## OVERVIEW

This annual report encompasses the fiscal year which began July 1, 2017, and ended June 30, 2018. This is the 87th annual report in the series. The first annual report was issued for Fiscal Year 1931/1932, the initial year of legalized pari-mutuel wagering. In Florida, pari-mutuel wagering is authorized for horse racing, harness horse racing, quarter horse racing, greyhound racing, jai alai games, and cardroom poker games. Additionally, slot machine gaming at pari-mutuel facilities is authorized in Broward and Miami-Dade counties. Florida is one of the primary pari-mutuel states in the nation. Florida is also the only state in the United States where live jai alai games are conducted. This annual report, which is required by Florida law, is intended to inform the Governor, the Legislature, the industry, and other interested parties of wagering activities at authorized pari-mutuel facilities. The report is organized into five primary sections:

- 1. Introductory Section** – An overview of the Division of Pari-Mutuel Wagering and a report of events that occurred impacting the division's oversight of permits or events that affected the operation of facilities.
- 2. Statistical Section** – Details various cardroom, pari-mutuel, and slot statistical data by individual racing association or fronton.
- 3. Data by Association/Facility** – Includes operating information by association/permit, promotional programs for Florida-bred horses, and impermissible substance positives statistical data.
- 4. Financial Section** – Official financial statements of the Division of Pari-Mutuel Wagering.
- 5. Statute Matrix** – A table that summarizes the statutes regarding the taxes and fees applicable to pari-mutuel wagering and cardroom activity. The matrix includes a summary of the statutes regarding the taxes, fees, fines, and penalties with respect to slot machine gaming.

## EXPLANATION OF REPORT TERMINOLOGY

Florida law requires intertrack wagers to be combined with the wagering pools of the host or the broadcasting Florida track or fronton. The law also requires that the host take-out on intertrack wagers be the same as for on-track wagers; however, the distribution of the take-out may be different. The tax structure for on-track and intertrack wagering is explained in more detail in the statute matrix section.

Pursuant to Section 550.002(13), Florida Statutes, handle is defined as the aggregate contributions to pari-mutuel pools. For purposes of this report, the four types of handle detailed in this report are as follows:

- **Live Ontrack:** Handle from live races/games at the track/fronton.
- **Simulcast:** Handle from races/games originating from out-of-state and broadcast to a Florida track/fronton.
- **Intertrack:** Handle from where a Florida track/fronton (acting as host) broadcast live races/games to other Florida tracks/frontons.
- **Intertrack Simulcast:** Handle from rebroadcasting of simulcast signals received by a Florida track/fronton to other Florida tracks/frontons.

All intertrack and intertrack simulcast handle is detailed by the host permitholder in this report. These schedules reflect combined wagering statistics for all guest facilities that received broadcasts and conducted wagering and included in the wagering pools of the host. For host permitholders, a summary of intertrack handle components for each guest is shown in the statistical section of this report. The schedules of intertrack wagering handle by guest include data on wagers from intertrack handle and intertrack simulcast handle. Any paid attendance, admission tax, purses paid, or players' awards paid are detailed in the data by association/permit section of the report.

## **THE DIVISION OF PARI-MUTUEL WAGERING**

The Division of Pari-Mutuel Wagering is a program area of the Department of Business and Professional Regulation within the Executive Branch of Florida's government. The division is charged with regulating Florida's pari-mutuel, cardroom, and slot machine gaming industries, as authorized by Chapters 550, 551, and Section 849.086, Florida Statutes, as well as collecting and safeguarding associated revenues due to the state. Authorized pari-mutuel events include harness racing, quarter horse racing, thoroughbred racing, greyhound racing, and jai alai. Pari-Mutuel Wagering was originally authorized by the Legislature in 1931. Since that time, the division has evolved from a racing commission into a professional regulatory organization overseeing a complex and dynamic industry located throughout the state. Additionally, the Division of Pari-Mutuel Wagering was designated by the Florida Legislature as the State Compliance Agency with the authority to carry out the state's oversight responsibilities in accordance with the provisions outlined in the Compact between the State of Florida and the Seminole Tribe of Florida.

