Division. A motion to dismiss the appeal on the grounds that the appeal was frivolous was granted by the Board on September 2, 1970.

17. *Miami Beach Jockey Club, Inc. v. Division of Pari-Mutuel Wagering et al, Department of Business Regulation, Board of Business Regulation, #70-41R.*

On February 2, 1971, Miami Beach Jockey Club, Inc., operating as Calder Race Course, appealed to the Board of Business Regulation from an order of the Division of Pari-Mutuel Wagering which denied a request of Calder to conduct a summer racing season unopposed by any matinee performances in Dade County. The Board dismissed the appeal because the issues raised in the appeal had become moot.

18. *Thomas R. Sheehan v. Austin et al, Department of Business Regulation, Board of Business Regulation, #70-27R.*

On August 7, 1970, Mr. Sheehan took an appeal to the Board of Business Regulation from an order of the Division of Pari-Mutuel Wagering which reversed a stewards' ruling disqualifying the horse Tropical Time and forfeiting the purse from the fifth race at Pompano Harness Raceway on March 20, 1970. On March 26, 1971, the Board reversed the Division of Pari-Mutuel Wagering and reinstated the decision of the stewards.

Owners of Tropical Time have now appealed the Board's order to the District Court of Appeal.

19. *West Flagler Associates, Ltd. v. Board of Business Regulation et al, Supreme Court of Florida, #41,281 and #41,284.*

By suggestion for the issuance of rule nisi in prohibition, a rule absolute and a judgment in prohibition, and an alternative writ of mandamus, a pre-emptory writ and a judgment of mandamus, West Flagler Associates, Ltd. and Calder Race Course, Inc. sought review in the Supreme Court of a decision of the Board of Business Regulation entered on June 18, 1971. That Board's decision granted Miami Jai Alai, Inc. twenty-one make-up days and eleven matinees because of the shut down of the Miami Jai Alai Fronton during a labor-management dispute.

The Supreme Court expedited the proceeding and took the matter on oral argument. On June 30, 1971, the Court ruled that Miami Jai Alai was entitled to twelve make-up operating days and six matinees, beginning July 2, 1971 thru and including July 15, 1971.

20. *Miami Beach Kennel Club, Inc. et al v. Board of Business Regulation et al, Circuit Court, Eleventh Judicial Circuit, Dade County, Florida, #70-13127.*

On July 21, 1970, Miami Beach Kennel Club and Investment Corporation of South Florida filed a declaratory judgment suit and request for injunction and other relief for the purpose of determining whether the Board of Business Regulation was limited to appellant review of the decisions of the Division of Pari-Mutuel Wagering. Plaintiffs sought to restrict the scope of review of the Division's award of greyhound dates for 1970-71. Issues were joined and during the course of litigation the Board of Business Regulation considered the award of the Division of Pari-Mutuel Wagering on appellate review and affirmed that award, thus rendering the issues moot. Subsequently, the award of greyhound dates was resolved by the Supreme Court in *West Flagler Associates, Ltd. v. Board of Business Regulation.*

21. *West Flagler Associates, Ltd. v. Division of Pari-Mutuel Wagering, Supreme Court of Florida, #41,164 and #41,165; and Miami Beach Kennel Club, Inc. v. Department of Business Regulation et al, Supreme Court of Florida, #41,278.*

On May 27, 1971, Flagler filed in the Supreme Court a petition to review the order and action of the Division of Pari-Mutuel Wagering which, on May 14, 1971, allocated fall operating dates to Miami Beach Kennel Club, winter operating dates to Flagler, and summer operating dates to Biscayne Kennel Club. The Supreme Court ordered the Board of Business Regulation to review the Division's order, and on June 18, 1971, the Board reviewed the Division's order and changed it by awarding the winter dates to Miami Beach Kennel Club and dividing evenly both fall and summer dates between Biscayne and Flagler.

Both the Division's order and the Board's order came on for review by the Supreme Court on June 28, 1971. The Court declined to follow either the Division's order or the Board's order and ruled that Miami Beach Kennel Club should operate the fall dates, Biscayne the winter dates, and Flagler the summer dates.

Petitions for rehearing have been filed by both the Board of Business Regulation and Biscayne Kennel Club. The case is pending on these petitions for rehearing.

22. *Gulfstream Park Racing Association, Inc. v. Division of Pari-Mutuel Wagering et al, Board of Business Regulation, Department of Business Regulation, #70-57R.*

On June 17, 1971, Gulfstream appealed to the Board of Business Regulation from an order of the Division of Pari-Mutuel Wagering, which awarded South Florida thoroughbred dates as follows: The first forty days to Tropical Park, Inc., the second forty days to Hialeah Race Course, Inc., and the last forty days to Gulfstream. Gulfstream contends that it has facilities equal to Hialeah and should be granted the middle dates. The appeal is now pending for an early disposition by the Board.

23. *Miami Jai Alai Employees et al v. Division of Pari-Mutuel Wagering.*

On March 19, 1971, pari-mutuel clerks at Miami Jai Alai Fronton engaged in a concerted work stoppage and refused to cash winning tickets. The employees had not given the Division of Pari-Mutuel Wagering notice of their intent to take their action at least fifteen days prior to doing so. The Division of Pari-Mutuel Wagering suspended all striking pari-mutuel clerks for 120 days for failure to give the fifteen-days' notice. The clerks have taken an appeal from this order to the Board of Business Regulation and have obtained the entry of a stay pending appeal.