### **OFFICE OF THE DIRECTOR**

The Office of the Director provides leadership, oversight, and administration of the six functional areas within the division. Specific responsibilities include budget planning, rule promulgation, policy development, analysis of proposed legislation, strategic planning, fleet management, staff development, and enforcement of administrative actions. Additionally, the Office of the Director ensures that all areas of the division operate in a cooperative effort to provide efficient regulatory oversight of the industry.

The division's structure includes six functional areas which act under the management of the Office of the Director. These functional areas include Revenue and Financial Analysis, Auditing, Operations, Investigations, Slot Operations, and State Compliance Agency. Each area focuses on a different aspect of regulation within the cardroom, pari-mutuel, and slot machine gaming industry, as well as the state's Compact with the Seminole Tribe of Florida, in an effort to protect state revenues and maintain the public's confidence in the integrity of the wagering activity. Additionally, the Office of the Director processes applications for the issuance of all pari-mutuel permitholder Annual Operating Dates Licenses, Cardroom Operator Licenses, and Slot Machine Licenses to authorized facilities.

### **OFFICE OF OPERATIONS**

All individuals and businesses who work or conduct business at a racetrack, fronton, cardroom, or slot machine facility and who have access to all wagering activity, restricted areas, and/or racing animals, must obtain an occupational license issued by the division. Every occupational licensee is fingerprinted upon initial licensure and every three years thereafter. Each set of fingerprints is submitted electronically to the Florida Department of Law Enforcement and the Federal Bureau of Investigation for processing. During Fiscal Year 2017/2018, the Operations' Licensing Section processed 21,953 occupational license applications for businesses and individuals, of which 1,789 were related to cardroom operations, 16,743 were related to racing operations, and 3,421 were related to slot machine operations.

The Office of Operations is also responsible for ensuring that the day-to-day operation of races and games is conducted in accordance with Florida's pari-mutuel statutes and rules. The State Stewards monitor each horserace and conduct inquiries and hearings for alleged violations of the state's pari-mutuel statutes and rules. The Stewards and Hearing Officers issued 31 rulings and 34 consent orders, assessed fines totaling \$20,225, and imposed 2 license suspensions for violations during Fiscal Year 2017/2018.

Operations' staff collects urine and blood samples from racing animals which are sent to the University of Florida, College of Medicine Racing Laboratory for analysis. The Racing Laboratory performs its services under an annual contract with the division. State veterinarians and veterinary assistants collected 62,542 samples that included 49,914 greyhound urine samples and 12,628 horse urine and blood samples during Fiscal Year 2017/2018. There were 250 positive findings of impermissible substances in the samples collected.

Additionally, the auditing staff maintains primary oversight for cardroom operations, which includes: auditing internal control procedures, auditing jackpot accounts, monitoring daily operations, coordinating inspections, and auditing for compliance. The auditing team is responsible for communicating with the licensed totalisator companies and for the input of pari-mutuel handle and wagering information into the division's Central Management System (CMS).

During Fiscal Year 2017/2018, the auditing team conducted 19 greyhound purse audits, 19 greyhound adoption proceeds audits, 29 mutuels audits, 24 escheat audits, 24 cardroom audits, and eight slot audits. Audits of malfunction reports were also conducted.

Investigative staff is responsible for investigating Class I drug positives analyzed and identified by the University of Florida, College of Medicine Racing Laboratory. The investigations vary, including patron complaints, animal cruelty, and the use of performance altering medications and/or illegal substances during races. A case may result in issuance of a warning letter, consent order, administrative fine, license suspension, hearing before a designated hearing officer, or referral to either regulatory or law enforcement agencies for criminal prosecution. During Fiscal Year 2017/2018, there were 572 investigations conducted.

The investigation staff also conducts background examinations of potential permit holders which involves an in-depth review of the applicant's financial records in order to ensure compliance with Sections 550.054, 550.1815 and 849.086, Florida Statutes. Additionally, investigators perform background reviews of Pari-Mutuel Wagering Occupational License requests from applicants with criminal records requesting a waiver from the Division Director in accordance with Section 550.105, Florida Statutes.

The investigation staff also conducted 4,322 inspections of pari-mutuel and slot machine facilities, including cardrooms, greyhound kennels and horse stables; both prior to opening as well as throughout the operating year.

## **OFFICE OF SLOT OPERATIONS**

The Slot Operations' staff is responsible for overseeing state personnel located at each of the four pari-mutuel facilities in Broward County and each of the four pari-mutuel facilities in Miami-Dade County that have slot machine gaming. To protect the integrity of slot machine gaming activity, the Slot Operations' staff oversees the day-to-day operations at the slot machine facilities, performs daily revenue reconciliations, verifies that every slot machine has been certified by an independent testing laboratory, issues slot machine occupational licenses to individuals, and ensures slot machine gaming activity is in compliance with the requirements of Chapter 551, Florida Statutes, Chapter 61D-14, Florida Administrative Code, as well as the internal controls of the individual facilities.

During Fiscal Year 2017/2018, the Slot Operations' staff completed 4,684 inspections. Of those, 75 items were found to be non-compliant, of which five were turned over to Investigations and to the Department's Office of the General Counsel for formal proceedings. There were 776 shipments of authorized slot machines and components, which required the verification of 1,371 slot machines and 9,634 components. The Slot Operations' staff authorized and monitored 9,645 slot machine conversions, denomination and/or game theme changes, slot machine relocations and other related slot machine changes.

## CHARITY AND SCHOLARSHIP PERFORMANCES

Each permitholder may operate up to five additional days designated as charity or scholarship days during their regular meet. Pursuant to Section 550.0351, Florida Statutes, proceeds from these additional days are paid to approved charities, major state and private institutions of higher learning, community colleges, the Historical Resources Operating Trust Fund, and the Racing Scholarship Trust Fund (Board of Governors' Operations and Maintenance Trust Fund). A list of proposed recipients is submitted annually by the permitholder to the division. A minimum of \$1,991,253 was paid to charitable organizations during Fiscal Year 2017/2018, bringing the total proceeds disbursed since 1985 to \$84,085,324.

### RACING SCHOLARSHIP TRUST FUND

The Board of Governors, within the Department of Education, oversees the Board of Governors' Operations and Maintenance Trust Fund and ensures that the referenced contributions are used to provide scholarships to deserving students attending Florida's colleges and universities. A total of \$16,888,884 has been paid to this fund since the program began in 1949.

### ABANDONED WINNING TICKETS

Abandoned pari-mutuel tickets are winning tickets that remain uncashed for a period of one year. The value of greyhound and jai alai abandoned tickets for live on-track races or games escheat to the state. These funds are deposited into the Department of Education's State School Trust Fund for the support and maintenance of Florida's public schools. Since 1957, the total paid into this fund is \$97,899,121. The amount collected from abandoned winning tickets for the State School Trust Fund for this fiscal year is detailed below.

Abandoned Winning Tickets	
Greyhound Permitholders	\$687,112
Jai Alai Permitholders	27,299
<b>Total For 2017/2018 Fiscal Year</b>	<b>\$714,411</b>