In addition to the foregoing, the Division sat in quasi-judicial session on eleven (11) occasions and considered 224 individual cases. Appropriate rulings were issued on all of these, and Florida Downs & Turf Club, Inc., a permittee, was issued a letter of reprimand. Monetary penalties were assessed against greyhound owner, William Katz in the sum of \$500.; Sarasota Kennel Club, Inc., a permittee, in the amount of \$2,000., and Miami Jai-Alai, Inc., a permittee, in the amount of \$10,500.

SCOPE OF RACING

The ever upward trend of recent years continued with State tax revenues derived from the pari-mutuel industry breaking all records. Revenues increased

7.66%, attendance 9.32%, and the gross pari-mutuel wagering increased 9.31%. Each of the sixty-seven Counties of the State benefited by receiving a record \$446,500, of which \$314,000 was apportioned under the old racing laws and \$132,500 came from the additional taxes levied by the 1955 Legislature. As mentioned elsewhere in this report, a ceiling has now been placed upon the amount each County may receive and, unless subsequent legislation is enacted, this amount will be the maximum that any County can expect to receive in the future. The steady rise in the sums received by each County over the past five years is shown below:

1971 -	\$446,500
1970 -	412,000
1969 -	370,000
1968 -	319,000
1967 -	295,000

In addition, the General Revenue Fund received in excess of 23 million dollars from pari-mutuel operations. This money was used to support the varied functions of our State government. Other beneficiaries of pari-mutuel revenues were the State's school system and many charitable organizations. The various exhibits included in this report show these disbursements in detail.

Although the sum of \$57,484,189.23 was collected by the Division during the fiscal year, only 2.06% was expended in controlling, directing, and supervising the operation of the entire industry.

A recapitulation of the pari-mutuel handle, attendance and tax revenue amounts, along with the percentages of increase and/or decrease for each licensee is as follows:

ABANDONED PARI-MUTUEL TICKETS

Pursuant to Chapter 550.164, Florida Statutes, it was declared by the legislature that all abandoned pari-mutuel tickets over one year old should escheat to the State for deposit to the Principal of the State School Fund. These funds are used for the support and maintenance of our public schools. Fourteen general audits were conducted during the fiscal year verifying the total of \$666,405.35 received by the Division from this source. Exhibit "E" of this report shows in detail the amounts remitted by the individual associations.

Yearly receipts dating from 1957, when the Racing Commission first began collecting these funds, are itemized below:

1957 - \$ 3,992.20	1964 - \$ 292,193.60
1958 - 204,449.30	1965 - 320,530.50

SCHOLARSHIP FUND

Pursuant to Chapter 550.08, Florida Statutes, the Legislature authorized the various tracks and frontons to operate additional days of racing for the express purpose of creating and producing State Scholarships for qualified applicants. These funds are the net proceeds derived from these extra days of racing. This Scholarship Fund is administered by the State Board of Regents for Institutions of Higher Learning. A record total of \$619,538.80 was deposited to this fund during the past fiscal year. Exhibit "D" of this report shows the amounts raised by the industry.

Since their inception twenty-one years ago these extra days have raised over seven million dollars for our State supported colleges.

CHARITY DAYS

Since 1952, Florida Statutes have permitted the race tracks and frontons to operate additional days of racing, wherein the profits would go to recognized charities and institutions of higher learning not already participating in a Scholarship Day. These funds are in addition to the other racing revenues

detailed in this report by various exhibits. Twenty-five tracks and frontons participated during the year and conducted extra performances in which a total of \$1,843,611.60 was raised for approved charitable organizations and schools.

The amounts raised for all charitable organizations since these extra performances were first authorized are as follows:

1953 - \$134,216.40	1962 - \$ 494,893.18
1954 - 181,607.07	1963 - 512,177.25
1955 - 269,525.13	1964 - 617,425.39

NATIONAL COORDINATION

The State of Florida, through the Division of Pari-Mutuel Wagering, is a member of the National Association of State Racing Commissioners, an organization made up of Commissioners from all of the various States having legalized pari-mutuel activities. Through the exchange of information and ideas, the National Association is of great benefit to each member of the Association. Under a reciprocity agreement, each state recognizes rulings made by any other state racing board.

The 1971 Convention was held in San Juan, Puerto Rico during March. Secretary Dr. Fred J. Ackel, Director George D. Johnson, Jr., and retiring Chief Investigator, Tom C. Parker represented Florida.

The Association of Official Racing Chemists also held their convention in San Juan, in conjunction with the National Association of State Racing Commissioners. Florida was represented by its Laboratory Manager, Dr. P. H. Dougherty, who was elected to the Executive Board of the organization during the convention.

CONCLUSION

As Director of the Division, and on behalf of its employees, I assure you we shall continue to dedicate ourselves to the interest of the public and the State of Florida by seeing to it that pari-mutuel activities are conducted only in the highest possible manner.

Respectfully,

GEORGE D. JOHNSON, JR.
Director