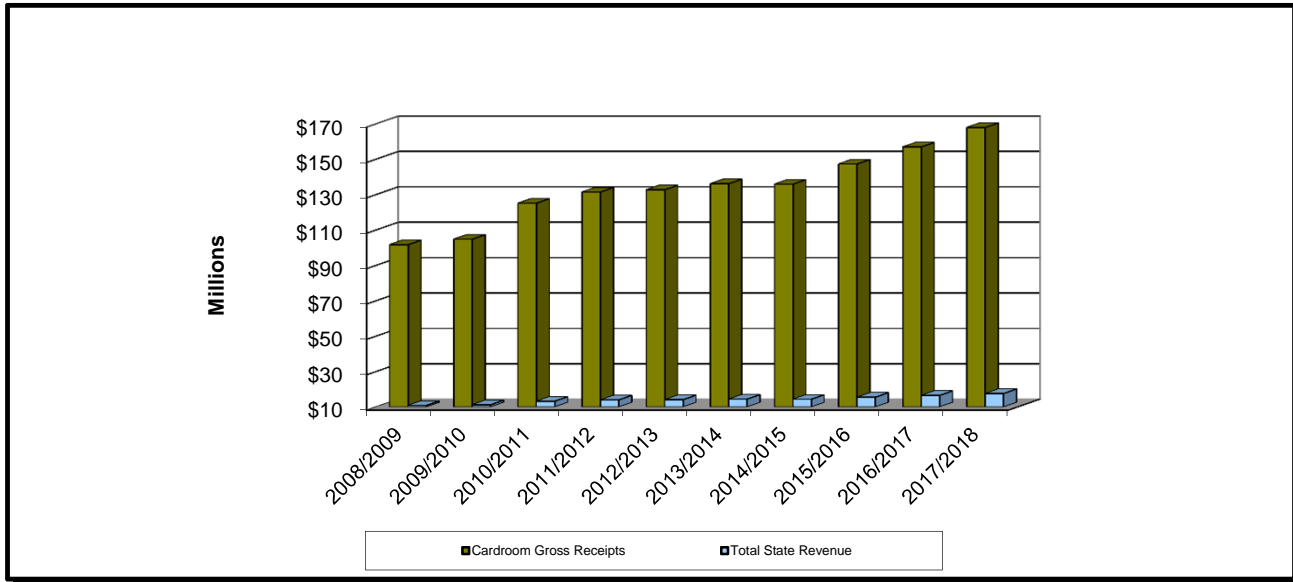

In harness and quarter horse racing, abandoned winning tickets are paid to the respective breeders' associations. Abandoned winning tickets from thoroughbred horse racing are retained by the permitholder.

## CARDROOM COMPARATIVE DATA

During Fiscal Year 2017/2018, there were 26 permitholders that obtained a cardroom license. One did not operate, the other 25 operated at pari-mutuel facilities located throughout the state. The number of cardroom tables decreased from 805 in Fiscal Year 2016/2017, to 786 in Fiscal Year 2017/2018. Cardroom gross receipts increased from \$156,914,074 to \$167,950,581 and the gross receipts tax increased from \$15,692,825 to \$16,795,063 this fiscal year. Table fees decreased from \$805,000 to \$786,000 this fiscal year. The overall result was an increase in total state revenue from \$16,497,825 to \$17,581,063 this fiscal year.

Cardroom tax revenue is distributed 50 percent between the Pari-Mutuel Wagering Trust Fund and the General Revenue Fund. In accordance with Section 849.086(13)(h), Florida Statutes, one quarter of the moneys deposited into the Pari-Mutuel Wagering Trust Fund must be distributed to counties and municipalities that approved the cardroom. In October 2018, the division distributed approximately \$2,099,383 to the counties/municipalities from cardroom gross receipts.

Intertrack handle wagered on broadcasts of live Florida greyhound performances decreased by approximately 5.8 percent. Simulcast handle wagered on broadcasts of performances from outside the state decreased by approximately 6.3 percent. Intertrack simulcast handle wagered on broadcast of performances from outside the state decreased by approximately 7.6 percent. Overall, there was a decrease in total handle by approximately 6.4 percent for the Florida greyhound industry.

Total paid attendance decreased by approximately 0.5 percent from the prior year. The division reports only paid attendance and does not include free admissions or complimentary passes in its data. Total greyhound revenue to the state decreased by approximately 30.3 percent during Fiscal Year 2017/2018. The greyhound industry accounted for approximately 19.24 percent of Florida's total pari-mutuel revenue and 30.8 percent of total handle from pari-mutuel performances.

Greyhound permitholders reported paying a total of \$25,771,990 in purses during Fiscal Year 2017/2018. For more detail on purses paid, please refer to the information below by permitholder. The division was able to confirm reported purse amounts from the weekly purse reports submitted in accordance with Rule 61D-8.006, Florida Administrative Code.

All of Florida's greyhound permitholders actively sponsor greyhound adoption programs. Many of the state's greyhound tracks provide for on-site adoption booths, animal welfare, funding, advertising, special events and public information. Section 550.1647, Florida Statutes, provides a greyhound permitholder with credits in an amount equal to the uncashed pari-mutuel tickets remitted in the prior state fiscal year to the state, which is applied against any taxes imposed the next fiscal year. Additionally, Section 550.1647, Florida Statutes, requires each permitholder to pay an amount not less than 10 percent of the credit provided by this section to any bona fide organization that promotes or encourages the adoption of greyhounds. During Fiscal Year 2017/2018, total contributions provided to greyhound adoption units amounted to \$158,870; which met or exceeded the minimum statutory requirement.

## HORSE RACING

### Promotional Programs for Florida-Bred Horses \*

Florida breeder promotions and award programs are administered by private breeders' and owners' associations organized to promote ownership and breeding of race horses in the State of Florida. Each association conducts its own campaign to enhance the horse breeding industry in the state and provides breeders' and owners' awards of up to 20 percent of announced gross purses. The Florida Standardbred Breeders' and Owners' Association is funded by the breaks and uncashed tickets from live performances and one percent of the intertrack handle. The Quarter Horse Breeders' Association is funded by the breaks and the uncashed tickets from live races and one percent of the live and intertrack handle. The Florida Thoroughbred Breeders' and Owners' Association awards program is funded by 0.955 percent of the live, simulcast, and intertrack handle, as well as 3.475 percent of the gross revenue from out-of-state wagers on Florida races.

To date, the Florida thoroughbred breeding industry has produced 50 national champions. Florida also produced "Affirmed", the eleventh horse to have swept the Triple Crown (1978). Ocala/Marion County, Florida, is home to some of the leading breeding farms in the country. The industry boasts 19 classic wins (Kentucky Derby, Preakness Stakes, and Belmont Stakes), 26 Breeders' Cup Day champions and six horses of the year.

The Florida Thoroughbred Breeders' and Owners' Association (FTBOA) funds the Florida-bred Stakes Program, which is implemented at Florida's Thoroughbred racetracks. Through a percentage of pari-mutuel handle, Florida Thoroughbred permitholders contributed \$8,122,825 to the FTBOA during Fiscal Year 2017/2018. The FTBOA paid out \$7,208,811 in Breeders' Awards and \$1,969,500 through the Florida-bred Stakes Program. The Florida-bred Stakes Program includes "Florida Sire Stakes" at Gulfstream Park, "Sunshine Millions Preview" at Gulfstream Park West, "Florida Cup Day" at Tampa Bay Downs, and additional funds for supplements to Florida-bred Preferred Stakes Races during the Gulfstream and Tampa Bay Downs' meets.

The Florida Standardbred Breeders' and Owners' Association (FSBOA), a non-profit organization and the only organized representative of Standardbred horsemen in the State of Florida, is the designated association for the allocation and distribution of funds for Florida-bred racing. Promotional activities include providing breeder and stallion awards for eligible Florida-bred horses during Pompano Park's 2017/2018 meet, as well as awards for Florida Breeders' Stake races. The FSBOA inaugurated a breeder incentive program in 2012 with the goal of offering standardbred breeders a financial reward for the production of Florida-sired foals. This program benefits the standardbred breeders in Florida stakes races and awards are provided for two-year old and three-year old Florida standardbreds. Florida Standardbred Breeders' & Owners' sponsored stake races provided awards and purse money to the Florida standardbred horsemen in excess of \$922,000 during the 2017/2018 meet. Additionally, the program continued to reward Florida standardbred breeding farm participants with more than \$110,000; thereby supporting family farms and agriculture producers in Florida.

*\* Note: This promotional program information is provided by respective Breeders' and Owners' Associations.*

COLLEGE OF VETERINARY MEDICINE RACING LABORATORY**

The Florida Racing Laboratory in the College of Medicine at the University of Florida is an ISO 17025 accredited laboratory that employs various procedures to detect and identify prohibited drugs, medications, stimulants, depressants, hypnotics, local anesthetics, and drug masking agents in the blood, urine or other bodily fluids of racing horses and greyhounds.

During Fiscal Year 2017/2018, the Laboratory received and processed 62,542 samples and performed 265,812 analyses. The vigilant monitoring of samples by the Laboratory serves to deter the use of prohibited drugs in racing animals in Florida.
